A student who wishes to reenter that was terminated must take at least two (2) months off and apply for readmission. The student must pay for any remaining hours. The reentering student will be placed on a 30 day probation. During the 30 day probationary period the student must demonstrate for that period that he/she can meet the school's minimum attendance and academic requirements for Satisfactory Academic Progress. Students who reenter the program are placed in the same Satisfactory Academic Progress standing as when they left. If a re-enrolling student has previously used all of the excused absences (10% of time) provided under his/her original contract, the student will not receive any additional time for excused absences under the new reenrollment contract. ATTENDANCE POLICY

All students must maintain an 90% cumulative attendance rate. Monitoring periods are done to keep the students advised of their progress leading up to potential payment periods which must meet Satisfactory Progress. Satisfactory progress (SAP) evaluations will be given and signed off by the Director or designee and the student at the following periods: 450 hours, 900 hours, and 1200 hours. All absences must be phoned in or emailed on a prior school day or prior to start of scheduled class time. Any student leaving early must sign out, swipe out with his/her time card for the day and let the front desk (for booking purposes) and his/her instructor know. All students are given five (5) infractions. Students must meet an 90% cumulative attendance to meet Satisfactory Progress. This leaves a 10% amount of time that they will be allowed to use for other emergencies such as sickness, doctor's appointments, and emergencies with family members, and/or personal matters needed to be taken care of by the student. Students do not need to bring in doctor's notes, lawyer or court documents, etc., as they may miss up to 10% time of the program clock hours (example: 150 hours for a 1500 hour program) for any needs that they may have. Any extended period of time should be referred to our Leave of Absence Policy if it is applicable under the LOA policy. Any student not calling in or emailing on the day of an absence will be written up on the Future Professional Advisory Form. Any student missing fourteen (14) calendar days or more, who is not on an approved leave of absence, and who does not have prior approval from the director, will be terminated.

Students are given three (3) days total during their contracted enrollment to come in late. Students attending the day program utilizing their late days must notify the front desk that they are coming in late and are using one of their late days. Students are allowed to come in at 10:15 a.m. only on these days. Night students will be given a total of three (3) days as well to come in late at 6:00 p.m. Night students must also notify the front desk that they are using one of their late days and cannot come in past 6:00 p.m. After students have used their three (3) late days they will not be allowed to stay after their respective start time of their class.

Day students start at 9:15 a.m. Tuesday – Friday and must be in class by 9:30 a.m. at the latest. Night students start at 5:30 p.m. Monday – Thursday and must be in class by 5:45 p.m. at the latest. On Saturdays all students start at 9:00 a.m. and must be in class by 9:15 a.m. No one can use any of their three (3) late days on a Saturday. No one will be allowed to stay in school on a Saturday if they arrive after 9:15 a.m.

Based on the importance of the learning level in CORE, all students in CORE may only miss a total of six (6) days maximum. CORE consists of four hundred and two hours (402). The Director will decide where the student will start with the new CORE class and the student will retain their amount of hours prior to their leave.

FEDERAL RETURN OF TITLE IV FUNDS POLICY

The school participates in federal financial aid. Please refer to the following refund policy for specific consumer information pursuant to the Federal Financial Aid program.

- ❶ Title IV federal financial aid funds are awarded under the assumption that a student will remain in classroom attendance for the entire period for which funds were awarded. If a financial aid recipient withdraws from school after beginning attendance, the amount of Title IV grant or loan assistance earned by the student must be determined. The school is required to calculate the amount of Federal Title IV funds to be returned for a student who has withdrawn from all classes. If a student receives SFA (Student Financial Aid) in the form of loans and/or grants, withdraws from school after beginning attendance, the amount of SFA grant or loan assistance earned by the student must be determined.
- ❷ For students who have received Title IV financial assistance, the Federal Return of Title IV Funds calculation will be completed first and applicable funds returned. Returned funds will be reduced from the payments received on behalf of the student before applying the institutional refund policy to determine whether the student is owed a refund or if a balance is owed to the institution.
- ❸ If a student has received less aid than that student earned, he/she may be eligible for a post-withdrawal disbursement. If a student is eligible for this disbursement, the school will notify the student in writing of the amount he/she is eligible. The student will have 14 days to accept or decline the disbursement. If an acceptance is not received within this time frame, the institution will not make the post-withdrawal disbursement to the student.
- ❹ The Federal Return of Title IV Funds formula dictates the amount of federal Title IV aid that must be returned to the federal government or the lending institution by the school and/or the student. The federal formula is applicable to an eligible student receiving federal aid when that student withdraws on or before the 60% point in time in the payment period.
- ❺ The federal formula requires a return of Title IV aid if the student received federal financial assistance in the form of Stafford Loans, Pell Grants, or Plus loans and withdraws on or before completing 60% of the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before the 60% point of time. The percentage that has not been earned is calculated by determining the complement of the percentage earned (e.g., if 40% was earned, 60% was unearned).
- ❻ The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date. The percentage of the payment period scheduled to complete is calculated by dividing the total number of clock hours scheduled to complete by the payment period as of the last date of attendance.
- ❼ If a student unofficially or officially withdraws and has received federal loans, the loans will go into repayment once the grace period expires.
 - a. Unofficial withdrawal applies when a student is absent for 14 or more consecutive calendar days;
 - b. Official withdrawal applies when a student notifies the school in writing or in person.In both cases the last day of attendance will be used in the return to Title IV calculation.
- ❽ School scheduled breaks of five (5) or more consecutive days are excluded from the return to Title IV calculation as periods of nonattendance and, therefore, do not affect the calculation of the amount of federal student aid earned. This provides for more equitable treatment of students who officially or unofficially withdraw near either end of the schedule break.
- ❾ Title IV funds will be returned to the United States Department of Education within 45 days.

NOTE: A student who withdraws prior to completing 60% of the charging period may be required to repay some of the funds released to the student because of credit balance on the student's account.

Refunds to Title IV programs will be made in the following order:

- ❶ Federal Unsubsidized Stafford Loan
- ❷ Federal Subsidized Stafford Loan
- ❸ Federal Plus Loan
- ❹ Federal Pell Grant

INSTITUTIONAL REFUND/ DROP POLICY

The refund policy for Paul Mitchell The School – Jessup, is consistent with the requirements in the Code of Maryland Regulations. All refunds are based on hours scheduled to attend. The student will get a refund calculation (if applicable) based on the Maryland Higher Education policy. The policy for Maryland Higher Education Commission is as follows:

- ① If the school closes or discontinues a course or program, the school shall refund to each currently enrolled student monies paid by the student for tuition and fees and monies for which the student is liable for tuition and fees.
- ② All fees paid by a student shall be refunded if the student chooses not to enroll in or to withdraw from a school within 7 calendar days after having signed a contract.
- ③ If the student chooses not to enroll after the 7 day cancellation period but before the first day of instruction, the school may retain the application fee or registration fee, or both.
- ④ If after the 7 day cancellation period expires, a student withdraws after instruction begins, refunds shall be based on the total contract price for the course or program and shall include all fees, except the application, registration or enrollment fee and any charges for materials, supplies, or books which have been purchased by, and are the property of, the student. The minimum refund that a school shall pay a student who withdraws or is terminated after the 7 day cancellation period has expired and after instruction has begun, is as follows: (All refunds are based on scheduled hours for Paul Mitchell The School – Jessup)

Proportion of total course or program refund:	Tuition taught by date of withdrawal:
Less than 10%	90% refund
10% up to but not including 20%	80% refund
20% up to but not including 30%	60% refund
30% up to but not including 40%	40% refund
40% up to 50%	20% refund
More than 50%	No refund

- ⑤ The date of withdrawal or termination is the last date of attendance by the student. A refund due a student shall be based on the date of withdrawal or termination and paid within 60 days from the date of withdrawal or termination.
- ⑥ In the case of an official leave of absence, if a student fails to return to training by the end of the leave of absence, a refund due a student shall be based on the date of withdrawal or termination and paid within 60 days of the scheduled last day of the leave of absence.
- ⑦ Any monies due to the student shall be refunded within 60 days of formal cancellation by the student as defined earlier in this section or formal termination by the school, which shall occur at the end of any month in which a student has been absent from class for fourteen (14) consecutive calendar days as determined by weekly monitoring of attendance, the student is expelled by the school, or the student notifies the school. In the case of a student who does not return from a leave of absence, the scheduled last date of the Leave of Absence is the date of withdrawal.
- ⑧ The school will maintain on file evidence of a refund having been made in applicable situations. The school will also send a copy of the refund to the student either by electronic mail or regular mail.
- ⑨ Keep in mind that when Title IV funds are returned, the student borrower may owe a debit balance to the institution.

SPECIAL PROVISIONS FOR BOOKS AND SUPPLIES

In order to academically succeed in a program, a Federal Pell Grant student must have the ability to purchase books and supplies at the beginning of the academic period. By the seventh day of a payment period, the school will provide a way for a student who is eligible for a Federal Pell Grant to obtain or purchase the books and supplies required for the payment period if:

- ❶ ten days before the beginning of the payment period, the school could have disbursed FSA funds to the student; and
- ❷ disbursement of those funds would have created an FSA credit balance.

The school will consider all the FSA funds a student is eligible to receive at the time it makes the determination, but the school need not consider aid from non-FSA sources.

The amount the school must provide is the lesser of the presumed credit balance or the amount determined by the school that the student needs to obtain the books and supplies. In determining the required amount, the school may use the actual costs of books and supplies or the allowance for those materials used in estimating the student's cost of attendance for the period. A student may decline to participate in this process to obtain or purchase books and supplies, if they so choose.

PREFERRED LENDER LIST AND PRIVATE EDUCATION LOAN DISCLOSURES

Our school does not have a list of preferred lenders and we do not offer private education loans.

STUDENT FINANCIAL AID RELEASE

The undersigned agrees that Paul Mitchell The School - Jessup does not guarantee the student loan process in any respect. A Federal Parent Plus loan requires a credit check and is based on the parent's credit. Pre-approval for a Parent Plus loan does not guarantee that the parent will receive a Federal Parent Plus loan. It is critical that the parent be able to pass a credit check when the loan is certified. The school has no control over the approval or decline of a parent's credit history. Nor does the school assume any responsibility for mistakes on any Department of Education financial aid forms. It is up to the student to make sure all forms are accurate and complete.

Federal loan information is available in the National Student Loan Database System (NSLDS) and will be accessible by Servicers and Schools, as authorized.

POLICY FOR VERIFICATION OF TITLE IV FUNDING

The school has policies and procedures that it follows for verification of Title IV funding. The school provides students with a verification form so they can collect the necessary information. The school gives the student a 30-day deadline to return the form to the financial office with verification items attached. If verification documents are not submitted by the due date, the student will be placed on a monthly cash pay status until verification is completed. Financial Aid Services, Inc. handles our student overpayments and alerts the school so it can make changes to the award packet, which is reported to Common Origination and Disbursement (COD) for the Department of Education.

ELIGIBILITY OF FINANCIAL AID AFTER A DRUG CONVICTION

Students will be given written notice advising them that a conviction of illegal drugs, of any offense, during an enrollment period for which the student was receiving Title IV financial aid will result in the loss of eligibility for any Title IV per HEA Sec. 484(r)(1) and 20 U.S.C. 1091(r)(1). Students whose eligibility has been suspended due to a drug conviction may resume eligibility if they successfully pass two (2) unannounced drug tests conducted by a drug rehabilitation program that complies with criteria established under HEA Sec. 484(r)(2) (20 U.S.C. 1091(r)(2)).

MAKEUP HOURS

There are no makeup hours of any kind. Any theory or practical that has been missed can be made up the next time that subject or class is scheduled. This must be scheduled with the Instructor.

SATISFACTORY ACADEMIC PROGRESS POLICY

Satisfactory Academic Progress in attendance and academic work is a requirement for all students, and students must maintain Satisfactory Academic Progress to continue eligibility for Title IV federal funding. Attendance is calculated electronically using a palm scanner. Attendance is also taken by the Instructor of each assigned classroom. To determine Satisfactory Academic Progress (evaluation period) for students who are attending the Cosmetology program, students are evaluated for both academics and attendance when the students complete the actual hours at the end of their evaluation period (450 hours, 900 hours 1200 hours). The student must also complete at least 12 weeks at 450 hours, 24 weeks at 900 hours and 32 weeks at 1200 hours to have completed an evaluation period. If a student does not meet Satisfactory Progress they will be provided with either a Financial Aid Warning letter or a Financial Aid Probation Letter. This applies to all students who are receiving Title IV funding. Self pay students will be given a warning letter alerting the student that they are not at Satisfactory Progress. If any student meets and/or exceeds his/her allotted time off of 10% (example: 150 hours of 1500 hours) at any evaluation period, he or she may be put on probation or expelled (depending upon whether or not the student can actually achieve 90% prior to graduation). Continued unsatisfactory progress may result in termination from the school.

QUANTITATIVE AND QUALITATIVE FACTORS

Students are assigned theory study and practical assignments. Theory is evaluated by written exams given after each unit of study. Practical assignments (which are worksheets that are given out on a monthly basis) are given a 100% maximum grade. Any worksheet graded at the end of month with a grade less than 100% will be handed back to the student and must be taken over the 100% standards. The student has one week to complete the previous month worksheet. The student must complete the previous monthly practical worksheet before starting the current month practical worksheet. Practical skills are evaluated according to text procedures and performance standards established by the state licensing agency. Students must pass all theory exams with at least a 75.0% per exam and pass a final written prior to graduation. Student s failing any exam will be given up to two re-takes. Students must also have a minimum cumulative attendance of 90%.

Full Time day students attend five (5) days, Tuesday through Friday from 9:15 AM to 4:15 PM and every Saturday from 9:00 AM to 5:00 PM, 33.5 hours per week.

Part-time day school students attend three (3) days Tuesday through Thursday from 9:15 AM to 6:15 PM and every other Saturday from 9:00 AM to 5:00 PM, 33 hours per week with Saturday and 22.5 hours per week without Saturday OR Tuesday and Wednesday from 9:15 AM to 6:15 PM, every Friday from 9:15 AM to 5:00 PM, and every other Saturday from 9:00 AM to 5:00 PM, 31.75 hours per week with Saturday and 24.25 hours per week without Saturday.

Part-time night school students attend four (4) days Monday through Thursday from 5:30 PM to 9:45 PM and every Saturday from 9:00 AM - 5:00 PM, 22.5 hours per week. Information regarding other course schedules is available upon inquiry.

The state of Maryland requires 1500 clock hours for the cosmetology course. Students are expected to complete the course in no more than 111% of the program length. If a student is never absent, he/she should complete the course within 53.25 weeks for a full-time student, 60.61 weeks for a part-time day students, and 77.33 weeks for a part-time night student.

At the end of each evaluation period, the school will determine if the student has maintained at least 90% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum 111% time frame allowed.

MAXIMUM TIME FRAME

Students must complete the educational program within the maximum time frame, which is based on attending at least 90% of the cumulative scheduled hours. The maximum time frame is equal to 1.10 times the published length of the program (example for Cosmetology would be 1650 scheduled hours). Time off for an authorized leave of absence will be added to the maximum time frame. Any student missing fourteen (14) consecutive calendar days or more who is not on an approved leave of absence and/or who does not have the prior approval from the Director will be withdrawn. Any student close to, but not having a chance of reaching 90% at 1500 will expel themselves at 1425 hours since they will not be able to graduate under 90% attendance.

The following is an example of the number of hours that a student has to complete at the end of each payment period within the maximum weeks listed would be considered making Satisfactory Academic Progress:

COURSE	MINIMUM HOURS	MAXIMUM WEEKS
Cosmetology	450 Hours	18 Weeks
	900 Hours	37 Weeks
	1200 Hours	50 Weeks

The maximum time frame allowed for transfer students who need less than full course requirements or part-time students will be determined based on 90% of the scheduled contracted hours. If a student fails to complete the program within the maximum time frame they will lose their eligibility for Title IV programs, if applicable, but they will be able to complete the program on a cash pay basis as long as they meet the requirements of maintaining 90% cumulative attendance. For students with a disability that appeal, the student's disability will be considered as a factor towards maintaining Satisfactory Academic Progress.

INTERRUPTIONS, COURSE INCOMPLETES, AND WITHDRAWALS

A determination of Satisfactory Academic Progress will be made and documented at the time of withdrawal or beginning of a Leave of Absence. That determination of status will apply to students at the time they return to school. The student may appeal a negative Satisfactory Academic Progress determination according to the appeal policy. If the student needs to take off more time than allotted in the contract or more than 14 consecutive calendar days, he/she must drop and reenroll when ready to return. If a student needs more than 14 consecutive calendar days of time off due to pregnancy/new mother, and/or military duty then the student should take a leave of absence. Elapsed time during a Leave of Absence does not affect Satisfactory Academic Progress and will extend the contract period by the same number of days in the Leave. There will be no additional charges to a student for the time off when they are on an approved leave of absence. Students wishing to re-enroll in school after withdrawing must submit a letter to the school administration or meet with the Director or Co-Director. Student letters requesting re-enrollment must include a summary of the reasons the student withdrew and how these issues have been resolved. Re-enrollment is at the discretion of the School Director. Decisions by the School Director regarding re-enrollment are final. A student may reenroll after a minimum of sixty (60) days from their last date of attendance. Students will reenter at the same satisfactory progress that they left at (if within 180 days of last date of attendance). If a student has been gone for 180 days or more than the student will be treated as a transfer student.

LEAVE OF ABSENCE POLICY

All requests for a Leave of Absence (LOA) must be in writing and on the Paul Mitchell The School - Jessup Leave of Absence Request and Approval Form. The request must be made in advance unless unforeseen circumstances prevent the student from doing so. (Example car accident, an emergency medical condition of a student or family member, death in the family) If the student's LOA is for an unforeseen reason the student must submit the completed LOA form as soon as physically possible.

The maximum amount of days in Paul Mitchell The School – Jessup LOA policy allowed is 14 calendar days within the duration of their contracted period plus any extension due to a LOA. Any student will be limited to a maximum of 1 leave of absence of a maximum of 14 calendar days. During any approved LOA Paul Mitchell The School – Jessup will not assess the student any additional institutional charges as a result of the LOA.

If a student does not return to Paul Mitchell The School – Jessup at the expiration of an approved LOA (or a student takes an unapproved LOA), the student's date of withdrawal is the scheduled last date of the Leave of Absence.

Paul Mitchell The School – Jessup will review the LOA request and will either approve or deny the LOA within 3 business days of receiving the written request. Paul Mitchell The School – Jessup will only approve LOA under the following conditions:

- ① Circumstances that would under normal conditions require the student to quit school because they would not be able to continue meeting Satisfactory Academy Policy;
- ② Current circumstance, outside of the control of the student, requires the student to miss school for an extended period of time;
- ③ The school feels that there is a reasonable expectation of return by the student.

The LOA will only be considered approved once the school administration has reviewed the request and approved the LOA. Paul Mitchell The School – Jessup reserves the right to set the return date from the LOA regardless of the student's request for a particular return date on the LOA request form. The school administration will provide to the student a signed copy either approving or denying the LOA which if approved will have an expected date of return from the LOA.

The approved Leave of Absence Request and Approval Form along with a Contract Addendum will also act as an addendum to the contract with Paul Mitchell The School – Jessup showing the adjustment to the end date for the contract and will be attached to the student's contract in the file.

A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

NONCREDIT, REMEDIAL COURSE, AND REPETITIONS

Course incompletes, repetitions, and noncredit remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

EVALUATION PROCEDURES AND REQUIRED LEVEL OF ACHIEVEMENT

Formal Satisfactory Progress Evaluations in both attendance and academics will occur when cosmetology students reach 450, 900, and 1200 *actual hours*. The first evaluation will occur no later than the midpoint of the academic year.

The following grading system is used to evaluate a student's academic ability:

- 1 Examinations are given in all subjects.
- 2 Grades and attendance (Satisfactory Academic Progress) records are reviewed and signed by the student and maintained in the student's financial file. The Satisfactory Academic Progress will reflect if the student evaluation will impact the student's eligibility for Financial Aid. The student may request to review their financial aid file from the Financial Aid Leader or Director.

The following grading scale is used for theory progress:

A = 90 – 100% **B = 80 – 89%** **C = 75– 79%** **Failing = Below 74.99%**

Practical and clinical work is graded by a signature and date on the student's practical clinic worksheet or guest ticket. A signature from an instructor represents a passing grade which means all elements of the practical grading criteria were met. No signature indicates a failing score which means one or more of the practical grading criteria elements were not met and the student has not met minimum satisfactory standards on the practical application. Students are required to continue and/or repeat the practical application until they receive a signature from an instructor. Student's must make up failed or missed tests and incomplete assignments.

**The school uses a 900-hour academic year for Title IV purposes.*

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds. The student at this time may be terminated.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS *for those who qualify*

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. The reasons for which a student may appeal a negative progress determination include death of a relative, an injury or illness of the student, a student's disability, or any other allowable special or mitigating circumstances. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

RE-INSTATEMENT OF FINANCIAL AID

Title IV aid will be reinstated to students who have prevailed upon appeal regarding the status of Satisfactory Academic Progress or who have reestablished Satisfactory Academic Progress.

TERMINATION APPEAL PROCEDURE

If a student is terminated due to receiving the maximum amount of coaching sessions, or due to the reasons outlined under termination on the Student Advisory Form, the student may appeal the termination decision. A student has five (5) calendar days from the date of termination to appeal the decision. The student must submit a written appeal to the school's Director on the school's Termination Appeal Form describing why they were terminated, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to continue through the program without incident.

An appeal hearing will take place within 15 business days of receipt of the written appeal. This hearing will be attended by the student, parent/guardian (if the student is a dependent minor), and the school director. A decision on the student's appeal will be made within three (3) business days by the director and will be communicated to the student in writing. This decision will be final.

If a student is terminated for gross misconduct, which includes but is not limited to reporting to school under the influence of alcohol or illegal drugs, cheating, stealing, insubordination, threats, and/or bullying, such termination is final and may not be appealed.

WORKING ON GUESTS

As a student with Paul Mitchell the School – Jessup, you will be working on guests. Any tips that you receive you may keep. All fees collected for the services go towards the instructional expenses as well as product expenses for these services.

LITIGATION OF ANY FORM

Litigation taking place of any format between the student and the school will be handled in an arbitration format.

STUDENT RIGHT OF ACCESS AND RECORD RETENTION POLICY

The Family Educational Rights and Privacy Act (FERPA) sets a limit on the disclosure of personally identifiable information from school records and defines the rights of students to review and request changes to the records. FERPA generally gives postsecondary students the rights to:

- 1 Review their education records,
- 2 Seek to amend inaccurate information in their records, and
- 3 Provide consent for the disclosure of their records.

Students (or parents or guardians, if the student is a dependent minor) are guaranteed access to their school records, with a staff member present, within 30 days from the date of the request. Copies of all records can be requested at \$0.20 per page.

General Release of Information

Except under the special conditions described in this policy, a student must provide written consent before the school may disclose personally identifiable information from the student's education records. The written consent must:

- 1 State the purpose of the disclosure,
- 2 Specify the records that may be disclosed,
- 3 Identify the party or class of parties to whom the disclosure may be made, and
- 4 Be signed and dated.

FERPA Disclosures to Parents

While the rights under FERPA have transferred from a student's parents to the student when the student attends a postsecondary institution, FERPA does permit a school to disclose a student's education records to his or her parents if the student is a dependent student under IRS rules.

Note that the IRS definition of a dependent is quite different from that of a dependent student for Federal Student Aid (FSA) purposes. For IRS purposes, students are dependent if they are listed as dependents on their parent's income tax returns. (If the student is a dependent as defined by the IRS, disclosure may be made to either parent, regardless of which parent claims the student as a dependent.)

A school may disclose information from a student's education records to parents in the case of a health or safety emergency that involves the student, without needing the student's consent.

A school may inform parents of students under age 21 when the student has violated any law or policy concerning the use or possession of alcohol or a controlled substance.

A school official may share with parents information that is based on that official's personal knowledge or observation and that is not based on information contained in an education record.

Release of Information to Regulatory Agencies

Disclosures may be made to authorized representatives of the U.S. Department of Education for audit, evaluation, and enforcement purposes. "Authorized representatives" include employees of the Department, such as employees of the Office of Federal Student Aid, the Office of Postsecondary Education, the Office for Civil Rights, and the National Center for Education Statistics, as well as firms under contract to the Department to perform certain administrative functions or studies.

In addition, disclosure may be made if it is in connection with financial aid that the student has received or applied for. Such a disclosure may only be made if the student's information is needed to determine the amount of the aid, the conditions for the aid, or the student's eligibility for the aid, or to enforce the terms or conditions of the aid.

Paul Mitchell The School - Jessup provides and permits access to student and other school records as required for any accreditation process initiated by the school or by the National Accrediting Commission of Career Arts and Sciences (NACCAS), or in response to a directive of said Commission, as well as to the Maryland Higher Education Commission.

Disclosures in Response to Subpoenas or Court Orders

FERPA permits schools to disclose education records, without the student's consent, to comply with a lawfully issued subpoena or court order.

In most cases, the school must make a reasonable effort to notify the student who is the subject of the subpoena or court order before complying, so the student may seek protective action. However, the school does not have to notify the student if the court or issuing agency has prohibited such disclosure.

The school may also disclose information from education records, without the consent or knowledge of the student, to representatives of the U.S. Department of Justice in response to an ex parte order issued in connection with the investigation of crimes of terrorism.

Disclosures for Other Reasons

There are two FERPA provisions concerning the release of records relating to a crime of violence. One concerns the release to the victim of any outcome involving an alleged crime of violence (34 CFR 34 CFR 99.31[a][13]). A separate provision permits a school to disclose to anyone the final results of any disciplinary hearing against an alleged perpetrator of a crime of violence where that student was found in violation of the school's rules or policies with respect to such crime or offense (34 CFR 99.31[a][14]).

Directory Information

Paul Mitchell The School - Jessup does not publish "directory information" on any student.

Record Maintenance

All requests for releases of information are maintained in the student's file as long as the educational records themselves are kept. Student records are maintained for a minimum of five (5) years for withdrawal students; transcripts of graduates are kept indefinitely.

Amendment to Student Records

Students have the right to seek an amendment to their school records. To seek an amendment, students must meet with the school director and bring any supporting documentation to show that the record is incorrect.

A parent or eligible student may file a written complaint with the Family Policy Compliance Office regarding an alleged violation under the Family Educational Rights and Privacy Act. The Office's address is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW., Washington, DC 20202

RIGHTS AND PRIVACY

It is the policy of the Paul Mitchell the School – Jessup, to abide by the Family Educational Rights and Privacy Act of 1974. This act guarantees a student's rights to the access of his/her file and to the privacy of that file. If a student (or parent or guardian if the student is a dependent minor) wishes to see his/her file, the student must make an appointment with the Director of Co-Director before gaining access to the file. No information from a student's file will be released unless written permission is received from the student. If the student is a dependent minor, the parent or guardian may access the student's records. The school must, however, provide and permit access to the student and other school records, as required for any accreditation process initiated by the institution or NACCAS, in response to a directive of the Commission. Also, the Maryland Higher Education Commission shall be provided and permitted to access student records, as well as other records of the school, and be open for inspection at any reasonable time by the Secretary. Each request for release of information needs a signed authorization.

Before publishing "directory information" such as name, address and phone of student, date and place of birth, major field of study, dates of attendance, degree and awards received, date of graduation, previous school attended, and/or date of graduation from previous school, the school will allow the student or parent/guardian of a minor student to deny authority to publish one or more of these items.

PERFORMANCE STATISTICS/JOB OUTLOOK

Paul Mitchell The School - Jessup is accredited by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and recognized by the U.S. Department of Education. Each agency requires schools to provide important information regarding outcome rates in the areas of completion, placement, and licensure; however, each agency requires that we provide outcome rates differently. NACCAS requires schools to list the outcome rates for each main campus and all additional campuses as a whole. In this case, Hair Expressions - Paul Mitchell Partner School is the main campus and Paul Mitchell The School - Jessup is a the branch campus, and the outcome rates provided are for all schools under this structure. The U.S. Department of Education requires outcome rates be provided based upon the individual location. Outcome rates have also been provided for the individual school you are interested in attending. If you have any questions regarding our outcome rates, please see our admissions team for assistance.

NACCAS –Paul Mitchell The School - Jessup’s combined campus performance statistics for the calendar year 2014:

Graduation	Licensure	Placement
60.51%	100%	83.90%

Paul Mitchell The School - Jessup’s performance statistics for the calendar year 2014:

Graduation	Licensure	Placement
67%	100%	86%

NACCAS’ 2015 Annual Report is derived from a single cohort of students – those scheduled to graduate in 2015. NACCAS’ graduation, placement and licensure definitions are described below:

Graduation: Based on all students scheduled to graduate from the program in 2015. The scheduled graduation date is a student’s most recent contract end date (i.e., the contract end date after all leaves of absence, schedule changes and re-enrollments have been accounted for). A student may count as a graduate if they have completed all applicable graduation requirements at the institution.

Licensure: Based on graduates from the graduation cohort who sat for all parts of their required licensure exam prior to November 30, 2016. A student in the licensure cohort may count as a “pass” if they pass all required portions of the examination prior to November 30, 2016.

Placement: Based on graduates from the graduation cohort who are eligible for placement. A student may count as placed if they are employed in a field for which their training prepared them prior to November 30, 2016. Students may be excluded from the calculation if they fall into one of the categories listed. In 2015, the school excluded the following number of students* based on each of the following categories:

- ① The graduate is deceased 0
- ② The graduate is permanently disabled 0
- ③ The graduate is deployed for military service/duty 0
- ④ The graduate studied under a student visa and is ineligible for employment in the U.S. 0
- ⑤ The graduate continued his/her education at an institution under the same ownership (e.g., a graduate of your cosmetology program subsequently enrolled in the instructor program of an institution under the same ownership) 0

Total Excluded 0

*If fewer than ten students were excluded for any one category, the disclosure will only include the total of all excluded students if that total is at least ten. If the calculation excluded fewer than a total of ten students the institution will state that it excluded students on the basis of each condition, and note that the number of total exclusions were fewer than 10 and therefore cannot be disclosed.

PROGRAM INTEGRITY

Paul Mitchell The School - Jessup is accredited by NACCAS and uses its calculation for student placement based on each program offered. For the most recent gainful employment annual reporting period, the school shows the following data for the **cosmetology program**:

Placement rate	On-time graduation rate	Median Loan Debt
60.90%	49%	2014–2015 Title IV: \$9,833. Private: \$0. Institutional: \$0.

For more information about our graduation rates, the median debt of students who completed the program, and other important information, please visit our Web site at: jessup.paulmitchell.edu/programs.

STUDENTS RIGHT-TO-KNOW - COMBINED DEPARTMENT OF EDUCATION RATES (IPEDS)

Graduation	Placement
N/A	N/A

Paul Mitchell The School - Jessup must prepare the completion and graduation rate of its certificate- or degree-seeking, first-time, full-time undergraduate students each year. The rates will track the outcomes for students for whom 150% of the normal time for completion or graduation has elapsed. Normal time is the amount of time necessary for a student to complete all requirements for a degree or certificate according to the institution's catalog. These rates are generated from the school student record management system.

STUDENT PROFESSIONAL DEVELOPMENT GUIDELINES

All students must commit to and follow the Student Professional Development Guidelines during their enrollment at Paul Mitchell The School - Jessup. These guidelines were established to assist in creating a safe, focused, and enjoyable learning experience.

Attendance and Documentation of Time

- 1 The school records attendance in clock hours and gives appropriate attendance credit for all hours attended. The school does not add or deduct attendance hours as a penalty. Attendance is calculated using a computerized time clock and rounding hours forward one-quarter hour. In order to ensure proper clock hours are credited, full-time students are required to clock in/out twice a day: when they arrive to school and when they leave at the end of the day. Part time students are required to clock in/out 2 times a day: when they arrive to school and when they leave at the end of the day. If a student fails to clock in or out for their schedule on the student time clock, the student will not receive hours. If the student wishes to dispute any hours they feel earned, the student must provide documentation to verify attendance on the missing time form. The documentation would include the student sign in sheet, the specialty class attendance role, and/or the guest service summary.
- 2 The school is open from 9:15 AM to 4:15 PM (Tues-Sat) for full-time day students, 9:15 AM to 6:15 PM (Tuesday-Thursday or Tuesday-Friday and every other Saturday) for part-time day students, and 5:30 PM to 9:45 PM (Mon-Thurs and ever Saturday) for night students.
- 3 All courses require continuous attendance.
- 4 The prescribed attendance schedule must be maintained each week.
- 5 Students, after obtaining 400 hours working on the clinic floor, are asked to please let the school know the previous day or the morning of that they will not be attending on a Saturday, as Saturdays are extremely busy in the student clinic
- 6 Students must be on time, as tardiness inhibits the learning process. Students who are late for theory class may not enter the classroom and will not receive theory credit. Students who are late for a specialty class or a guest artist class may attend the class, but must be accompanied into the classroom by an instructor. Students are never excused from mandatory theory or specialty class to work in the clinic.
- 7 Students who are late or cannot attend school must contact the school and talk to the school service desk immediately.
- 8 Full-time students are required to be in attendance a minimum of 6.5 hours per day, 33.5 hours per week, Part-time day students are required to be in attendance a minimum of 8.5 hours per day and 7.5 hours every other Saturday, minimum of 25.5 hours per week (Tues-Thurs), and part-time night students are required to be in attendance 3.75 hours per day (M-TH) and 7.5 hours per day (Sat), 22.5 hours per week. Holidays such as Thanksgiving, Christmas, and New Year's Day will be set according to the calendar each year.
- 9 Lunches and breaks are scheduled for all students. All students will take 30 minutes for lunch between 12:00 noon and 1:30 PM, if possible. Students should communicate with their instructor if they have not had lunch by 1:30 PM.

Observe the appropriate breaks for your school schedule. Breaks are as follows:

Student Schedule	Breaks	Lunch
10 or more hr/day	10 min. in the morning & 10 min in the afternoon	30 min.
8 or 7 1/2 hr/day	10 min. in the morning & 10 min in the afternoon	30 min.
6 hr/day	10 min. in the morning & 10 min in afternoon	n/a
3.75 or more hr/day	n/a	30 min.

- 10 Documentation of time: Students may not leave the school premises during regular hours without an instructor's permission.
 - a. Students who leave school premises for more than 10 minutes or those who leave early must document their time by clocking out on the time clock, signing the sign-out sheet, and having an instructor book them out.
 - b. Students who leave school premises for less than 10 minutes must clock out on the time clock.
- 11 Students may not clock in or out for another student.

- 12 Students must keep a record of all services each day on the “service tracking sheet,” which must be completed daily and turned in every month.
- 13 Students attend Core the first 6-9 weeks of enrollment. During this time the student must maintain a monthly attendance of 90%. If at the conclusion of the month, the student’s progress report is not 90% attendance, the student may be dropped from the program and asked to re-enroll in the next class start date.
- 14 Students must meet an 90% cumulative attendance to meet Satisfactory Progress. This leaves a 10% amount of time that they will be allowed to use for other emergencies such as sickness, doctor’s appointments, and emergencies with family members, and/or personal matters needed to be taken care of by the student. Students do not need to bring in doctor’s notes, lawyer or court documents, etc., as they may miss and make up 10% of the program clock hours for any needs that they may have. Any extended period of time should be referred to our Leave of Absence Policy if it is applicable under the LOA policy.
- 15 Students having problems with attendance (absences or tardiness) will be put on a probationary period as described in the attendance policy section. If a student fails to maintain or correct attendance problems within the stated time frame, the student shall consequently terminate themselves from the school at the conclusion of the probationary period.

Professional Image: A professional image is a requirement for successful participation in school. Students must maintain the following professional dress code:

- 1 Core and Phase One students must wear all black.
- 2 Phase Two students may wear 25% white so that they may distinguish themselves as advanced.
- 3 Clothing must be professional, clean, and free of stains and tears.
- 4 Shoes should be professional and comfortable for all students.
- 5 Hair must be clean and styled prior to arriving at school. Headbands of any color other than black are not acceptable.

There will be a \$2.00 charge for any name tags lost, as the students must wear these on a daily basis. The student may pay that charge immediately or the school will add it to their balance.
- 9 Students who fail to comply with the professional dress code will be asked to leave and return with appropriate attire.

Sanitation and Personal Services

- ① Students must keep workstations and classroom areas clean, sanitary, and clutter-free at all times.
- ② Students must clean their stations, including sweeping the floor, after each service.
- ③ Hair must be swept up immediately after a service is completed, before blow-drying.
- ④ Workstations must be cleaned at the end of the day, prior to clocking out for the day.
- ⑤ Students may have their hair done once a month on designated days. To receive a service, students must do the following prior to starting the service:
 - a. Notify an instructor..
 - b. Be scheduled off the service books the week before.
 - c. Pay for service supplies including perms, color, lightener, rinses, conditioning, treatments, manicures, nails, etc prior to any service performed.
 - d. Personal services are considered rewards and scheduled for students who are up to date with all projects, exams, and worksheets, as well as have a minimum attendance rate of 90%. School assignments and successful learning are the priority.
- ⑥ Students may work on their own or another student's hair only on a designated day with permission from instructor. Also, each student may have his/her hair done only once a month in order to give other students the same opportunity. Any student working on another student that day may not have his/her own hair worked on because that would then take up the entire day or evening for that student. Students wishing to get their hair done on a day that is not hair day must clock out and pay full price for the service.

Communication Guidelines and Professional Conduct

CODES OF PRACTICE

Codes of Practice are guidelines designed to promote an efficient, effective and pleasant educational atmosphere. By becoming aware of what we expect from you and what you can expect from us, we hope to eliminate any misunderstandings that would serve to make your tenure with us any less than the great experience we know it can be.

The following actions may be inspected for a coaching session:

POLICIES AND PROCEDURES FOR STUDENTS WITH DISABILITIES

- ① **Accommodation Procedures for Students with Disabilities**
- ② **Grievance Procedures for Students who have Complaints on the Basis of Disability**

① **Accommodation Procedures for Students with Disabilities**

Non-Discrimination Policy — It is the policy of Paul Mitchell The School to comply with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act which are Federal laws that prohibit discrimination on the basis of disability. Paul Mitchell The School does not discriminate on the basis of disability against a qualified person with a disability in regard to application, acceptance, grading, advancement, training, discipline, graduation, or any other aspect related to a student's participation in a program of Paul Mitchell The School. This applies to all students and applicants for admission to The School. Paul Mitchell The School will provide reasonable accommodations to students with disabilities.

Definition of an Individual with a Disability — An *individual with a disability* is a person who has a physical or mental impairment which substantially limits one or more major life activities of the individual. These persons are protected by Section 504 of the Rehabilitation Act and the Americans with Disabilities Act (ADA). Individuals with a record of such an impairment and individuals who are regarded as having such an impairment are also protected by these Federal laws. The definition of "disability" in Section 504 and the ADA should be interpreted to allow for broad coverage.

The phrase *physical impairment* means a physiological disorder or condition, a cosmetic disfigurement, or an anatomical loss, that affects one or more of the following body systems: neurological; musculoskeletal; special sense organs (which would include speech organs that are not respiratory such as vocal cords, soft palate, tongue, etc.); respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine. Examples include, but are not limited to, orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, HIV disease (symptomatic or asymptomatic), tuberculosis, drug addiction, and alcoholism.

The phrase *mental impairment* means any mental or psychological disorder, including but not limited to, mental retardation, organic brain syndrome, emotional or mental illness, specific learning disabilities, post-traumatic stress disorder, depression and bi-polar disorder. The phrase substantially limits must be interpreted without regard to the ameliorative effects of mitigating measures, other than ordinary eyeglasses or contact lenses. Mitigating measures are things like medications, prosthetic devices, assistive devices, or learned behavioral or adaptive neurological modifications that an individual may use to eliminate or reduce the effects of an impairment. These measures cannot be considered when determining whether a person has a substantially limiting impairment. An impairment that is episodic or in remission is a disability if, when in an active phase, it would substantially limit a major life activity. For example, a student with bipolar disorder would be covered if, during manic or depressive episodes, the student is substantially limited in a major life activity (e.g., thinking, concentrating, neurological function, or brain function).

The phrase *major life activities* means functions such as caring for one's self, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating and working. Major life activities also includes major bodily functions such as functions of the immune system, normal cell growth, and digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

The School's Responsibilities to Students with Disabilities

The School must provide *academic adjustments*, *auxiliary aids* and *reasonable accommodations* to students with disabilities, that are necessary to ensure students are not denied the benefits of, or excluded from participation in, The School's program. The School must make modifications to its academic requirements that are necessary to ensure that the requirements do not discriminate against students with disabilities. The School must ensure that it provides physical access to students with disabilities. It is also the responsibility of Paul Mitchell The School to permit students with disabilities to use service dogs on each campus.

The person responsible for implementing these responsibilities at Paul Mitchell The School - Jessup Campus is: German Ruiz; ADA Compliance Coordinator; 7351 Assateague Dr., Jessup, MD 20794; (443) 661-4173; german.ruiz@hairex.com. When a student informs a School staff member that the student is disabled, or needs accommodations or assistance due to disability, the staff member will refer the Student to The School's ADA Compliance Coordinator.

Procedures for Students and The School

Documentation of disability by students — Students with disabilities who wish to request reasonable accommodations (including academic adjustments, auxiliary aids, or modifications) must contact the ADA Compliance Coordinator named above for their campus. Students must provide documentation of disability from an appropriate professional, which depends on the nature of the disability. For example, a student with a psychological disability should provide documentation from a psychologist, psychiatrist or social worker.

This documentation may be the student's existing medical records, or reports created by the student's medical provider or an appropriate professional who conducts an assessment of the student. It may be documentation from the student's past educational records such as reports from teachers or school psychologists, or records that show the student's educational history, disability assessment, and the accommodations the student previously received. It may be records from the state department of rehabilitation or the U.S. Department of Veterans Affairs. Documentation should be current and relevant, but that does not mean that a recent report or record is needed in all cases. Some disabilities are stable lifelong conditions and historic documentation will be sufficient. Some disabilities are readily apparent and observable and thus little or no documentation will be needed.

The documentation of disability is kept at all times in a locked, private file at The School. To protect privacy, direct access to this documentation is by written consent only. The ADA Compliance Coordinator will determine what information needs to be shared with Paul Mitchell The School staff and Instructors, on an "as needed basis," in order to facilitate academic accommodations or other services.

Student requests for accommodations and interactive discussion with ADA Compliance Coordinator — Students who plan to request accommodations should contact the ADA Compliance Coordinator promptly, so there is time for the Coordinator to review the student's documentation and discuss accommodations with the student before the student begins the class or program for which the accommodation is being requested. When a student contacts the Coordinator, the Coordinator will keep a record of the dates and contacts with the student, including a record of the accommodations requested by the student. Students who have questions about the type of documentation they need to provide should contact the Coordinator to discuss this.

The student and the ADA Compliance Coordinator will discuss how the student's impairment impacts the student, how the student expects the impairment to impact the student in The School's program, the types of accommodations the student has previously received (if any), and the accommodations being requested by the student from The School. The Coordinator and the student should discuss accommodations needed during all phases of the program (Core, Adaptive and Creative), and for classroom instruction, skills based instruction and skills practice.

The documentation (or observation) must show the nature of the student's disability and how it limits a major life activity. The accommodations requested by the student should be related to these limitations. There are no pre-set accommodations for specific disabilities. Instead, the Coordinator and the student must discuss and determine what the student's limitations are, and how they can be accommodated.

Here are some examples:

- A student with an orthopedic disability may need cushioned floor mats and scheduled times to sit down. These students may also need particular kinds of chairs.
- A student with a learning disability or attention deficit disorder may need extra time to take tests, such as ninety minutes to take a test instead of the sixty minutes allowed to other students. These students may need to take their tests in a location that is quiet and has no distractions, such as an office rather than the classroom.
- A student with a learning disability or psychological disability may need a note taker, a copy of the instructor's notes or presentation, or to use a tape recorder during instruction.
- A student with post-traumatic stress disorder or an anxiety disorder may need to take periodic leaves of absence, or may need to structure their program so that it is scheduled over a longer period of time than usual. These students may need to take breaks in a quiet room during skills practice.
- A student with a hearing impairment may need instructors to use voice amplification systems, or may need the School to provide a sign language interpreter.
- A student with diabetes may need periodic breaks to check his or her blood sugar level.

Decision about accommodations, and ensuring implementation of accommodations — The ADA Compliance Coordinator will decide the accommodations to be provided to the student. The Coordinator will consider any past accommodations that have been effective for the student, and will give primary consideration to the type of accommodation requested by the student. Alternate accommodations may be provided if there is an alternative accommodation that would be equally effective for the student.

The Coordinator will make a decision no later than two weeks after the student states the request for an accommodation. If the student does not submit documentation of a disability at the time the student requests an accommodation, the Coordinator will make a decision no later than two weeks after the student provides the documentation.

The Coordinator will list the approved accommodations in writing and provide this to the student. The Coordinator will inform the appropriate Instructors and school staff of the accommodations they are responsible for providing to the student, how to provide the accommodations, and when to provide the accommodations. The Coordinator will keep a written record of these contacts about the student's accommodations. The Coordinator will verify that the accommodations are being implemented for the student through direct observation, report by the student, and/or documentation from The School staff. If the student informs the Coordinator that an accommodation is not being fully implemented, the Coordinator will immediately intervene with relevant staff members to ensure the accommodation is provided to the student.

After accommodations have been approved for a student, the Coordinator will make an appointment with the student for a time when the student's program is expected to change. The purpose of the appointment is to determine whether the student's accommodations should be changed when the student's program phase changes, or the type of instruction changes.

Additional factors — The School is not obligated to provide accommodations that would result in a fundamental alteration of The School's program. In this case, the Coordinator will promptly search for an equally effective alternate accommodation for the student that would not fundamentally alter the program. The Coordinator will offer the alternate accommodation to the student.

The School is not obligated to provide accommodations that would result in an undue financial or administrative burden on The School. If the Coordinator decides that a requested accommodation might impose such a burden, the Coordinator will discuss the issue with The School owner, who will take into account the overall financial resources of The School. The School owner will make the final decision, in accord with the requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act. If The School owner determines that the requested accommodation would be an undue burden, the Coordinator will promptly search for an equally effective alternate accommodation for the student and offer the alternate accommodation to the student.

Appeals by Students

A student may appeal any accommodation decision made by the ADA Compliance Coordinator if the student disagrees with the decision. Here are some examples: A student may appeal the Coordinator's decision to deny a requested accommodation. A student may appeal a decision by the Coordinator to provide an alternate accommodation rather than the specific accommodation requested by a student. A student may appeal a decision by the Coordinator that the student has not presented sufficient documentation to support the requested accommodation. A student may also file an appeal when a school staff member fails to provide an approved accommodation, and the Coordinator has not effectively addressed the situation.

When a student wishes to file an appeal at Paul Mitchell The School - Jessup Campus, the student must notify Ed Ruiz; Owner; 7351 Assateague Dr., Jessup, MD 20794; (443) 661-4173; hairex1@aol.com. The student must explain his/her reasons for disagreeing with the Coordinator's decision, or explain how the student's accommodation is not being implemented, and submit any relevant documentation.

Within five calendar days of receiving a student's appeal the Director will meet with the student and the Coordinator to discuss the issues presented by the student's appeal. If appropriate, the Director will also discuss the issues with other School staff members.

When a student appeals a decision made by the Coordinator, the Director will determine whether the Coordinator's decision should be revised or remain the same. If the decision is revised, the Director will ensure that the revised decision is implemented.

When a student files an appeal on the basis that an approved accommodation is not being implemented, the Director will determine whether the accommodation is being fully implemented, and if it is not, ensure that the accommodation is implemented. The Director will inform the student of the decision in writing no later than fourteen days after receiving the student's appeal.

Training and Mediation Responsibilities of the ADA Compliance Coordinator

The ADA Compliance Coordinator at each campus will deliver disability training sessions for all campus staff members at least once each calendar year. In these training sessions the Coordinator will explain the basic requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act as they apply to The School. The Coordinator will address: The School's responsibility to provide accommodations to students with disabilities; how to appropriately interact with students with particular kinds of disabilities; how to go about implementing accommodations that the Coordinator has approved for students; how to support students with disabilities in The School's programs; that students with disabilities cannot be penalized for using approved accommodations. The Coordinator will keep a record of each training session.

The Coordinator may also provide trainings for students who wish to learn about The School's process for providing accommodations, or about The School's grievance procedures.

To help ensure that future campus staff members and students are aware of The School's policies, the Coordinator will make sure that the Accommodations Procedures and the Grievance Procedures are continually posted at the campus.

The Coordinator will assist students with disabilities who have concerns about implementation of their accommodations or their treatment by The School staff members or other students. At the request of a student, the Coordinator will informally mediate or attempt to resolve issues related to the student's disability. If this informal process does not resolve the student's concerns, the student may file a grievance as described in Section II below.

② Grievance Procedures for Students who have Complaints on the Basis of Disability

Paul Mitchell The School is responsible for providing a grievance procedure to students who feel they have been discriminated against on the basis of disability. The grievance procedure provides students the opportunity to file a complaint. The School then has the responsibility to objectively investigate the allegations in the complaint and determine whether the student has been discriminated against. If The School determines that discrimination occurred, The School must take appropriate steps to correct the discrimination and prevent it from reoccurring.

Grievance complaints — A student may file a grievance if the student feels he or she has been discriminated against because the student is disabled, or because the student is regarded as being disabled, or because the student has a record of being disabled. A student may also file a grievance if the student feels that he or she has been retaliated against for advocacy based on disability. Here are some examples of discrimination:

- An instructor or other students refer to the student in a derogatory way related to the student's disability.
- An instructor generally refers to students with particular types of disability in a derogatory way.
- Other students refuse to work with the student because the student is disabled.
- A School staff member refuses to provide a service to the student that the staff member provides to other students.
- A school staff member takes a negative action toward the student after the student asked for accommodations for a disability.
- A guest presenter at The School makes derogatory statements about students with disabilities, or states that students with disabilities can never be employed in the presenter's field.
- A student's request for accommodation was denied by The School, or an instructor did not implement an accommodation for the student that was approved by The School.

A student must file a grievance complaint within 90 days of the date the discriminatory act occurred, or within 90 days of the end of an informal attempt to resolve the complaint, whichever is later. The complaint must be written. In the complaint, the student must describe what happened and the dates the acts took place, and state who was involved. The student should explain why the student believes the acts were taken based on disability. The student should describe or provide copies of any relevant documents or emails, if available.

A student may ask the Campus ADA Compliance Coordinator to try and informally resolve the student's complaint before the student files a written complaint. However, the student is not required to try informal resolution before filing a written complaint.

All written complaints for Paul Mitchell The School - Jessup must be sent to Ed Ruiz; Owner; 7351 Assateague Dr., Jessup, MD 20794; (443) 661-4173; hairex1@aol.com.

Investigation of the Complaint — When the Director receives a written complaint, the Director will immediately begin an objective investigation. The School has the right to contract with an independent investigator to conduct any investigation. Within seven days, the Director will discuss the allegations in the complaint with the student, and obtain any needed additional information from the student. The Director will obtain from the student the names of any persons the student believes will have relevant information. The Director will gather all information necessary to determine what took place. To do so, the Director will interview any School staff members or students who engaged in the actions or may have witnessed the actions that the student is complaining about. The Director will interview persons that the student stated may have relevant information. The Director will gather any relevant documents such as emails, student work or instructor's records. During the investigation, the Director will disclose the complaint, and confidential information about the student, only to the extent necessary to investigate the allegations of the complaint.

After reviewing all the evidence gathered, the Director will determine whether the student was treated differently from other students based on disability; or whether the student was harassed based on disability; or whether the student was retaliated against because the student advocated on the basis of disability; or whether the student was denied an accommodation that The School should have provided to the student.

Written Decision — The Director will provide the student with a written decision no later than sixty days after the date the student filed the complaint. The decision will state the determination reached by the Director at the conclusion of the investigation, and the reasons the Director reached that determination. If the Director concludes that the student was discriminated against on the basis of disability, the decision will state the types of remedial action that The School has taken or will take to correct the discrimination. The decision will also state how The School will prevent the discriminatory acts from occurring again.

Appeals by Students — If the student who filed the complaint disagrees with the decision made by the Director, or disagrees with the remedial action specified, the student may appeal the decision to The School Owner. Paul Mitchell The School Jessup is committed to providing a work and school environment free of unlawful harassment or discrimination. In furtherance of this commitment, all students and employees are required to take our mandatory Sexual Harassment and Prevention Training upon starting in school and then in January of each year. School policy prohibits harassment or discrimination based on race, religion, creed, color, national origin, ancestry, sex (including pregnancy, childbirth or related medical conditions), military or veteran status, physical or mental disability, medical condition, marital status, age, sexual orientation, gender, gender identity or expression, genetic information or any other basis protected by the federal, state or local law. Additionally, in accordance with Title IX of the Education Amendments of 1972, Paul Mitchell The School Jessup prohibits discrimination based on sex, which includes sexual harassment and sexual violence, and Paul Mitchell The School Jessup has jurisdiction over Title IX complaints.

Paul Mitchell The School Jessup's anti-harassment policy applies to all persons involved in the operation of Paul Mitchell The School Jessup, and prohibits unlawful harassment by any employee of Paul Mitchell The School Jessup, as well as students, customers, third parties, vendors or anyone who does business with Paul Mitchell The School Jessup. It further extends to prohibit unlawful harassment by or against students. Any employee, student or contract worker who violates this policy will be subject to disciplinary action. To the extent a customer, vendor or other person with whom Paul Mitchell The School Jessup does business engages in unlawful harassment or discrimination, Paul Mitchell The School Jessup will take appropriate corrective action. The grievance procedure will provide that complaints may be filed about discrimination in any academic, educational, extracurricular, athletic or other programs operated or sponsored by, or related to, Paul Mitchell The School Jessup, whether the programs take place on the campus of a school, during a school-sponsored field trip, or other off-campus events.

As part of Paul Mitchell The School Jessup's commitment to providing a harassment-free working and learning environment, this policy shall be disseminated to Paul Mitchell The School Jessup community through publications, Paul Mitchell The School Jessup website, new employee orientations, student orientations, and other appropriate channels of communication. Paul Mitchell The School Jessup will provide training to key staff members to enable Paul Mitchell The School Jessup to handle any allegations of discrimination and harassment, including sexual harassment or sexual violence, promptly and effectively. Paul Mitchell The School Jessup will respond quickly to all reports, and will take appropriate action to prevent, to correct, and if necessary, to discipline behavior that violates this policy.

Definitions

Sex Discrimination is defined as treating individuals differently on the basis of sex with regard to any aspect of services, benefits, or opportunities Paul Mitchell The School Jessup provides such as:

- ① Treat a person differently in determining whether he or she satisfies any requirement or condition for the provision of an aid, benefit, or service;
- ② Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;
- ③ Deny any person an aid, benefit, or service
- ④ Subject any person to separate or different rules of behavior, sanctions, or other treatment in providing an aid, benefit, or service
- ⑤ Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person which discriminates on the basis of sex in providing any aid, benefit or service to students or employees;
- ⑥ Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

Sexual Harassment is defined as unwelcome conduct of a sexual nature. It includes unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Sexual harassment is conduct that explicitly or implicitly affects a person's employment or education or interferes with a person's work or educational performance or creates an environment such that a reasonable person would find the conduct intimidating, hostile or offensive.

Sexual Violence is defined as physical sexual acts engaged in without the consent of the other person or when the other person is unable to consent to the activity. Sexual violence includes sexual assault, rape, battery, and sexual coercion; domestic violence; dating violence; and stalking.

Domestic Violence is defined as abuse committed against an adult or a minor who is a spouse or former spouse, cohabitant or former cohabitant, or someone with whom the abuser has a child, has an existing dating or engagement relationship, or has had a former dating or engagement relationship.

Dating Violence is defined as abuse committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.

Sexual Assault occurs when a physical sexual activity is engaged in without the consent of the other person or when the other person is unable to consent to the activity. The activity or conduct may include physical force, violence, threat, or intimidation, ignoring the objections of the other person, causing the other person's intoxication or incapacitation through the use of drugs or alcohol, and taking advantage of the other person's incapacitation (including voluntary intoxication).

Stalking is behavior in which a person repeatedly engages in conduct directed at a specific person that places that person in reasonable fear of his or her safety or the safety of others.

Consent is informed, voluntary and revocable. Consent is an affirmative, unambiguous, and conscious decision by each participant to engage in mutually agreed-upon sexual activity. It must be given without coercion, force, threats or intimidation. Consent must be ongoing throughout a sexual encounter and can be revoked at any time. Once consent is withdrawn, the sexual activity must stop immediately.

Prohibited Conduct

This policy strictly prohibits sexual or other unlawful harassment or discrimination as well as sexual violence, as defined above. Sexual or other unlawful harassment or discrimination includes any verbal, physical or visual conduct based on sex, race, age, national origin, disability, color or any other legally protected basis if:

- ① submission to such conduct is made either explicitly or implicitly a term or condition of an individual's education or employment;
- ② submission to or rejection of such conduct by an individual is used as a basis for decisions concerning that individual's education or employment; or
- ③ it creates a hostile or offensive environment, which means the alleged conduct is sufficiently serious to limit or deny a student's or ability to participate or benefit from the student's education program.

Unlawful harassment or discrimination may include racial epithets, slurs and derogatory remarks, stereotypes, jokes, posters or cartoons based on race, national origin, age, disability, marital status, sex or other legally protected categories.

Sexual harassment is conduct based on sex, whether directed towards a person of the opposite or same sex, and may include explicit sexual propositions, sexual innuendo, suggestive comments, sexually oriented "kidding" or "teasing", practical jokes, jokes about or displays of obscene printed or visual material, questions about sexual fantasies, preferences or history, and physical contact such as patting, pinching, or intentionally brushing against another person's body. Gender-based harassment, including acts of verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping are strictly prohibited, even if those acts do not involve conduct of a sexual nature.

Complaint/Grievance Procedure

The following grievance procedures shall be used to address sex discrimination complaints filed by students/employees or complaints filed on their behalf against employees, other students, or third parties.

If you believe that you have experienced or witnessed harassment or sexual violence, notify your Learning Leader, supervisor, Paul Mitchell The School Jessup Owner, or the Title IX Coordinator as soon as possible after the incident. Do not allow an inappropriate situation to continue by not reporting it, regardless of who is creating the situation. No employee, contract worker, student, vendor or other person who does business with Paul Mitchell The School Jessup is exempt from the prohibitions in this policy. Supervisors will refer all harassment complaints to the Title IX Coordinator for student-related complaints and to Paul Mitchell The School Jessup Owner if the complaint involves an employee. In order to facilitate the investigation, your complaint should include details of the incident or incidents, names of the individuals involved and names of any witnesses. A sex discrimination complaint should be filed within 180 days from the date of the alleged discriminatory incident. Upon receiving any report of discrimination, including harassment, regardless of the filing date or when the school receives notice, the school will take steps to prevent recurrence of discrimination and correct its discriminatory effects on the student, and on others, if appropriate. All documentation pertaining to the complaint/grievance will be confidential. The complaint/grievance once received will be maintained in the student's and/or employee's permanent file, which has limited staff access, this includes verbal complaints.

All complaints involving a student will be referred to the campus's Title IX Coordinator. The Title IX Coordinator is listed below and has the responsibility of overseeing all Title IX complaints and identifying and addressing any patterns or systemic problems that arise during the review of such complaints.

The Grievant/Complainant may use the Title IX Grievance Form, but it is not required, to file a Title IX discrimination complaint.

Title IX Coordinator:

 Jessup, MD 20794
 sharon@hairex.com

School Owner: (for complaints involving employees)

Ed Ruiz
 7351 Assateague Dr.
 Jessup, MD 20794
 hairex1@aol.com

Paul Mitchell The School Jessup ensures that its employee(s) designated to serve as Title IX Coordinator(s) have adequate training on what constitutes sexual harassment, including sexual violence, and that they understand how Paul Mitchell The School Jessup's grievance procedures operate. Because complaints can also be filed with the School Owner, these employees also receive training on Paul Mitchell The School Jessup's grievance procedures.

Investigation of Complaints

In response to all complaints, Paul Mitchell The School Jessup promises prompt and equitable resolution through a reliable and impartial investigation of complaints, including the opportunity for both parties to present witnesses or other evidence. The time necessary to conduct an investigation will vary based on complexity but will generally be completed within sixty (60) days of receipt of the complaint. If a complainant requests confidentiality, Paul Mitchell The School Jessup will take all reasonable steps to investigate and respond to the complaint consistent with the request. If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, Paul Mitchell The School Jessup will inform the complainant that its ability to respond may be limited.

The preponderance of the evidence standard will apply to investigations, meaning Paul Mitchell The School Jessup will evaluate whether it is more likely than not that the alleged conduct occurred. Both parties will receive written notice of the outcome of the complaint within 60 days of receipt of complaint. Written notice will include:

- ① Whether Paul Mitchell The School Jessup found that the alleged conduct occurred, and whether it constituted discrimination.
- ② Any individual remedies offered or provided to the complainant or any sanctions imposed on the respondent that directly relate to the complainant. The respondent's version will not include individual remedies offered or provided to the complainant unless the remedy directly involves the respondent.
- ③ Any other steps Paul Mitchell The School Jessup took to eliminate the hostile environment, if Paul Mitchell The School Jessup found one to exist, and prevent recurrence.

During the investigation, Paul Mitchell The School Jessup will provide interim measures, as necessary, to protect the safety and wellbeing of students and/or employees involved. Examples of temporary and permanent measures to protect the complainant as necessary are:

- ① No contact order
- ② Change academic situations as appropriate with minimum burden on the complainant
- ③ Counseling
- ④ Health and mental services
- ⑤ Escort services
- ⑥ Academic support
- ⑦ Retake a program or withdraw without penalty

If Paul Mitchell The School Jessup determines that unlawful harassment or sexual violence has occurred, immediate appropriate corrective action will be taken in accordance with the circumstances involved, and Paul Mitchell The School Jessup will take steps to prevent the recurrence of any harassment or discrimination. Any employee determined by Paul Mitchell The School Jessup to be responsible for unlawful harassment or discrimination will be subject to appropriate disciplinary action, up to and including termination.

Remedies for student-related claims may include, but are not limited to, an order to stay away, suspension or expulsion.

To initiate a criminal investigation, reports of sexual violence should be made to "911" or local law enforcement. The criminal process is separate from Paul Mitchell The School Jessup's disciplinary process. To the extent that an employee or contract worker is not satisfied with Paul Mitchell The School Jessup's handling of a harassment or discrimination complaint, he or she may also contact the appropriate state or federal enforcement agency for legal relief.

Paul Mitchell The School Jessup should make appropriate referrals to law enforcement. Paul Mitchell The School Jessup will also notify complainants of the right to proceed with a criminal investigation and a Title IX complaint simultaneously.

Paul Mitchell The School Jessup will not wait for the criminal investigation or criminal proceeding to be concluded before beginning its own investigation.

Retaliation Prohibited

Paul Mitchell The School Jessup prohibits any form of retaliation, intimidation or harassment against any individual who filed or otherwise participated in the filing or investigation of a complaint of discrimination. Any individual who believes he/she has been subjected to retaliation may file a separate complaint under this procedure.

Reporting Requirements

Victims of sexual misconduct should be aware that School administrators must issue timely warnings for incidents reported to them that pose a substantial threat of bodily harm or danger to other members of the campus community. Paul Mitchell The School Jessup will make every effort to ensure that a victim's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the danger. Paul Mitchell The School Jessup reserves the right to notify parents/guardians of dependent students regarding any health or safety risk, or a change in student status.

Additional Information

Paul Mitchell The School Jessup does not allow conflicts of interest (real or perceived) by those handling the procedures. The school does maintain all documentation of any proceeding. The school will inform the students at regular intervals of the status of the investigation. The school will disallow evidence of past relationships.

Employees should contact Paul Mitchell The School Jessup Director for more information or any questions related to this policy. Students may contact the Title IX Coordinator with any questions related to this policy. CONSUMER INFORMATION

Provisions of the Higher Education Amendment of 1976 require that, effective July 1, 1977, each postsecondary institution that receives federal financial aid funds must make certain student consumer information available to any enrolled or prospective students who request such information.

This section compiled by the Paul Mitchell Schools corporate financial aid office staff attempts to meet the requirements.

The school is approved for and participates in Federal Pell Grants, Subsidized Direct loans, Unsubsidized Direct loans, and Parent PLUS loans. Such programs help to defray the costs of attending school for those students eligible for financial aid consideration.

Financial aid is any mechanism that reduces out-of-pocket costs that the students and/or parents must pay to obtain a specific postsecondary education. In other words, financial aid is money made available to help students meet the cost of the program. Financial aid includes grants as well as need and non-need loans.

Need-based financial aid is available to families who demonstrate a financial need for additional resources. The formula below is used to determine a student's financial need:

$$\text{Cost of Attendance} - \text{Expected Family Contribution (EFC)} = \text{Financial Need}$$

Non-need is the difference between the cost of education and financial need.

Based on these calculations, federal financial aid may not cover the full cost of attendance.

All financial aid is awarded to students who qualify based on the following:

- ❶ Criteria making a student ELIGIBLE includes citizen or permanent non-citizen alien recipient codes 1- 151, 1-55 1, and 1-94.
- ❷ Criteria making a student INELIGIBLE includes codes F-1, F-2, J-1, J-2; students who are in federal loan default; students who receive grant overpayments; or male students who meet Selective Service registration criteria, but are not registered.

ALCOHOL AND DRUG-FREE EDUCATIONAL FACILITY POLICY

The School is concerned about the use of alcohol and drugs in the educational facility. This concern is based upon the effect that those substances have on a person's judgment, performance, safety, and health.

The School prohibits the possession, use, or being under the influence of alcohol or an illegal substance on School premises or at a School activity.

This prohibition includes drugs which (a) are not legally obtainable or (b) are legally obtainable but have not been legally obtained. The prohibition also includes prescribed drugs not legally obtained and prescribed drugs not being used for the prescribed purposes.

In order to enforce this policy, the School reserves the right to search all School premises, including classrooms, administrative offices, corridors, storage rooms, and parking lots. The School also reserves the right to search all employee and student property on School premises or at School activities, including but not limited to backpacks, purses, handbags, lockers, and vehicles parked on School property. The School also reserves the right to implement other measures necessary to deter abuse of this policy. Failure or refusal to cooperate may be grounds for disciplinary action, including expulsion from the School or termination for employees.

The School also will not object to law enforcement seeking to search School premises or employees and students, and employee and student property on School property or at School activities.

COPYRIGHT MATERIAL POLICY FOR PAUL MITCHELL THE SCHOOL

All material in this program is, unless otherwise stated, the property of Paul Mitchell The School - Jessup. Reproduction or retransmission of the materials, in whole or in part, in any manner, without the prior written consent of the copyright holder, is a violation of copyright law.

At Paul Mitchell The School - Jessup, we abide by the provisions of the federal Digital Millennium Copyright Act (DMCA), which requires prompt response to claims of copyright infringement by copyright holders or their agents. If the school receives an allegation of copyright infringement based on your use of the school's computers, the matter will be referred to the school director for further investigation. If you are found responsible after meeting with the school director, you are subject to disciplinary action including loss of network access, suspension or termination from school, and/or restitution or community service.

The Internet is an essential tool in everyone's lives for both academic and everyday pursuits. Along with these benefits come responsibilities. One of the most critical is conforming to the copyright laws governing music, movies, games, and software over the Internet. You must have the consent of the copyright holder to make copies.

The consequences of copyright infringement also extend outside of the school. Copyright holders may assess civil liability and even criminal prosecution. Recently, the Recording Industry Association of America (RIAA) has adopted the practice of sending schools pre-litigation settlement letters to be forwarded to individuals offering them "the opportunity to resolve copyright infringement claims against them at a discounted rate." Published reports indicate that the minimum settlement is \$3,000.00 per case.

Another reason to be careful with file-sharing programs is that the installation procedures for most of them enable default open access worldwide to information on your system; thus, the integrity of your computer and personal information can be compromised through illegal file sharing, including making you vulnerable to identity theft.

To facilitate student access to legal sources of music and video online, we have listed a couple of sites below:

- ① **iTunes:** This Apple store works with both Windows and Mac operating systems. Currently, over 99% of their song catalog is "unlocked," meaning you can transfer the songs to any device or computer you own.
- ② **eMusic.com:** This site features mostly independent and jazz/blues music. They offer low prices for signing up (up to 45 songs for free), and a good portion of their catalog can be purchased for about \$0.50 to \$0.89/song.
- ③ **Netflix.com:** For about \$7.99/month, you can set up an online list of over 20,000 movies that can be streamed directly to your computer.

SOCIAL NETWORKING POLICY

Paul Mitchell The School - Jessup respects the rights of students to use social media during their personal time. Social media includes all forms of publicly accessible communications which include, but are not limited to, written and verbal communications (including podcast and video uploads) and all forms of electronic communication including discussion groups, forums, news groups, e-mail distribution, blog postings, and or social networking sites (such as Facebook, MySpace, Twitter, You Tube, Friendster, etc.). Students are personally responsible for the content they publish on social networking sites. Students are expected to treat each other with fairness and respect, consistent with the Paul Mitchell Schools culture.

Paul Mitchell Schools does not permit ethnic slurs, personal insults, obscenity, and intimidation, cyber bullying or engaging in conduct that would be unbecoming of a Paul Mitchell Student and misrepresent Paul Mitchell culture. Paul Mitchell Schools reserves the right to request the removal of any posts at its discretion and take necessary disciplinary action as appropriate.
