<b>Federal Student Loan Debt</b>			
<b>Most recent three year cohort default rate, as reported by the United States Department of Education. *</b>	<b>The percentage of enrolled students in 2015 receiving federal student loans to pay for this program.</b>	<b>The average amount of federal student loan debt of 2015 graduates who took out federal student loans at this school.</b>	<b>The percentage of graduates in 2015 with federal student loans as calculated by the school.</b>
17.2%	77%	\$6,333.00	62%

\* The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

## **Definitions**

- ① **Number of students who began program** means the number of students who began the program who are scheduled to complete the program within 100% of the published program length within the reporting calendar year, and excludes all the students who cancelled during the cancellation period.
- ② **Students available for graduation** is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- ③ **Number of On-Time Graduates** is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- ④ **On-Time Completion Rate** is the number of on-time graduates divided by the number of students available for graduation.
- ⑤ **150% Graduates** is the number of students who completed within 150% of the program length (includes on-time graduates).
- ⑥ **150% Completion Rate** is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- ⑦ **Graduates available for employment** means the number of graduates minus the number of graduates unavailable for employment.
- ⑧ **Graduates unavailable for employment** means the graduate who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- ⑨ **Graduates employed in the field** means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- ⑩ **Placement Rate Employed in the Field** is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- ⑪ **Number of Graduates taking the Exam** is the number of graduates who took the first available exam in the reported calendar year.
- ⑫ **First Available Exam Date** is the date for the first available exam after a student completed the program.
- ⑬ **Passage Rate** is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- ⑭ **Number who Passed First Available Exam** is the number of graduates who took and passed the first available licensing exam after completing the program.
- ⑮ **Salary** is as reported by the graduate or graduate's employer.
- ⑯ **No Salary** is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **"STUDENT'S RIGHT TO CANCEL" - INSTITUTIONAL REFUND/DROP POLICY**

- ❶ Any monies due the student shall be refunded within 30 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:
  - a. A student is not accepted by the school. This student shall be entitled to a refund of all monies paid to the school except a non-refundable application fee.
  - b. A student (or in the case of a student under legal age, his/her parent or guardian) cancels his/her contract and demands his/her money back in writing, through attendance of the first day of class or the seventh (7) calendar day of signing the enrollment contract, whichever is later. In this case all monies collected by the school shall be refunded except a non-refundable application fee. This policy applies regardless of whether or not the student has actually started training.
  - c. A student who cancels his/her contract through attendance of the first day of class or the seventh (7) calendar day of signing the enrollment contract is entitled to a refund of all monies paid to the school less an application fee of \$100.00.
  - d. A student notifies the institution of his/her official withdrawal in writing.
  - e. A student is expelled by the institution.
  - f. For official cancellations as defined in paragraphs b, c, d, or e, the cancellation date will be determined by the postmark on written notification at the following address: *Paul Mitchell The School - Pasadena, 825 E. Green Street, Pasadena, CA 91101*, or by the date said information is delivered to the school administrator/owner in person. Written cancellations need not take any particular form.
  - g. Monies paid for student kits are nonrefundable.
- ❷ You have the right to cancel your enrollment contract and obtain a refund of charges paid through attendance of the first day of class or the seventh (7) calendar day of signing the enrollment contract, whichever is later. **YOU MUST CANCEL IN WRITING.** Students do not have the right to cancel by telephoning the school or by not coming to class.
- ❸ Any monies due a student who unofficially withdraws from the institution shall be refunded within 45 days of a determination by the institution that the student has withdrawn without notifying the institution. Unofficial withdrawals are monitored every 30 days and a determination is made to withdraw a student who has been absent from school for 14 or more consecutive calendar days; the withdrawal date that will be used in this calculation is the student's actual last date of attendance.
- ❹ When situations of mitigating circumstances are in evidence, such as serious illness, a disabling accident, or death in the immediate family, the school may make a settlement that is reasonable and fair to both parties.
- ❺ All extra costs, such as books, equipment, graduation fees, application fee, rentals, and other such charges, are not considered in the tuition adjustment computation if the charges are itemized separately in the enrollment contract.
- ❻ Monies paid for supplies and equipment are nonrefundable through attendance of the first day of class or the seventh (7) calendar day of signing the enrollment contract, whichever is later.
- ❼ If a course and/or program is cancelled subsequent to a student's enrollment, and before instruction in the course and/or program has begun, the school shall either provide a full refund of all monies paid or provide completion of the course and/or program.
- ❽ If a course and/or program is cancelled and ceases to offer instruction after the student has enrolled and instruction has begun, the school shall either provide a full refund of all monies paid or provide completion of the course and/or program.
- ❾ A student's account may be sent to collections for nonpayment.
- ❿ If the school closes permanently and no longer offers instruction after a student has enrolled, the school will provide a pro rata refund of tuition to the student.
- ⓫ A student is entitled to a refund of moneys not paid from federal student aid program funds.

Students are responsible for the amount owed. If a student obtains a student loan, he/she is responsible for repaying the loan amount, plus interest, less the amount of any refund. The institution shall also provide a pro rata refund of nonfederal student financial aid program monies paid for institutional charges to students who have completed 60 percent or less of the period of attendance.

If you are eligible for a loan guaranteed by the federal or state government and you default on the loan, both of the following may occur:

- ❶ The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- ❶ You may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

An institution that participates in the federal student financial aid programs complies with this article by complying with applicable regulations of the federal student financial aid programs under Title IV of the federal Higher Education Act of 1965.
