This program may result in free-lance or self-employment.

- The work available to graduates of this program is usually for freelance or self-employment
- This type of work may not be consistent.
- The period of employment can range from one day to weeks to several months.
- Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.
- You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.
- Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.
- Students initialing this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprises this work style.

<b>Federal Student Loan Debt</b>			
<b>Most recent three year cohort default rate, as reported by the United States Department of Education. *</b>	<b>The percentage of enrolled students in 2016 receiving federal student loans to pay for this program.</b>	<b>The average amount of federal student loan debt of 2015 graduates who took out federal student loans at this school.</b>	<b>The percentage of graduates in 2015 with federal student loans as calculated by the school.</b>
7.3%	79%	N/A	96%

\* The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

### Definitions

- **Number of students who began program** means the number of students who began the program who are scheduled to complete the program within 100% of the published program length within the reporting calendar year, and excludes all the students who cancelled during the cancellation period.
- **Students available for graduation** is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- **Number of On-Time Graduates** is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- **On-Time Completion Rate** is the number of on-time graduates divided by the number of students available for graduation.
- **150% Graduates** is the number of students who completed within 150% of the program length (includes on-time graduates).
- **150% Completion Rate** is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- **Graduates available for employment** means the number of graduates minus the number of graduates unavailable for employment.
- **Graduates unavailable for employment** means the graduate who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- **Graduates employed in the field** means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- **Placement Rate Employed in the Field** is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- **Number of Graduates taking the Exam** is the number of graduates who took the first available exam in the reported calendar year.
- **First Available Exam Date** is the date for the first available exam after a student completed the program.
- **Passage Rate** is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- **Number who Passed First Available Exam** is the number of graduates who took and passed the first available licensing exam after completing the program.
- **Salary** is as reported by the graduate or graduate's employer.
- **No Salary Information Reported** is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.
