Please note that students transferring to another school may not be able to transfer all the hours they earned at Imagine Paul Mitchell Partner School; the number of transferable hours depends on the policy of the receiving school.

Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress (SAP) evaluation periods are based on actual contracted hours at the institution.

In extraordinary circumstances, the school may allow a student to transfer in more hours from a non-Paul Mitchell School, if the student is enrolling from a school that has suddenly closed without notice. In these instances, the school will evaluate the prospective student and credit them with the number of hours related to their course knowledge.

STATE LICENSING DISCLAIMER

The state may refuse to grant a license if a student has been convicted of a crime; committed any act involving dishonesty, fraud, or deceit; or committed any act that, if committed by a licentiate of the business or profession in question, would be grounds for the Oklahoma State Board of Cosmetology to deny licensure. FEDERAL RETURN OF TITLE IV FUNDS POLICY

The school participates in federal financial aid. Please refer to the following refund policy for specific consumer information pursuant to the federal financial aid program.

The Federal Return of Title IV funds formula (R2T4) dictates the amount of Federal Title IV aid that must be returned to the federal government by the school and/or the student. The federal formula is applicable to an eligible student receiving federal aid when that student withdraws at any point during the payment period. If a student did not start or begin attendance at the school, the R2T4 formula does not apply.

Official Withdrawal Process: If a student wishes to withdraw from school, they must notify the Financial Aid Leader of the school. The notification may be in writing or orally. The date the notification is received is the date of determination. The Financial Aid Leader must begin the withdrawal process.

Unofficial Withdrawal Process: For unofficial withdrawals a student's withdrawal date at a school that is required to take attendance is their last day of physical attendance. Their date of determination is 14 days after they cease attendance.

The federal formula requires a Return of Title IV calculation if the student received or could have received (based on eligibility criteria) federal financial assistance in the form of Pell Grants, and Direct Loans or Direct PLUS Loans during the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before the 60% point of time. After the 60% point of the payment period (or period of enrollment depending on what your school uses) the student is considered to have earned 100% of the aid for the period. The percentage that has not been earned is calculated by subtracting the percentage of Title IV aid earned from 100%.

The percentage of the payment period completed is calculated by the hours scheduled in the payment period as of the withdrawal date divided by the scheduled hours in the payment period. The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

Post Withdrawal Disbursement: If a student receives less Title IV funds than the amount earned, the school will offer the student a disbursement of the earned aid that was not received at the time of their withdrawal which is called a post-withdrawal disbursement. Post-withdrawal disbursements will be made from Pell Grant funds first, if the student is eligible. If there are current educational costs still due the school at the time of withdrawal, a Pell Grant post-withdrawal disbursement will be credited to the student's account. Any remaining Pell funds must be released to the student without the student having to take any action. Any federal loan program funds due in a post-withdrawal disbursement must be offered to the student and the school must receive the student's authorization before crediting their account. The authorization is required to be sent to the student within 30 days of the date the school determined the student's last date of attendance.

Credit Balance: If a credit balance still exists on the student's account after the R2T4 and institutional refund calculations are done, that credit balance must be used to pay any grant overpayment that exists based on the current withdrawal within 14 days from the date that the R2T4 calculation was performed. The overpayment must be eliminated prior to offering a credit balance to a student.

The following Title IV return distribution is used for all FSA students.

- ① Unsubsidized Direct Loan
- ② Subsidized Direct Loan
- ③ Direct PLUS Loan (Parent)
- ④ Federal Pell Grant

Returns must be made as soon as possible to the federal programs but no later than 45 days after the date of determination. (unless school uses less days based on a state, accrediting agency or institutional requirement)

The law requires that a student is responsible for all unearned Title IV program assistance that the school is not required to return. This is determined by subtracting the amount returned by the school from the total amount of unearned Title IV funds to be returned.

Overpayment of Title IV, HEA Funds — Any amount of unearned grant funds that you must return is called overpayment. The amount of grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. A student who owes an overpayment remains eligible for Title IV, HEA program funds through and beyond the earlier of 45 days from the date the school sends a notification to the student of overpayment, or 45 days from the date the school was required to notify the student of the overpayment if, during those 45 days the student:

- ❶ Repays the overpayment in full to the school;
- ❷ Enters into a repayment agreement with the school in accordance with repayment arrangements satisfactory to the school; or
- ❸ Signs a repayment agreement with the Department, which will include terms that permit a student to repay the overpayment while maintain his or her eligibility for Title IV, HEA program funds.

Within 30 days of the date of the school's determination that the student withdrew, an institution must send a notice to any student who owes a Title IV, HEA grant overpayment as a result of the student's withdrawal from the school in order to recover the overpayment.

If the student does not repay the overpayment in full to the school, or enter a repayment agreement with the school or the Department within the earlier of 45 days from the date the school sends notification to the student of overpayment, or 45 days from the date the school was required to notify the student of the overpayment.

At any time the student fails to meet the terms of the repayment agreement with the school:

- ❶ The student chooses to enter into a repayment agreement with the Department.
- ❷ The student who owes an overpayment is ineligible for Title IV HEA program funds.

You must make arrangement with Paul Mitchell The School or Department of Education to return the amount of unearned grant funds.

TREATMENT OF TITLE IV FUNDS WHEN A STUDENT WITHDRAWS FROM A CLOCK-HOUR PROGRAM

Treatment of Title IV Funds When a Student Withdraws From a Clock-Hour Program

STEP 2: Percentage of Title IV Aid Earned

Last Day Attended:

H. Determine the percentage of the period completed:
 Divide the clock hours scheduled to have been completed as of the last day of attendance in the period by the total clock hours in the period.

/ =
Hours scheduled to complete / Total hour in period

► If this percentage is greater than 60%, enter 100% in Box H and proceed to Step 3.
 ► If this percentage is less than or equal to 60%, enter that percentage in Box H and proceed to Step 3.

H.

STEP 3: Amount of Title IV Aid Earned by the Student

Multiply the percentage of Title IV aid earned (Box H) by the Total Title IV aid disbursed and that could have been disbursed for the period (Box G).

x =
Box H / Box G / Box I

STEP 4: Title IV Aid to be Disbursed or Returned

- If the amount in Box I is greater than the amount in Box E, go to Post-withdrawal disbursement (Item J).
- If the amount in Box I is less than the amount in Box E, go to Title IV aid to be returned (Item K).
- If the amounts in Box I and Box E are equal, **STOP**. No further action is necessary.

J. Post-withdrawal disbursement
 From the amount of Title IV aid earned by the student (Box I) subtract the Total Title IV aid disbursed for the period (Box E). This is the amount of the post-withdrawal disbursement.

- =
Box I / Box E / Box J

K. Title IV aid to be returned
 From the Total Title IV aid disbursed for the period (Box E) subtract the Amount of Title IV aid earned by the student (Box I). This is the amount of Title IV aid that must be returned.

- =
Box E / Box I / Box K

STEP 5: Amount of Unearned Title IV Aid Due from the School

L. Institutional Charges for the Period.	Tuition	4,500.00
	Room	
	Board	
	Other	
	Other	
	Other	
Total Institutional Charges (Add all the charges together)		L. 4,500.00

M. Percentage of unearned Title IV aid
 $\frac{100.0\%}{\text{Box H}} - \frac{100.0\%}{\text{Box H}} = \frac{0.0\%}{\text{Box M}}$

N. Amount of unearned charges
 Multiply institutional charges for the period (Box L) by the Percentage of unearned Title IV aid (Box M).
 $\frac{4,500.00}{\text{Box L}} \times \frac{0.0\%}{\text{Box M}} = \frac{0.00}{\text{Box N}}$

O. Amount of school to return
 Compare the amount of Title IV aid to be returned (Box K) to Amount of unearned charges (Box N), and enter the lesser amount.
 O. 0.00

STEP 6: Return of Funds by the School

The school must return the unearned aid for which the school is responsible (Box O) by repaying funds to the following sources, in order, up to the total net amount disbursed for each source.

Title IV Programs	Amount for School to Return
1. Unsubsidized FDLP / FFELP	0.00
2. Subsidized FDLP / FFELP	0.00
3. Perkins Loan	0.00
4. PLUS FDLP / FFELP (Grad Student)	0.00
5. PLUS FDLP / FFELP (Parent)	0.00
Total loans the school must return = P.	0.00
6. Pell Grant	0.00
7. Academic Competitiveness Grant	0.00
8. National SMART Grant	0.00
9. FSEOG	0.00
10. TEACH Grant	0.00

STEP 7: Initial Amount of Unearned Title IV Aid Due from the Student

From the amount of Title IV aid to be returned (Box K) subtract the Amount for the school to return (Box O).

$\frac{0.00}{\text{Box K}} - \frac{0.00}{\text{Box O}} = \frac{0.00}{\text{Box Q}}$

► If Box Q is < or = zero, STOP. If > zero, go to Step 8.

STEP 8: Repayment of the Student's loans

From the Net loans disbursed to the student (Box B) subtract the Total loans the school must return (Box P) to find the amount of Title IV loans the student is still responsible for repaying (Box R).

These outstanding loans consist either of loan funds that student has earned, or unearned loan funds that the school is not responsible for repaying, or both; and they are repaid to the loan holders according to the terms of the borrower's promissory note.

$\frac{6,727.00}{\text{Box B}} - \frac{0.00}{\text{Box P}} = \frac{6,727.00}{\text{Box R}}$

- If Box Q is less than or equal to Box R, STOP. The only action a school must take is to notify the holders of the loans of the student's withdrawal date.
- If Box Q is greater than Box R, Proceed to Step 9.

STEP 9: Grant Funds to be Returned

S. Initial amount of Title IV grants for student to return
 From the initial amount of unearned Title IV aid due from the student (Box Q) subtract the amount of loans to be repaid by the student (Box R).

$\frac{0.00}{\text{Box Q}} - \frac{6,727.00}{\text{Box R}} = \frac{0.00}{\text{Box S}}$

T. Amount of Title IV grant protection
 Multiply the total of Title IV grant aid that was disbursed and that could have been disbursed for the period (Box F) by 50%.

$\frac{2,775.00}{\text{Box F}} - \frac{50.00\%}{\text{Box F}} = \frac{0.00}{\text{Box T}}$

U. Title IV grant
 From the initial amount of unearned Title IV aid due from the student (Box S) subtract the amount of loans to be repaid by the student (Box T).

$\frac{0.00}{\text{Box S}} - \frac{0.00}{\text{Box T}} = \frac{0.00}{\text{Box U}}$

- If Box U is less than or equal to zero, STOP. If not, go to step 10.

STEP 10: Return of Grants Funds by the Student

Except as noted below, the student must return the unearned grant funds for which he/she is responsible (Box U). The grant funds returned by the student are applied to the following sources in the order indicated, up to the total amount disbursed from that grant program minus any grant funds that school is responsible for returning to that program in Step 6.

Note that the student is not responsible for returning funds to any program to which the student owes \$50.00 or less.

Title IV Grant Programs:

Title IV Grant Programs:	Amount to Return
1. Pell Grant	0.00
2. Academic Competitiveness Grant	
3. National SMART Grant	
4. FSEOG	
5. TEACH Grant	

INSTITUTIONAL REFUND/DROP POLICY

When a student ceases enrollment at Imagine Paul Mitchell, tuition will be refunded on a prorated basis according to the official date of withdrawal—until the student has completed 50% of the time scheduled in their contract. Once the student has reached 50% of their scheduled hours, no amount of tuition will be refunded.

This refund policy applies to tuition charges only; it does not apply to cost of the student kit or to any fees. The student does not receive their full kit until the last day of Core. If the student drops, the school will prorate the kit fee for only the items the student has received.

- ❶ **Official Withdrawals:** Any monies due the applicant or student shall be refunded within 45 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:
 - a. An applicant is not accepted by the school. This applicant shall be entitled to a refund of all monies paid to the school except a non-refundable application fee.
 - b. A student (or in the case of a student under legal age, his/her parent or guardian) cancels his/her contract and demands his/her money back in writing, within three (3) days of signing the enrollment contract. In this case all monies collected by the school shall be refunded except a non-refundable application fee. This policy applies regardless of whether or not the student has actually started training.
 - c. A student who cancels his/her contract after three (3) days of signing the contract but prior to entering classes is entitled to a refund of all monies paid to the school less a non-refundable application fee of \$100.00.
 - d. A student notifies the institution of his/her official withdrawal in writing.
 - e. A student is expelled by the institution.

For official cancellations as defined in paragraphs b, c, d, or e, the cancellation date will be determined by the postmark on written notification, or the date this information is delivered to the school administrator/owner in person.

Charges for the student kit are non-refundable unless the student cancels within 3 (three) business days of signing the enrollment contract or the student cancels prior to entering class.

- ❷ **Unofficial Withdrawals:** Any monies due a student who unofficially withdraws from the institution shall be refunded within 45 days of a determination by the institution that the student has withdrawn without notifying the institution. Unofficial withdrawals are monitored every 30 days and a determination is made to withdraw a student who has been absent from school for 14 or more consecutive calendar days; the withdrawal date that will be used in this calculation is the student's actual last date of attendance.
- ❸ When situations of mitigating circumstances are in evidence, such as serious illness, a disabling accident, or death in the immediate family, the school may make a settlement that is reasonable and fair to both parties.
- ❹ All extra costs, such as books, equipment, graduation fees, application fee, rentals, and other such charges, are not considered in the tuition adjustment computation if the charges are itemized separately in the enrollment contract.
- ❺ If a course and/or program is cancelled subsequent to a student's enrollment, and before instruction in the course and/or program has begun, the school shall either provide a full refund of all monies paid or provide completion of the course and/or program.
- ❻ If a course and/or program is cancelled and ceases to offer instruction after the student has enrolled and instruction has begun, the school shall either provide a full refund of all monies paid or provide completion of the course and/or program.
- ❼ For students who are terminated prior to completion, an administrative fee in the amount of \$100 will be assessed.

- 8 A student's account may be sent to collections for nonpayment.
- 9 If the school closes permanently and no longer offers instruction after a student has enrolled and instruction has begun, the school will provide a pro rata refund of tuition to the student.
- 10 A student' on a leave of absence date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the school that the student will not be returning.

The following refund table is used for all students due a refund. Upon withdrawal, drop, or termination, a student may owe tuition or be entitled to a refund based on his or her scheduled hours:

Percentage Length Scheduled to Complete to Total Length of Program or Course	Amount of Total Tuition Owed to the School
0.01% - 4.9%	20%
5% - 9.9%	30%
10% - 14.9%	40%
15% - 24.9%	45%
25% - 49.9%	70%
50% and over	100%

STUDENT FINANCIAL AID RELEASE

The undersigned agrees that Imagine Paul Mitchell Partner School does not guarantee the student loan process in any respect. A Federal Parent Plus loan requires a credit check and is based on the parent's credit. Pre-approval for a Parent Plus loan does not guarantee that the parent will receive a Federal Parent Plus loan. It is critical that the parent be able to pass a credit check when the loan is certified. The school has no control over the approval or decline of a parent's credit history. Nor does the school assume any responsibility for mistakes on any Department of Education financial aid forms. It is up to the student to make sure all forms are accurate and complete.

Federal loan information is available in the National Student Loan Data System (NSLDS) and will be accessible by Servicers and Schools, as authorized.

POLICY FOR VERIFICATION OF TITLE IV FUNDING

The school has policies and procedures that it follows for verification of Title IV funding. Verification is a requirement by the U.S. Department of Education. Students are randomly selected to provide additional information. The school provides students with a verification form so they can collect the necessary information. The school gives the student a 30-day deadline to return the form to the financial office with verification items attached. If verification documents are not submitted by the due date, the student will be placed on a monthly cash pay status until verification is completed. The school advises the student any changes in their EFC, and required a student to sign an EFC change form. FAME handles our student overpayments and alerts the school so it can make changes to the award packet, which is reported to Common Origination and Disbursement (COD) for the Department of Education.

CREDIT BALANCE POLICY

If Title IV disbursements result in a credit balance on the student's account, the Financial Aid office will notify the student. The student has the option to have the school hold the credit balance and can complete an authorization for the school to hold the funds by obtaining an authorization form from the Financial Aid Department. If the student does not want the school to hold their funds, all credit balance disbursements and refunds due to funding source will be processed within 14 days of the credit balance appearing on the student account. Regardless of the chosen option the school will clear all credit balances on a student account by the end of the award year.

MAKE UP WORK

Students must complete all required assignments and tests. To accommodate students, makeup test days and worksheet periods are scheduled. Students must complete makeup work at the scheduled time. Monthly makeup test dates are posted on the theory and school calendars.

SATISFACTORY ACADEMIC PROGRESS POLICY

Students enrolled in programs approved by NACCAS must meet formal standards that measure their satisfactory progress toward graduation. The Satisfactory Academic Progress Policy is provided to all students prior to enrollment. This policy applies to all students regardless of whether or not they are eligible for Title IV funding programs. In order to comply with USDE requirements the terminology financial aid warning or financial aid probation will be used for both Title IV and non-Title IV students. The policy is consistently applied to all applicable students. *Evaluations are maintained in the student file.* The school will develop an academic and/or attendance plan to address the specific needs of those students who fail to meet the academic and/or attendance requirements at specific SAP evaluation points. A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

QUANTITATIVE AND QUALITATIVE FACTORS

Factors for measuring the student's progress toward satisfactory completion of the program include maintaining:

- ① A minimum cumulative theory grade level of 70%.
- ② A minimum cumulative academic level of 75% on practical worksheet completion*
- ③ To determine whether a student meets the academic requirements for Satisfactory Academic Progress, theory and practical grades are averaged together to give a minimum cumulative academic grade of 70%.
- ④ A minimum cumulative attendance level of 80% of scheduled hours**

**To meet the state practical requirements for graduation, students must eventually complete all clinic classroom practical worksheets 100%. See LEARNING PARTICIPATION GUIDELINES.*

***To determine a student's rate of attendance, divide the cumulative number of hours completed by the scheduled hours to date.*

A student who has not achieved the minimum cumulative GPA of 70% and/or who has not successfully completed at least a cumulative rate of attendance of 80% is not eligible for Title IV assistance or Veteran's Affairs Education Benefits, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that resulted in a status of Financial Aid Probation.

COMPLETION OF COURSE WITHIN DESIGNATED PERIOD OF TIME

Cosmetology: Full-time day students in our five-day program attend five (5) days (Monday – Friday), 35 hours per week, from 9:00 AM to 4:30 PM. Full-time four-day program attend four (4) days (Monday - Thursday), 28 hours per week, from 9:00 AM to 4:30 PM. Part-time night school students attend five (5) days (Monday through Friday), 25 hours per week, from 5:00 PM to 10:00 PM. Information regarding other course schedules is available upon inquiry.

Master Instructor: Full-time day students in our five-day program attend five (5) days (Monday – Friday), 35 hours per week, from 9:00 AM to 4:30 PM.

Barbering: Full-time day students in our five-day program attend five (5) days (Monday – Friday), 35 hours per week, from 9:00 AM to 4:30 PM. Part-time day students in our five-day program attend five (5) days (Monday-Thursday 12:30 PM to 4:30PM and Friday 12:30 PM to 2:30 PM), 18 hours per week.

The state of Oklahoma requires 1500 clock hours for the cosmetology course. Students are expected to complete the course in no more than 125% of the program length. If a student is never absent, he/she should complete the course within 43 weeks for a full-time five-day student, within 54 weeks for a full-time four-day student, and within 60 weeks for a part-time night student.

The state of Oklahoma requires 1000 hours for the master instructor course. Students are expected to complete the course in no more than 125% of the program length. If a student is never absent, he/she should complete the course within 29 weeks for a full-time student.

The state of Oklahoma requires 1500 clock hours for the barbering course. Students are expected to complete the course in no more than 125% of the program length. If a student is never absent, he/she should complete the course within 43 weeks for a full-time student and 83 weeks for a part-time student.

At the end of each evaluation period, the school will determine if the student has maintained at least 80% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum 125% time frame allowed.

MAXIMUM TIME FRAME

Students must complete the educational program within the maximum time frame, which is based on attending at least 80% of the scheduled hours.

COURSE	LENGTH	MAXIMUM TIME FRAME
Cosmetology – Full Time (5-Day)	43 Weeks	54 Weeks
Cosmetology – Full Time (4-Day)	54 Weeks	67 Weeks
Cosmetology – Part Time (Night)	60 Weeks	75 Weeks
Master Instructor - Full Time	29 Weeks	36 Weeks
Barbering - Full Time (5-Day)	43 Weeks	54 Weeks
Barbering - Part Time (5-Day)	83 Weeks	104 Weeks

The maximum time frame allowed for transfer students who need less than full course requirements or part-time students will be determined based on 80% of the scheduled contracted hours. If any student enrolled fails to complete the program within the maximum time frame they will lose their eligibility for Title IV programs, if applicable, but they will be able to complete the program on a cash pay basis. Whether a student pays out of pocket or receives Title IV Financial aid all hours attempted and completes are considered part of the Satisfactory Academic Progress calculation. For students with a disability that appeal, the student's disability will be considered as a factor towards maintaining Satisfactory Academic Progress.

INTERRUPTIONS, COURSE INCOMPLETES, AND WITHDRAWALS

If the student needs to take off more time than allotted in the contract or more than 14 consecutive calendar days, he/she must take a leave of absence or withdraw and reenroll when ready to return. If a student needs more than 14 consecutive calendar days of time off due to pregnancy/new mother, and/or military duty then the student should take a leave of absence. Students who withdraw prior to completing the course of study and who wish to reenter will reenter at the same progress status as applicable at the time of withdrawal.

LEAVE OF ABSENCE POLICY

A Leave of Absence (LOA) is a temporary interruption in a Student's program of study. LOA refers to the specific time period during an ongoing program when a Student is not in academic attendance. Leaves of Absence can be granted in cases of emergency or medical problems with doctor notification, which cause attendance to be impossible or impractical. Leaves of Absence will be granted in the case of pregnancy or new mothers. A leave of absence will be permitted with a letter from the student's doctor. If a student is called into active duty for the military the school will grant a leave of absence. These are the only times leave of absences are granted.

In order to be placed on Leave of Absence, the Student must:

- ① Complete and sign the school's Leave of Absence Request Form in advance, unless unforeseen circumstances prevent the student from doing so.
- ② Must state the reason for the Leave of Absence (LOA) request
- ③ Be approved by the Financial Aid Office and Future Professional Advisor
- ④ Leaves must be a minimum of 14 days and a maximum of 60 days and must not exceed a total of 180 days in a 12-month period.

A student on a leave of absence date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the school that the student will not be returning. A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

Student's may not arbitrarily decide to "take" a leave of absence.

There will be no additional charges for a LOA. If the student fails to return or contact the School Financial Aid Leader on the documented return date, the Student will be considered to have withdrawn from school as of that date the student began the LOA. The withdrawal date for the purpose of calculating a refund is always the student's last day of attendance.

For federal aid recipients, the Student's payment period is suspended during the LOA and no federal financial aid will be disbursed to Student while on a Leave of Absence. Upon the Student's return, the Student will resume the same payment period and coursework and will not be eligible for additional Title IV aid until the payment period has been completed. If the Student is a Title IV loan recipient, the Student will be informed of the effects that the student's failure to return from a leave may have on the Student's loan repayment terms, including the expiration of the Student's grace period. A contract addendum will be completed upon return from the LOA to extend the contract end date by the applicable number of days.

In special circumstances, the school may grant a leave of absence to a student in the case of an emergency, such as a car accident or other medical issue that would prevent the student from requesting the leave of absence prior to the incident occurring. In these cases, the school will document the reason for the granting of the leave after the incident has occurred. The beginning date of the leave of absence will be based on the first date it has been determined that the student cannot come to class due to the accident or medical situation.

In order to grant a Leave of Absence there must be the expectation that the student will be returning to school.

A student who is granted a LOA that meets these criteria is not considered to have withdrawn and no refund calculation is required at that time.

Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties to reflect the new contract end date.

EVALUATION PROCEDURES AND REQUIRED LEVEL OF ACHIEVEMENT

Formal Satisfactory Progress Evaluations in both attendance and academics will occur when cosmetology and barbering students reach 450, 900, 1200, and 1400 *actual hours*, when students in the master instructor program reach *actual hours* of 450 and 900. The first evaluation will occur no later than the midpoint of the academic year. The SAP evaluations are printed within 7 days of the student reaching the evaluation points.

The following grading system is used to evaluate a student's academic ability:

- ① Examinations are given in all subjects.
- ② Grades and attendance (Satisfactory Academic Progress) records are reviewed and signed by the student and maintained in the student's financial file. The Satisfactory Academic Progress will reflect if the student evaluation will impact the student's eligibility for Financial Aid. The student may request to review their financial aid files from the Financial Aid Leader or Director.

The following grading scale is used for theory progress:

A = 90 – 100% **B = 80 – 89%** **C = 70 – 79%** **Failing = Below 70%**

Practical and clinical work is graded by a signature on the student's practical clinic worksheet or guest ticket. A signature from an instructor represents a passing grade, which means all elements of the practical grading criteria were met. No signature indicates a failing score, which means one or more of the practical grading criteria elements were not met and the student has not met minimum satisfactory standards on the practical application. Students are required to continue and/or repeat the practical application until they receive a signature from an instructor.

**The school uses a 900 hour academic year for Title IV purposes.*

TRANSFER HOURS

Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on actual contracted hours at the institution. For transfer students attending less than a full academic year, an evaluation will be done at the midpoint of the actual hours.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory progress until the next scheduled evaluation.

MAJORS, DEGREES, SECOND DEGREE, OR SUMMER TERMS

Majors, degrees, second degrees, or summer terms does not apply to Imagine Paul Mitchell Partner School.

WARNING

Students failing to meet minimum requirements for attendance and/or academic progress will be placed on Financial Aid Warning and considered to be making satisfactory academic progress during the warning period which is until the next evaluation period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. During the Financial Aid Warning period, students are eligible, if applicable, to receive financial aid funds. If at the end of the warning period, the student has still not met both academic and/or attendance requirements, he/she will be placed on probation and, if applicable, the student may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet the minimum requirements for attendance and academic progress after the Warning period, the student will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal.

Additionally, only students who have the ability to meet satisfactory academic progress policy standards by the end of the evaluation period will be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period or the institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum timeframe established for the individual student. Students who are progressing according to their specific academic plan will be considered making satisfactory academic progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or set forth by the academic plan, the student will be determined as NOT making satisfactory academic progress, and if applicable, the student will not be deemed eligible to receive Title IV funds and will be terminated from the program.

** For Veteran's Affairs Beneficiaries please see Addendum A, Section 1, at the back of the catalog, for reinstatement of VA Benefits.*

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS *for those who qualify*

Students may re-establish satisfactory academic progress and Title IV funding, as applicable, by meeting the minimum attendance and academic requirements by the end of the warning period.

APPEAL PROCEDURE

A student may appeal the Financial Aid ineligible decision if he/she has a reason for not making satisfactory progress and if he/she can document that the circumstances that caused the unsatisfactory academic progress determination have in some way changed and that satisfactory academic progress standard can be met by the end of the next evaluation period. A student has five (5) calendar days from the date of notification that they are not meeting the second consecutive satisfactory progress determination to appeal the unsatisfactory academic progress determination. The student must submit a written appeal to the school's financial aid office on the designated schools Appeal Form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve satisfactory academic progress by the next evaluation point.

The reasons for which a student may appeal a negative progress determination include death of a relative, an injury or illness of the student, a student's disability, or any other allowable special or mitigating circumstances.

The Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student's file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

If the appeal is granted the student will be placed on Financial Aid Probation for one evaluation period. If the student has not met academic and/or attendance requirements for two (2) consecutive evaluation periods, for example 450 to 900 actual hours evaluations; and does not prevail on appeal, the student will be determined as not making satisfactory progress and may be terminated.

TERMINATION APPEAL PROCEDURE

If a student is terminated due to receiving the maximum amount of coaching sessions, or due to the reasons outlined under termination on the Student Advisory Form, the student may appeal the termination decision. A student has five (5) calendar days from the date of termination to appeal the decision. The student must submit a written appeal to the school's Future Professional Advisor on the schools Termination Appeal Form describing why they were terminated, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to continue through the program without incident.

An appeal hearing will take place within 15 business days of receipt of the written appeal. This hearing will be attended by the student, parent/guardian (if the student is a dependent minor), the student's learning leader, the future professional advisor, and the school director. A decision on the student's appeal will be made within three (3) business days by the director of education and will be communicated to the student in writing. This decision will be final.

If a student is terminated for gross misconduct, which includes but is not limited to reporting to school under the influence of alcohol or illegal drugs, cheating, stealing, insubordination, threats, and/or bullying, such termination is final and may not be appealed.

STUDENT RIGHT OF ACCESS AND RECORD RETENTION POLICY

The Family Educational Rights and Privacy Act (FERPA) sets a limit on the disclosure of personally identifiable information from school records and defines the rights of students to review and request changes to the records. FERPA generally gives postsecondary students the rights to:

- ❶ Review their education records,
- ❷ Seek to amend inaccurate information in their records, and
- ❸ Provide consent for the disclosure of their records.

Students (or parents or guardians, if the student is a dependent minor) are guaranteed access to their school records, with a staff member present, within 30 days from the date of the request. Copies of all records can be requested at \$0.20 per page.

General Release of Information

Except under the special conditions described in this policy, a student must provide written consent before the school may disclose personally identifiable information from the student's education records. The written consent must:

- ❶ State the purpose of the disclosure,
- ❷ Specify the records that may be disclosed,
- ❸ Identify the party or class of parties to whom the disclosure may be made, and
- ❹ Be signed and dated.

FERPA Disclosures to Parents

While the rights under FERPA have transferred from a student's parents to the student when the student attends a postsecondary institution, FERPA does permit a school to disclose a student's education records to his or her parents if the student is a dependent student under IRS rules.

Note that the IRS definition of a dependent is quite different from that of a dependent student for Financial Student Aid (FSA) purposes. For IRS purposes, students are dependent if they are listed as dependents on their parent's income tax returns. (If the student is a dependent as defined by the IRS, disclosure may be made to either parent, regardless of which parent claims the student as a dependent.)

A school may disclose information from a student's education records to parents in the case of a health or safety emergency that involves the student, without needing the student's consent.

A school may let parents of students under age 21 know when the student has violated any law or policy concerning the use or possession of alcohol or a controlled substance.

A school official may share with parents information that is based on that official's personal knowledge or observation and that is not based on information contained in an education record.

Release of Information to Regulatory Agencies

Disclosures may be made to authorized representatives of the U.S. Department of Education for audit, evaluation, and enforcement purposes. "Authorized representatives" include employees of the Department, such as employees of the Office of Federal Student Aid, the Office of Postsecondary Education, the Office for Civil Rights, and the National Center for Education Statistics, as well as firms under contract to the Department to perform certain administrative functions or studies.

In addition, disclosure may be made if it is in connection with financial aid that the student has received or applied for. Such a disclosure may only be made if the student's information is needed to determine the amount of the aid, the conditions for the aid, or the student's eligibility for the aid, or to enforce the terms or conditions of the aid.

Imagine Paul Mitchell Partner School provides and permits access to student and other school records as required for any accreditation process initiated by the school or by the National Accrediting Commission of Career Arts and Sciences (NACCAS), or in response to a directive of said Commission.

Disclosures in Response to Subpoenas or Court Orders

FERPA permits schools to disclose education records, without the student's consent, to comply with a lawfully issued subpoena or court order.

In most cases, the school must make a reasonable effort to notify the student who is the subject of the subpoena or court order before complying, so the student may seek protective action. However, the school does not have to notify the student if the court or issuing agency has prohibited such disclosure.

The school may also disclose information from education records, without the consent or knowledge of the student, to representatives of the U.S. Department of Justice in response to an *ex parte* order issued in connection with the investigation of crimes of terrorism.

Disclosures for Other Reasons

There are two FERPA provisions concerning the release of records relating to a crime of violence. One concerns the release to the victim of any outcome involving an alleged crime of violence (34 CFR 34 CFR 99.31[a][13]). A separate provision permits a school to disclose to anyone the final results of any disciplinary hearing against an alleged perpetrator of a crime of violence where that student was found in violation of the school's rules or policies with respect to such crime or offense (34 CFR 99.31[a][14]).

Directory Information

Imagine Paul Mitchell Partner School does not publish "directory information" on any student.

Record Maintenance

All requests for releases of information are maintained in the student's file as long as the educational records themselves are kept. Student records are maintained for a minimum of five (5) years for withdrawal students; transcripts of graduates are kept indefinitely.

Amendment to Student Records

Students have the right to seek an amendment to their school records. To seek an amendment, students must meet with the school director and bring any supporting documentation to show that the record is incorrect.

A parent or eligible student may file a written complaint with the Family Policy Compliance Office regarding an alleged violation under the Family Educational Rights and Privacy Act. The Office's address is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW., Washington, DC 20202

PERFORMANCE STATISTICS/JOB OUTLOOK

Imagine Paul Mitchell Partner School is accredited by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and recognized by the U.S. Department of Education. These agencies require schools to provide important information regarding outcome rates in the areas of completion, placement, and licensure; however, each agency requires that we provide outcome rates differently. The U.S. Department of Education requires schools to list the outcome rates for each main campus and all additional campuses as a whole. In this case, imagine Paul Mitchell Partner School in Norman, OK, is an additional campus of imagine Paul Mitchell Partner School in North Little Rock, AR, and our combined outcome rates include both campuses. NACCAS requires outcome rates be provided based upon the individual location, therefore we have also provided outcome rates for our local campus location. Our Admissions Team can provide further information regarding our outcome rates.

Imagine Paul Mitchell Partner School *combined campus* performance statistics for the calendar year 2016:

Graduation	Placement	Licensure
65.81%	78.65%	93.67%

Imagine Paul Mitchell Partner School Norman, OK performance statistics for the calendar year 2016:

Graduation	Placement	Licensure
58.59%	94.34%	92.16%

NACCAS' 2016 Annual Report is derived from a single cohort of students – those scheduled to graduate in 2016. NACCAS' graduation, placement and licensure definitions are described below:

Graduation: Based on all students scheduled to graduate from the program in 2016. The scheduled graduation date is a student's most recent contract end date (i.e., the contract end date after all leaves of absence, schedule changes and re-enrollments have been accounted for). A student may count as a graduate if they have completed all applicable graduation requirements at the institution.

Licensure: Based on graduates from the graduation cohort who sat for all parts of their required licensure exam prior to November 30, 2017. A student in the licensure cohort may count as a "pass" if they pass all required portions of the examination prior to November 30, 2017.

Placement: Based on graduates from the graduation cohort who are eligible for placement. A student may count as placed if they are employed in a field for which their training prepared them prior to November 30, 2017. Students may be excluded from the calculation if they fall into one of the categories listed. In 2016, the school excluded the following number of students* based on each of the following categories:

- ① The graduate is deceased 0
- ② The graduate is permanently disabled 0
- ③ The graduate is deployed for military service/duty 0
- ④ The graduate studied under a student visa and is ineligible for employment in the U.S. 0
- ⑤ The graduate continued his/her education at an institution under the same ownership (e.g., a graduate of your cosmetology program subsequently enrolled in the instructor program of an institution under the same ownership) 0

Total Excluded 0

*If fewer than ten students were excluded for any one category, the disclosure will only include the total of all excluded students if that total is at least ten. If the calculation excluded fewer than a total of ten students the institution will state that it excluded students on the basis of each condition, and note that the number of total exclusions were fewer than 10 and therefore cannot be disclosed.

PROGRAM INTEGRITY

In order for a school or program of study to participate in any of the Federal Student Aid Programs, it must either provide a degree or lead to gainful employment in a recognized occupation. Cosmetology is one of the occupations recognized by the Department of Education and cosmetology programs qualify to participate in Federal Student Aid Programs if they meet the requirements set forth under the U.S. Department of Education's Gainful Employment regulations. For the most recent gainful employment annual reporting period, the school shows the following data for the **cosmetology program**:

Placement rate	On-time graduation rate	Median Loan Debt

On-time completion is deemed by the U.S. Department of Education as anyone who graduates within the normal completion time. When a student completes their graduation requirements, including all theory and practical assignments, and the required number of clock hours contracted for within their original contracted graduation date, that student is considered to have graduated on-time. If a student delays their graduation for any reason—such as family responsibilities, day care issues, and other life events—and that causes them to graduate after their original contract end date, they are not considered an on-time graduate. Please note that our graduation rates that are provided in the school catalog are based on how many students started the program and how many completed within the reporting period.

For more information about our graduation rates, the median debt of students who completed the program, and other important information, please visit our Web site at: norman.paulmitchell.edu/programs.

STUDENTS RIGHT-TO-KNOW - COMBINED DEPARTMENT OF EDUCATION RATES (IPEDS)

Graduation
N/A

Imagine Paul Mitchell Partner School must prepare the completion and graduation rate of its certificate- or degree-seeking, first-time, full-time undergraduate students each year. The rates will track the outcomes for students for whom 150% of the normal time for completion or graduation has elapsed. Normal time is the amount of time necessary for a student to complete all requirements for a degree or certificate according to the institution's catalog. These rates are generated from the school student record management system.

STUDENT PROFESSIONAL DEVELOPMENT GUIDELINES

All students must commit to and follow the Student Professional Development Guidelines during their enrollment at Imagine Paul Mitchell Partner School. These guidelines were established to assist in creating a safe, focused, and enjoyable learning experience.

Attendance and Documentation of Time

- ① It is the student's responsibility to clock in and out using the electronic time clock. The school records attendance in clock hours and gives appropriate attendance credit for all hours attended and does not add or deduct attendance hours as a penalty. Other than the exception described in this paragraph, Imagine-Paul Mitchell Partner School *does not make corrections to any student's hours* resulting from failure to properly use the time clock or failure to clock in or out during the time they are in school. One exception made is for a student to request and complete the time correction form within the required 24 hour time frame (*a maximum of 5 times*). So that a student has ample time to learn how to use the electronic time clock, Imagine Paul Mitchell Partner School, at its discretion and with proper documentation, may make corrections while in CORE.
- ② The school is open from 9:00 AM to 4:30 PM for 4 day and 5 day students, 9:00 AM to 5:30 PM for 3 day and 4 day students, and 5:00 PM to 10:00 PM for night students. Students who meet the certain attendance requirements can sign up to attend school on Saturday from 9:00 AM to 4:30 PM.
- ③ All courses require continuous attendance.
- ④ The prescribed attendance schedule must be maintained each week.
- ⑤ Students must be on time, as tardiness inhibits the learning process. Students who are late for theory class or school hour may not enter the classroom and will not receive theory credit. Students who are late for a specialty class or a guest artist class may attend the class, but must be accompanied into the classroom by an instructor. Students are never excused from mandatory theory class to work in the clinic.
- ⑥ During the contracted enrollment period, applicant student must maintain a 90% attendance average each month in order to complete the program by the contracted end date. The student is allowed to miss 10% of his or her scheduled hours before having to pay extra instructional charges. The student may use the 10% excused absences for vacation, doctor appointments, illness, etc.; however, the student can not be out of school 14 consecutive calendar days or he or she will be terminated. If the student must attend additional program hours beyond his or her contracted end date due to not meeting a 90% attendance average or to complete academic graduation requirements, the student will be charged an additional \$10.00 for each hour scheduled to complete after the contracted end date is reached.

*****Refer to the school enrollment contract for the Enrollment Contract Period definition.
Please note that if a student misses more than 14 consecutive calendar days, the student may be terminated from the program.***
- ⑦ Students who are late or cannot attend school must contact the school and talk to the school service desk immediately. Day students must call in by 8:30 AM; night students must call in by 2:00 PM.
- ⑧ Students must request time off from school from the Future Professional Advisor.
- ⑨ Students are required to be in attendance a minimum of seven (7) hours per day, 35 hours per week for the full-time 5 day students; eight (8) hours per day, 28 hours per week for full-time 4 day students, five (5) hours per day, 25 hours per week for part-time night students; and eight (8) hours per day, 24 hours per week for part-time day students. Holidays such as Thanksgiving, Christmas, and New Year's Day will be set according to the calendar each year. Students cannot bank hours and attend over 35 hours per week to make up for missing hours. If a student will miss hours during the week, those hours missed will count against the hours allowed to miss and overtime charges can occur.

- ⑩ Lunches and breaks are scheduled for all students. All students will take 30 minutes for lunch between 11:30 AM and 1:30 PM. Students should communicate with their instructor if they have not had lunch by 1:30 PM.

Observe the appropriate breaks for your school schedule. Breaks are as follows:

Student Schedule	Breaks	Lunch
7 or 8 hr/day	15 min. in the morning & 15 min in the afternoon	30 min.
5 hr/day	30 min at mid-point of schedule	n/a

- ⑪ Documentation of time: Students may not leave the school premises during regular hours without an instructor’s permission.
 - a. Students who leave school premises for more than 15 minutes or those who leave early must document their time by clocking out on the time clock, signing the sign-out sheet, and having an instructor book them out.
 - b. Students who leave school premises for less than 15 minutes must sign the sign-out sheet.
 - c. Day students must clock out on the time clock for lunch for 30 minutes every day. Students will not receive credit for the hour if they fail to clock in/out for lunch and will be susceptible to write-up at the discretion of the Future Professional Advisor.
- ⑫ Students may not clock in or out for another student.
- ⑬ Students must keep a record of all services each day on the “service tracking sheet,” which must be completed daily and turned in every month
- ⑭ Students attend Core the first 195 scheduled hours of enrollment. During this time the student must maintain a monthly attendance of 90%. If at the conclusion of the month, the student’s progress report is not 90% attendance, the student may be dropped from the program and asked to apply for re-entry.

COACHING AND CORRECTIVE ACTION

Part of your learning experience includes fine-tuning and mastering the skills and behaviors of a salon industry professional. The school team will coach all students to correct noncompliant or destructive behavior.

The following actions will be inspected for a coaching session:

- 1 **Attendance and Documentation of Time Guidelines:** Attendance, promptness, and documentation of work are cornerstones of successful work practices. Students will be clocked out, released for the day, or receive a coaching session when they do not comply with guidelines.
- 2 **Professional Image Standards:** Professional image standards were created to provide guidance and direction to students as they develop their professional image and persona. Students will be clocked out and released for the day when they do not meet professional image standards.
- 3 **Sanitation and Personal Service Procedures:** Sanitation and personal service procedures have been established to comply with state laws and to provide a safe and clean service environment. Students will be clocked out and released for the day when they do not follow sanitation and personal service procedures.
- 4 **Communication Guidelines and Professional Conduct:** It is the school's responsibility to provide a learning environment that is professional, positive, and conducive to learning. Staff and students all contribute to a mutually respectful learning environment that fosters effective communication and professional conduct. Students who fail to follow communication guidelines and who do not conduct themselves in a respectful and professional manner will experience a coaching session or termination.
- 5 **Learning Participation Guidelines:** The learning participation guidelines have been established to provide a creative, fun, interactive, and collaborative learning environment that empowers students to act as "future salon industry professionals" and committed learners. Positive behavior is required to create a mutually beneficial learning environment for all students. Students who fail to meet the guidelines and create challenges for other students or staff will receive a coaching session or be terminated.

Corrective Action Steps

Once a student has received five (5) coaching sessions, the student will be suspended from school for five (5) days. Suspended students will be required to complete a professional development packet prior to returning. If a student receives two (2) more coaching sessions after re-admission from a five (5) day suspension, the student's attendance will be permanently terminated. A student will be terminated without prior coaching sessions for improper and/ or immoral conduct. Refer to the school's Future Professional Advisory Form.

When monitoring students for unofficial withdrawals, the school is required to count any days that a student was out of school on suspension as a part of the 14 consecutive days of non-attendance used to determine whether the student will be returning to school.

We believe in providing a quality environment with an exceptional educational program. This framework gives everyone the opportunity to enjoy the experience! The entire staff appreciates the students' respect of these guidelines.

POLICIES AND PROCEDURES FOR STUDENTS WITH DISABILITIES

- ① **Accommodation Procedures for Students with Disabilities**
- ② **Grievance Procedures for Students who have Complaints on the Basis of Disability**

① **Accommodation Procedures for Students with Disabilities**

Non-Discrimination Policy — It is the policy of Imagine Paul Mitchell Partner School to comply with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act which are Federal laws that prohibit discrimination on the basis of disability. Imagine Paul Mitchell Partner School does not discriminate on the basis of disability against a qualified person with a disability in regard to application, acceptance, grading, advancement, training, discipline, graduation, or any other aspect related to a student’s participation in a program of Imagine Paul Mitchell Partner School. This applies to all students and applicants for admission to The School. Imagine Paul Mitchell Partner School will provide reasonable accommodations to students with disabilities.

Definition of an Individual with a Disability — An *individual with a disability* is a person who has a physical or mental impairment which substantially limits one or more major life activities of the individual. These persons are protected by Section 504 of the Rehabilitation Act and the Americans with Disabilities Act (ADA). Individuals with a record of such an impairment and individuals who are regarded as having such an impairment are also protected by these Federal laws. The definition of “disability” in Section 504 and the ADA should be interpreted to allow for broad coverage.

The phrase *physical impairment* means a physiological disorder or condition, a cosmetic disfigurement, or an anatomical loss, that affects one or more of the following body systems: neurological; musculoskeletal; special sense organs (which would include speech organs that are not respiratory such as vocal cords, soft palate, tongue, etc.); respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine. Examples include, but are not limited to, orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, HIV disease (symptomatic or asymptomatic), tuberculosis, drug addiction, and alcoholism.

The phrase *mental impairment* means any mental or psychological disorder, including but not limited to, mental retardation, organic brain syndrome, emotional or mental illness, specific learning disabilities, post-traumatic stress disorder, depression and bi-polar disorder. The phrase substantially limits must be interpreted without regard to the ameliorative effects of mitigating measures, other than ordinary eyeglasses or contact lenses. Mitigating measures are things like medications, prosthetic devices, assistive devices, or learned behavioral or adaptive neurological modifications that an individual may use to eliminate or reduce the effects of an impairment. These measures cannot be considered when determining whether a person has a substantially limiting impairment. An impairment that is episodic or in remission is a disability if, when in an active phase, it would substantially limit a major life activity. For example, a student with bipolar disorder would be covered if, during manic or depressive episodes, the student is substantially limited in a major life activity (e.g., thinking, concentrating, neurological function, or brain function).

The phrase *major life activities* means functions such as caring for one’s self, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating and working. Major life activities also includes major bodily functions such as functions of the immune system, normal cell growth, and digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

The School's Responsibilities to Students with Disabilities

The School must provide *academic adjustments*, *auxiliary aids* and *reasonable accommodations* to students with disabilities, that are necessary to ensure students are not denied the benefits of, or excluded from participation in, The School's program. The School must make modifications to its academic requirements that are necessary to ensure that the requirements do not discriminate against students with disabilities. The School must ensure that it provides physical access to students with disabilities. It is also the responsibility of Imagine Paul Mitchell Partner School to permit students with disabilities to use service dogs on each campus.

The person responsible for implementing these responsibilities at Imagine Paul Mitchell Partner School Campus is: Allyson Rink; ADA Compliance Coordinator; 3030 William Pereira Drive, Norman, OK 73072; (405) 928-5200; allyr@pmoklahomacity.com.

When a student informs a School staff member that the student is disabled, or needs accommodations or assistance due to disability, the staff member will refer the student to the school's ADA Compliance Coordinator.

Procedures for Students and The School

Documentation of disability by students — Students with disabilities who wish to request reasonable accommodations (including academic adjustments, auxiliary aids, or modifications) must contact the ADA Compliance Coordinator named above for their campus. Students must provide documentation of disability from an appropriate professional, which depends on the nature of the disability. For example, a student with a psychological disability should provide documentation from a psychologist, psychiatrist or social worker. The documentation submitted must be within the last 12 months, if older than 12 months the student must provide current documentation from the appropriate professional.

This documentation may be the student's existing medical records, or reports created by the student's medical provider or an appropriate professional who conducts an assessment of the student. It may be documentation from the student's past educational records such as reports from teachers or school psychologists, or records that show the student's educational history, disability assessment, and the accommodations the student previously received. It may be records from the state department of rehabilitation or the U.S. Department of Veterans Affairs. Documentation should be current and relevant, but that does not mean that a recent report or record is needed in all cases. Some disabilities are stable lifelong conditions and historic documentation will be sufficient. Some disabilities are readily apparent and observable and thus little or no documentation will be needed.

The documentation of disability is kept at all times in a locked, private file at The School. To protect privacy, direct access to this documentation is by written consent only. The ADA Compliance Coordinator will determine what information needs to be shared with Imagine Paul Mitchell Partner School staff and Learning Leaders, on an "as needed basis," in order to facilitate academic accommodations or other services.

Student requests for accommodations and interactive discussion with ADA Compliance Coordinator — Students who plan to request accommodations should contact the ADA Compliance Coordinator promptly, so there is time for the Coordinator to review the student's documentation and discuss accommodations with the student before the student begins the class or program for which the accommodation is being requested. When a student contacts the Coordinator, the Coordinator will keep a record of the dates and contacts with the student, including a record of the accommodations requested by the student. Students who have questions about the type of documentation they need to provide should contact the Coordinator to discuss this.

The student and the ADA Compliance Coordinator will discuss how the student's impairment impacts the student, how the student expects the impairment to impact the student in The School's program, the types of accommodations the student has previously received (if any), and the accommodations being requested by the student from The School. The Coordinator and the student should discuss accommodations needed during all phases of the program (Core, Adaptive and Creative), and for classroom instruction, skills based instruction and skills practice.

The documentation (or observation) must show the nature of the student's disability and how it limits a major life activity. The accommodations requested by the student should be related to these limitations. There are no pre-set accommodations for specific disabilities. Instead, the Coordinator and the student must discuss and determine what the student's limitations are, and how they can be accommodated.

Here are some examples:

- A student with an orthopedic disability may need cushioned floor mats and scheduled times to sit down. These students may also need particular kinds of chairs.
- A student with a learning disability or attention deficit disorder may need extra time to take tests, such as ninety minutes to take a test instead of the sixty minutes allowed to other students. These students may need to take their tests in a location that is quiet and has no distractions, such as an office rather than the classroom.
- A student with a learning disability or psychological disability may need a note taker, a copy of the instructor's notes or presentation, or to use a tape recorder during instruction.
- A student with post-traumatic stress disorder or an anxiety disorder may need to take periodic leaves of absence, or may need to structure their program so that it is scheduled over a longer period of time than usual. These students may need to take breaks in a quiet room during skills practice.
- A student with a hearing impairment may need instructors to use voice amplification systems, or may need the School to provide a sign language interpreter.
- A student with diabetes may need periodic breaks to check his or her blood sugar level.

Decision about accommodations, and ensuring implementation of accommodations — The ADA Compliance Coordinator will decide the accommodations to be provided to the student. The Coordinator will consider any past accommodations that have been effective for the student, and will give primary consideration to the type of accommodation requested by the student. Alternate accommodations may be provided if there is an alternative accommodation that would be equally effective for the student.

The Coordinator will make a decision no later than two weeks after the student states the request for an accommodation. If the student does not submit documentation of a disability at the time the student requests an accommodation, the Coordinator will make a decision no later than two weeks after the student provides the documentation.

The Coordinator will list the approved accommodations in writing and provide this to the student. The Coordinator will inform the appropriate Learning Leaders and school staff of the accommodations they are responsible for providing to the student, how to provide the accommodations, and when to provide the accommodations. The Coordinator will keep a written record of these contacts about the student's accommodations. The Coordinator will verify that the accommodations are being implemented for the student through direct observation, report by the student, and/or documentation from The School staff. If the student informs the Coordinator that an accommodation is not being fully implemented, the Coordinator will immediately intervene with relevant staff members to ensure the accommodation is provided to the student.

After accommodations have been approved for a student, the Coordinator will make an appointment with the student for a time when the student's program is expected to change. The purpose of the appointment is to determine whether the student's accommodations should be changed when the student's program phase changes, or the type of instruction changes.

Additional factors — The School is not obligated to provide accommodations that would result in a fundamental alteration of The School’s program. In this case, the Coordinator will promptly search for an equally effective alternate accommodation for the student that would not fundamentally alter the program. The Coordinator will offer the alternate accommodation to the student.

The School is not obligated to provide accommodations that would result in an undue financial or administrative burden on The School. If the Coordinator decides that a requested accommodation might impose such a burden, the Coordinator will discuss the issue with The School owner, who will take into account the overall financial resources of The School. The School owner will make the final decision, in accord with the requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act. If The School owner determines that the requested accommodation would be an undue burden, the Coordinator will promptly search for an equally effective alternate accommodation for the student and offer the alternate accommodation to the student.

Appeals by Students

A student may appeal any accommodation decision made by the ADA Compliance Coordinator if the student disagrees with the decision. Here are some examples: A student may appeal the Coordinator’s decision to deny a requested accommodation. A student may appeal a decision by the Coordinator to provide an alternate accommodation rather than the specific accommodation requested by a student. A student may appeal a decision by the Coordinator that the student has not presented sufficient documentation to support the requested accommodation. A student may also file an appeal when a school staff member fails to provide an approved accommodation, and the Coordinator has not effectively addressed the situation.

When a student wishes to file an appeal, the student must notify Trudy Tabler; Director; 3030 William Pereira Drive, Norman, OK 73072; (405) 928-5200; trudyt@pmoklahomacity.com. The student must explain his/her reasons for disagreeing with the Coordinator’s decision, or explain how the student’s accommodation is not being implemented, and submit any relevant documentation.

Within five calendar days of receiving a student’s appeal the Director will meet with the student and the Coordinator to discuss the issues presented by the student’s appeal. If appropriate, the Director will also discuss the issues with other School staff members.

When a student appeals a decision made by the Coordinator, the Director will determine whether the Coordinator’s decision should be revised or remain the same. If the decision is revised, the Director will ensure that the revised decision is implemented.

When a student files an appeal on the basis that an approved accommodation is not being implemented, the Director will determine whether the accommodation is being fully implemented, and if it is not, ensure that the accommodation is implemented. The Director will inform the student of the decision in writing no later than fourteen days after receiving the student’s appeal.

Training and Mediation Responsibilities of the ADA Compliance Coordinator

The ADA Compliance Coordinator at each campus will deliver disability training sessions for all campus staff members at least once each calendar year. In these training sessions the Coordinator will explain the basic requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act as they apply to The School. The Coordinator will address: The School's responsibility to provide accommodations to students with disabilities; how to appropriately interact with students with particular kinds of disabilities; how to go about implementing accommodations that the Coordinator has approved for students; how to support students with disabilities in The School's programs; that students with disabilities cannot be penalized for using approved accommodations. The Coordinator will keep a record of each training session.

The Coordinator may also provide trainings for students who wish to learn about The School's process for providing accommodations, or about The School's grievance procedures.

To help ensure that future campus staff members and students are aware of The School's policies, the Coordinator will make sure that the Accommodations Procedures and the Grievance Procedures are continually posted at the campus.

The Coordinator will assist students with disabilities who have concerns about implementation of their accommodations or their treatment by The School staff members or other students. At the request of a student, the Coordinator will informally mediate or attempt to resolve issues related to the student's disability. If this informal process does not resolve the student's concerns, the student may file a grievance as described in Section II below.

② Grievance Procedures for Students who have Complaints on the Basis of Disability

Imagine Paul Mitchell Partner School is responsible for providing a grievance procedure to students who feel they have been discriminated against on the basis of disability. The grievance procedure provides students the opportunity to file a complaint. The School then has the responsibility to objectively investigate the allegations in the complaint and determine whether the student has been discriminated against. If The School determines that discrimination occurred, The School must take appropriate steps to correct the discrimination and prevent it from reoccurring.

Grievance complaints — A student may file a grievance if the student feels he or she has been discriminated against because the student is disabled, or because the student is regarded as being disabled, or because the student has a record of being disabled. A student may also file a grievance if the student feels that he or she has been retaliated against for advocacy based on disability. Here are some examples of discrimination:

- An instructor or other students refer to the student in a derogatory way related to the student's disability.
- An instructor generally refers to students with particular types of disability in a derogatory way.
- Other students refuse to work with the student because the student is disabled.
- A School staff member refuses to provide a service to the student that the staff member provides to other students.
- A school staff member takes a negative action toward the student after the student asked for accommodations for a disability.
- A guest presenter at The School makes derogatory statements about students with disabilities, or states that students with disabilities can never be employed in the presenter's field.
- A student's request for accommodation was denied by The School, or an instructor did not implement an accommodation for the student that was approved by The School.

A student must file a grievance complaint within 90 days of the date the discriminatory act occurred, or within 90 days of the end of an informal attempt to resolve the complaint, whichever is later. The complaint must be written. In the complaint, the student must describe what happened and the dates the acts took place, and state who was involved. The student should explain why the student believes the acts were taken based on disability. The student should describe or provide copies of any relevant documents or emails, if available.

A student may ask the Campus ADA Compliance Coordinator to try and informally resolve the student's complaint before the student files a written complaint. However, the student is not required to try informal resolution before filing a written complaint.

The complaint must be sent to Trudy Tabler; Director; 3030 William Pereira Drive, Norman, OK 73072; (405) 928-5200; trudyt@pmoklahomacity.com.

Investigation of the Complaint — When the Director receives a written complaint, the Director will immediately begin an objective investigation. The School has the right to contract with an independent investigator to conduct any investigation. Within seven days, the Director will discuss the allegations in the complaint with the student, and obtain any needed additional information from the student. The Director will obtain from the student the names of any persons the student believes will have relevant information. The Director will gather all information necessary to determine what took place. To do so, the Director will interview any School staff members or students who engaged in the actions or may have witnessed the actions that the student is complaining about. The Director will interview persons that the student stated may have relevant information. The Director will gather any relevant documents such as emails, student work or instructor's records. During the investigation, the Director will disclose the complaint, and confidential information about the student, only to the extent necessary to investigate the allegations of the complaint.

After reviewing all the evidence gathered, the Director will determine whether the student was treated differently from other students based on disability; or whether the student was harassed based on disability; or whether the student was retaliated against because the student advocated on the basis of disability; or whether the student was denied an accommodation that The School should have provided to the student.

Written Decision — The Director will provide the student with a written decision no later than sixty days after the date the student filed the complaint. The decision will state the determination reached by the Director at the conclusion of the investigation, and the reasons the Director reached that determination. If the Director concludes that the student was discriminated against on the basis of disability, the decision will state the types of remedial action that The School has taken or will take to correct the discrimination. The decision will also state how The School will prevent the discriminatory acts from occurring again.

Appeals by Students — If the student who filed the complaint disagrees with the decision made by the Director, or disagrees with the remedial action specified, the student may appeal the decision to The School Owner. The appeal must be written and sent to Trudy Tabler; Director; 3030 William Pereira Drive, Norman, OK 73072; (405) 928-5200; trudyt@pmoklahomacity.com. The appeal must state the specific reasons that the student disagrees with the decision. Appeals must be filed no later than thirty days after the student receives the written decision from the Director.

The Owner will review all the information provided by the student in the appeal, the decision by the Director, the interview records made by the Director and the documents gathered by the Director. The Owner will issue a written decision to the student within fourteen days after receiving the student's appeal. The Owner will determine whether the decision should be revised or remain the same. If the Owner determines that the decision should be revised, the Owner will ensure that any necessary changes in the remedies are implemented.

STUDENT AND EMPLOYEE ANTI-HARASSMENT AND DISCRIMINATION POLICY

Imagine - Oklahoma City Campus is committed to providing a work and school environment free of unlawful harassment or discrimination. In furtherance of this commitment, all students are required to take our mandatory Sexual Harassment and Prevention Training upon starting in school. Employees are required to take the training on an annual basis. School policy prohibits harassment or discrimination based on race, religion, creed, color, national origin, ancestry, sex (including pregnancy, childbirth or related medical conditions), military or veteran status, physical or mental disability, medical condition, marital status, age, sexual orientation, gender, gender identity or expression, genetic information or any other basis protected by the federal, state or local law. Additionally, in accordance with Title IX of the Education Amendments of 1972, Imagine - Oklahoma City Campus prohibits discrimination based on sex, which includes sexual harassment and sexual violence, and Imagine - Oklahoma City Campus has jurisdiction over Title IX complaints.

Imagine - Oklahoma City Campus's anti-harassment policy applies to all persons involved in the operation of Imagine - Oklahoma City Campus, and prohibits unlawful harassment by any employee of Imagine - Oklahoma City Campus, as well as students, customers, third parties, vendors or anyone who does business with Imagine - Oklahoma City Campus. It further extends to prohibit unlawful harassment by or against students. Any employee, student or contract worker who violates this policy will be subject to disciplinary action. To the extent a customer, vendor or other person with whom Imagine - Oklahoma City Campus does business engages in unlawful harassment or discrimination, Imagine - Oklahoma City Campus will take appropriate corrective action. The grievance procedure will provide that complaints may be filed about discrimination in any academic, educational, extracurricular, athletic or other programs operated or sponsored by, or related to, Imagine - Oklahoma City Campus, whether the programs take place on the campus of a school, during a school-sponsored field trip, or other off-campus events.

As part of Imagine - Oklahoma City Campus's commitment to providing a harassment-free working and learning environment, this policy shall be disseminated to Imagine - Oklahoma City Campus community through publications, Imagine - Oklahoma City Campus website, new employee orientations, student orientations, and other appropriate channels of communication. Imagine - Oklahoma City Campus will provide training to key staff members to enable Imagine - Oklahoma City Campus to handle any allegations of discrimination and harassment, including sexual harassment or sexual violence, promptly and effectively. Imagine - Oklahoma City Campus will respond quickly to all reports, and will take appropriate action to prevent, to correct, and if necessary, to discipline behavior that violates this policy.

Definitions

Sex Discrimination is defined as treating individuals differently on the basis of sex with regard to any aspect of services, benefits, or opportunities Imagine - Oklahoma City Campus provides such as:

- ① Treat a person differently in determining whether he or she satisfies any requirement or condition for the provision of an aid, benefit, or service;
- ② Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;
- ③ Deny any person an aid, benefit, or service
- ④ Subject any person to separate or different rules of behavior, sanctions, or other treatment in providing an aid, benefit, or service
- ⑤ Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person which discriminates on the basis of sex in providing any aid, benefit or service to students or employees;
- ⑥ Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

Sexual Harassment is defined as unwelcome conduct of a sexual nature. It includes unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Sexual harassment is conduct that explicitly or implicitly affects a person's employment or education or interferes with a person's work or educational performance or creates an environment such that a reasonable person would find the conduct intimidating, hostile or offensive.

Sexual Violence is defined as physical sexual acts engaged in without the consent of the other person or when the other person is unable to consent to the activity. Sexual violence includes sexual assault, rape, battery, and sexual coercion; domestic violence; dating violence; and stalking.

Domestic Violence is defined as abuse committed against an adult or a minor who is a spouse or former spouse, cohabitant or former cohabitant, or someone with whom the abuser has a child, has an existing dating or engagement relationship, or has had a former dating or engagement relationship.

Dating Violence is defined as abuse committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.

Sexual Assault occurs when a physical sexual activity is engaged in without the consent of the other person or when the other person is unable to consent to the activity. The activity or conduct may include physical force, violence, threat, or intimidation, ignoring the objections of the other person, causing the other person's intoxication or incapacitation through the use of drugs or alcohol, and taking advantage of the other person's incapacitation (including voluntary intoxication).

Stalking is behavior in which a person repeatedly engages in conduct directed at a specific person that places that person in reasonable fear of his or her safety or the safety of others.

Consent is informed, voluntary and revocable. Consent is an affirmative, unambiguous, and conscious decision by each participant to engage in mutually agreed-upon sexual activity. It must be given without coercion, force, threats or intimidation. Consent must be ongoing throughout a sexual encounter and can be revoked at any time. Once consent is withdrawn, the sexual activity must stop immediately.

Prohibited Conduct

This policy strictly prohibits sexual or other unlawful harassment or discrimination as well as sexual violence, as defined above. Sexual or other unlawful harassment or discrimination includes any verbal, physical or visual conduct based on sex, race, age, national origin, disability, color or any other legally protected basis if:

- ① submission to such conduct is made either explicitly or implicitly a term or condition of an individual's education or employment;
- ② submission to or rejection of such conduct by an individual is used as a basis for decisions concerning that individual's education or employment; or
- ③ it creates a hostile or offensive environment, which means the alleged conduct is sufficiently serious to limit or deny a student's or ability to participate or benefit from the student's education program.

Unlawful harassment or discrimination may include racial epithets, slurs and derogatory remarks, stereotypes, jokes, posters or cartoons based on race, national origin, age, disability, marital status, sex or other legally protected categories.

Sexual harassment is conduct based on sex, whether directed towards a person of the opposite or same sex, and may include explicit sexual propositions, sexual innuendo, suggestive comments, sexually oriented "kidding" or "teasing", practical jokes, jokes about or displays of obscene printed or visual material, questions about sexual fantasies, preferences or history, and physical contact such as patting, pinching, or intentionally brushing against another person's body.

Gender-based harassment, including acts of verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping are strictly prohibited, even if those acts do not involve conduct of a sexual nature.

Complaint/Grievance Procedure

The following grievance procedures shall be used to address sex discrimination complaints filed by students/employees or complaints filed on their behalf against employees, other students, or third parties.

If you believe that you have experienced or witnessed harassment or sexual violence, notify your Learning Leader, supervisor, Imagine - Oklahoma City Campus Owner, or the Title IX Coordinator as soon as possible after the incident. Do not allow an inappropriate situation to continue by not reporting it, regardless of who is creating the situation. No employee, contract worker, student, vendor or other person who does business with Imagine - Oklahoma City Campus is exempt from the prohibitions in this policy. Supervisors will refer all harassment complaints to the Title IX Coordinator for student-related complaints and to Imagine - Oklahoma City Campus Owner if the complaint involves an employee. In order to facilitate the investigation, your complaint should include details of the incident or incidents, names of the individuals involved and names of any witnesses. A sex discrimination complaint should be filed within 180 days from the date of the alleged discriminatory incident. Upon receiving any report of discrimination, including harassment, regardless of the filing date or when the school receives notice, the school will take steps to prevent recurrence of discrimination and correct its discriminatory effects on the student, and on others, if appropriate. All documentation pertaining to the complaint/grievance will be confidential. The complaint/grievance once received will be maintained in the student's and/or employee's permanent file, which has limited staff access, this includes verbal complaints.

All complaints involving a student will be referred to the campus's Title IX Coordinator. The Title IX Coordinator is listed below and has the responsibility of overseeing all Title IX complaints and identifying and addressing any patterns or systemic problems that arise during the review of such complaints.

The Grievant/Complainant may use the Title IX Grievance Form, but it is not required, to file a Title IX discrimination complaint.

Title IX Coordinator: Trudy Tabler - Director 3030 William Pereira Dr. Norman, OK 73072 trudyt@pmoklahomacity.com 405-928-5200	School Owner: (for complaints involving employees) Donna Waite 3030 William Pereira Dr. Norman, OK 73072 donnamwaite@gmail.com 405-928-5200
--	---

Imagine - Oklahoma City Campus ensures that its employee(s) designated to serve as Title IX Coordinator(s) have adequate training on what constitutes sexual harassment, including sexual violence, and that they understand how Imagine - Oklahoma City Campus's grievance procedures operate. Because complaints can also be filed with the School Owner, these employees also receive training on Imagine - Oklahoma City Campus's grievance procedures.

Investigation of Complaints

In response to all complaints, Imagine - Oklahoma City Campus promises prompt and equitable resolution through a reliable and impartial investigation of complaints, including the opportunity for both parties to present witnesses or other evidence. The time necessary to conduct an investigation will vary based on complexity but will generally be completed within sixty (60) days of receipt of the complaint. If a complainant requests confidentiality, Imagine - Oklahoma City Campus will take all reasonable steps to investigate and respond to the complaint consistent with the request. If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, Imagine - Oklahoma City Campus will inform the complainant that its ability to respond may be limited.

The preponderance of the evidence standard will apply to investigations, meaning Imagine- Oklahoma City Campus will evaluate whether it is more likely than not that the alleged conduct occurred. Both parties will receive written notice of the outcome of the complaint within 60 days of receipt of complaint. Written notice will include:

- ① Whether Imagine - Oklahoma City Campus found that the alleged conduct occurred, and whether it constituted discrimination.
- ② Any individual remedies offered or provided to the complainant or any sanctions imposed on the respondent that directly relate to the complainant. The respondent's version will not include individual remedies offered or provided to the complainant unless the remedy directly involves the respondent.
- ③ Any other steps Imagine - Oklahoma City Campus took to eliminate the hostile environment, if Imagine - Oklahoma City Campus found one to exist, and prevent recurrence.

During the investigation, Imagine - Oklahoma City Campus will provide interim measures, as necessary, to protect the safety and wellbeing of students and/or employees involved. Examples of temporary and permanent measures to protect the complainant as necessary are:

- ① No contact order
- ② Change academic situations as appropriate with minimum burden on the complainant
- ③ Counseling
- ④ Health and mental services
- ⑤ Escort services
- ⑥ Academic support
- ⑦ Retake a program or withdraw without penalty

If Imagine - Oklahoma City Campus determines that unlawful harassment or sexual violence has occurred, immediate appropriate corrective action will be taken in accordance with the circumstances involved, and Imagine - Oklahoma City Campus will take steps to prevent the recurrence of any harassment or discrimination. Any employee determined by Imagine - Oklahoma City Campus to be responsible for unlawful harassment or discrimination will be subject to appropriate disciplinary action, up to and including termination.

Remedies for student-related claims may include, but are not limited to, an order to stay away, suspension or expulsion.

To initiate a criminal investigation, reports of sexual violence should be made to "911" or local law enforcement. The criminal process is separate from Imagine - Oklahoma City Campus's disciplinary process. To the extent that an employee or contract worker is not satisfied with Imagine - Oklahoma City Campus's handling of a harassment or discrimination complaint, he or she may also contact the appropriate state or federal enforcement agency for legal relief.

Imagine - Oklahoma City Campus should make appropriate referrals to law enforcement. Imagine-Oklahoma City Campus will also notify complainants of the right to proceed with a criminal investigation and a Title IX complaint simultaneously. Imagine - Oklahoma City Campus will not wait for the criminal investigation or criminal proceeding to be concluded before beginning its own investigation.

Retaliation Prohibited

Imagine - Oklahoma City Campus prohibits any form of retaliation, intimidation or harassment against any individual who filed or otherwise participated in the filing or investigation of a complaint of discrimination. Any individual who believes he/she has been subjected to retaliation may file a separate complaint under this procedure.

Be aware that School administrators must issue timely warnings for incidents reported to them that pose a substantial threat of bodily harm or danger to other members of the campus community. Imagine - Oklahoma City Campus will make every effort to ensure that a victim's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the danger. Imagine - Oklahoma City Campus reserves the right to notify parents/guardians of dependent students regarding any health or safety risk, or a change in student status.

Additional Information

Imagine - Oklahoma City Campus does not allow conflicts of interest (real or perceived) by those handling the procedures. The school does maintain all documentation of any proceeding. The school will inform the students at regular intervals of the status of the investigation. The school will disallow evidence of past relationships.

Employees should contact Imagine - Oklahoma City Campus Director for more information or any questions related to this policy. Students may contact the Title IX Coordinator with any questions related to this policy. In addition, the U.S. Department of Education Office for Civil Rights ("OCR") investigates complaints of discrimination, including harassment of students in educational programs or activities. This agency may serve as a neutral fact finder and will attempt to facilitate the voluntary resolution of disputes with the parties. ALCOHOL AND DRUG-FREE EDUCATIONAL FACILITY POLICY

The School is concerned about the use of alcohol and drugs in the educational facility. This concern is based upon the effect that those substances have on a person's judgment, performance, safety, and health.

The School prohibits the possession, use, or being under the influence of alcohol or an illegal substance on School premises or at a School activity.

The School also reserves the right to search all employee and student property on School premises or at School activities, including but not limited to backpacks, purses, handbags, lockers, and vehicles parked on School property. The School also reserves the right to implement other measures necessary to deter abuse of this policy. Failure or refusal to cooperate may be grounds for disciplinary action, including expulsion from the School or termination for employees.

COPYRIGHT MATERIAL POLICY FOR IMAGINE PAUL MITCHELL PARTNER SCHOOL

All material in this program is, unless otherwise stated, the property of Imagine Paul Mitchell Partner School. Reproduction or retransmission of the materials, in whole or in part, in any manner, without the prior written consent of the copyright holder, is a violation of copyright law.

At Imagine Paul Mitchell Partner School we abide by the provisions of the federal Digital Millennium Copyright Act (DMCA), which requires prompt response to claims of copyright infringement by copyright holders or their agents. If the school receives an allegation of copyright infringement based on your use of the school's computers, the matter will be referred to the school director for further investigation. If you are found responsible after meeting with the school director, you are subject to disciplinary action including loss of network access, suspension or termination from school, and/or restitution or community service.

The Internet is an essential tool in everyone's lives for both academic and everyday pursuits. Along with these benefits come responsibilities. One of the most critical is conforming to the copyright laws governing music, movies, games, and software over the Internet. You must have the consent of the copyright holder to make copies.

The consequences of copyright infringement also extend outside of the school. Copyright holders may assess civil liability and even criminal prosecution. Recently, the Recording Industry Association of America (RIAA) has adopted the practice of sending schools pre-litigation settlement letters to be forwarded to individuals offering them "the opportunity to resolve copyright infringement claims against them at a discounted rate." Published reports indicate that the minimum settlement is \$3,000.00 per case.

Another reason to be careful with file-sharing programs is that the installation procedures for most of them enable default open access worldwide to information on your system; thus, the integrity of your computer and personal information can be compromised through illegal file sharing, including making you vulnerable to identity theft.

To facilitate student access to legal sources of music and video online, we have listed a couple of sites below:

- ① **iTunes:** This Apple store works with both Windows and Mac operating systems. Currently, over 99% of their song catalog is "unlocked," meaning you can transfer the songs to any device or computer you own.
- ② **eMusic.com:** This site features mostly independent and jazz/blues music. They offer low prices for signing up (up to 45 songs for free), and a good portion of their catalog can be purchased for about \$0.50 to \$0.89/song.
- ③ **Netflix.com:** For about \$7.99/month, you can set up an online list of over 20,000 movies that can be streamed directly to your computer.

SOCIAL NETWORKING POLICY

Imagine Paul Mitchell Partner Schools respects the rights of students to use social media during their personal time. Social media includes all forms of publicly accessible communications, which include but are not limited to written and verbal communications (including podcast and video uploads) and all forms of electronic communication including discussion groups, forums, news groups, e-mail distribution, blog postings, and/or social networking sites (such as Facebook, MySpace, Twitter, YouTube, Friendster, etc.). Students are personally responsible for the content they publish on social networking sites. Students are expected to treat each other with fairness and respect, consistent with the Paul Mitchell Schools culture.

Imagine Paul Mitchell Partner School does not permit ethnic slurs, personal insults, obscenity, intimidation, cyber-bullying, or engaging in conduct that would be unbecoming of a Paul Mitchell Future Professional and misrepresent the Paul Mitchell Schools culture. Imagine Paul Mitchell Partner School reserves the right to request the removal of any posts at their discretion and to take necessary disciplinary action as appropriate.

GRIEVANCE POLICY

In the event a student has a concern or grievance that cannot be resolved with the student's immediate Learning Leader or Education Leader, the student must file the concern in written form. The complaint will then be referred to the school's Management Team, which consists of the director, the school owners, sales leader, and Future Professional Advisor. The team will receive and attempt to resolve each complaint or concern within 21 days of receiving the written complaint. If more information is needed, a letter requesting the additional information will be sent to the student. If no further information is needed, the team will determine a resolution and notify the student in writing within 15 calendar days of the steps taken to correct the concern or an explanation as to why no action was required. The school will maintain records of the complaint and response in accordance with the published record retention policy. Students will not be subject to adverse actions by any school official as a result of initiating a complaint.

Students should follow the above process; however, the student may, at any time, file a complaint with the school's accrediting agency, or the U.S. Department of Education.

If a student's complaint cannot be resolved after exhausting the school's grievance procedures, the student may file a complaint with the Oklahoma State Board of Cosmetology and Barbering.

Students will not be subject to retribution upon filing a complaint.

ADDENDUM A: VETERANS AFFAIRS BENEFICIARY POLICIES

These Policies only apply to those students receiving VA Benefits.

SECTION 1: SATISFACTORY ACADEMIC & ATTENDANCE POLICY (SAP)

Students receiving Veterans education benefits must meet satisfactory academic progress (SAP) and attendance requirements in accordance with the school's SAP and Attendance policies in order to remain eligible to be certified for VA education benefits.

VA students on academic probation are considered to be maintaining satisfactory progress and will continue to be certified for education benefits with the U.S. Department of Veterans Affairs (VA), however, the VA will be notified if probation occurs.

If students fail to meet academic requirements while on probation, their enrollment certification will be terminated which may result in VA requiring students to repay a portion or all benefits received. Once benefits are terminated due to SAP or attendance, students are ineligible to be certified for VA education benefits until SAP is once again met or if students successfully appeal the decision for readmission.

SECTION 2: PREVIOUS EDUCATION, TRAINING, AND MILITARY TRANSCRIPTS

We evaluate and accept up to 500 transfer hours, but only if certified. The length of the program will be shortened proportionately for students with transfer hours.

Students utilizing VA education benefits must provide all transcripts and records of previous education and training. We will evaluate these records and, when possible, grant appropriate credit for the previous education and/or training, shorten the length of the training program by accepting up to 500 transfer hours, and notify the student regarding the amount of credit being granted for previous training.
