FEDERAL RETURN OF TITLE IV FUNDS POLICY

The school participates in federal financial aid. Please refer to the following refund policy for specific consumer information pursuant to the federal financial aid program.

The Federal Return of Title IV funds formula (R2T4) dictates the amount of Federal Title IV aid that must be returned to the federal government by the school and/or the student. The federal formula is applicable to an eligible student receiving federal aid when that student withdraws at any point during the payment period. If a student did not start or begin attendance at the school, the R2T4 formula does not apply.

Official Withdrawal Process: If a student wishes to withdraw from school, they must notify the Financial Aid Leader of the school. The notification may be in writing or orally. The date the notification is received is the date of determination. The Financial Aid Leader must begin the withdrawal process.

Unofficial Withdrawal Process: For unofficial withdrawals a student's withdrawal date at a school that is required to take attendance is their last day of physical attendance. The date of determination is 14 days after they cease attendance.

In both cases the last day of attendance will be used in the return to Title IV calculation.

The federal formula requires a Return of Title IV calculation if the student received or could have received (based on eligibility criteria) federal financial assistance in the form of Pell Grants, and Direct Loans or Direct PLUS Loans during the payment period. The percentage of Title IV aid earned is equal to the percentage of the payment period that was completed as of the withdrawal date if this occurs on or before the 60% point of time. After the 60% point of the payment period (or period of enrollment depending on what the school uses) the student is considered to have earned 100% of the aid for the period. The percentage that has not been earned is calculated by subtracting the percentage of Title IV aid earned from 100%.

The percentage of the payment period completed is calculated by the hours scheduled in the payment period as of the withdrawal date divided by the scheduled hours in the payment period.

The amount to be returned is calculated by subtracting the amount of Title IV assistance earned from the amount of Title IV aid that was or could have been disbursed as of the withdrawal date.

Post Withdrawal Disbursement: If a student receives less Title IV funds than the amount earned, the school will offer the student a disbursement of the earned aid that was not received at the time of their withdrawal which is called a post-withdrawal disbursement. Post-withdrawal disbursements will be made from Pell Grant funds first, if the student is eligible. If there are current educational costs still due the school at the time of withdrawal, a Pell Grant post-withdrawal disbursement will be credited to the student's account. Any remaining Pell funds must be released to the student without the student having to take any action. Any federal loan program funds due in a post-withdrawal disbursement must be offered to the student and the school must receive the student's authorization before crediting their account. The authorization is required to be sent to the student within 30 days of the date the school determined the student's last date of attendance.

Credit Balance: If a credit balance still exists on the student's account after the R2T4 and institutional refund calculations are done, that credit balance must be used to pay any grant overpayment that exists based on the current withdrawal within 14 days from the date that the R2T4 calculation was performed. The overpayment must be eliminated prior to offering a credit balance to a student.

The following Title IV return distribution is used for all FSA students.

- ❶ Unsubsidized Direct Loan
- ❷ Subsidized Direct Loan
- ❸ Direct PLUS Loan (Parent)
- ❹ Federal Pell Grant

Returns must be made as soon as possible to the federal programs but no later than 45 days after the date of determination. (unless the school uses less days based on a state, accrediting agency or institutional requirement)

The law requires that a student is responsible for all unearned Title IV program assistance that the school is not required to return. This is determined by subtracting the amount returned by the school from the total amount of unearned Title IV funds to be returned.

Overpayment of Title IV, HEA Funds — Any amount of unearned grant funds that you must return is called overpayment. The amount of grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. A student who owes an overpayment remains eligible for Title IV, HEA program funds through and beyond the earlier of 45 days from the date the school sends a notification to the student of overpayment, or 45 days from the date the school was required to notify the student of the overpayment if, during those 45 days the student:

- ❶ Repays the overpayment in full to the school;
- ❶ Enters into a repayment agreement with the school in accordance with repayment arrangements satisfactory to the school; or
- ❶ Signs a repayment agreement with the Department, which will include terms that permit a student to repay the overpayment while maintain his or her eligibility for Title IV, HEA program funds.

Within 30 days of the date of the school's determination that the student withdrew, an institution must send a notice to any student who owes a Title IV, HEA grant overpayment as a result of the student's withdrawal from the school in order to recover the overpayment.

If the student does not repay the overpayment in full to the school, or enter a repayment agreement with the school or the Department within the earlier of 45 days from the date the school sends notification to the student of overpayment, or 45 days from the date the school was required to notify the student of the overpayment.

At any time the student fails to meet the terms of the repayment agreement with the school:

- ❶ The student chooses to enter into a repayment agreement with the Department.
- ❶ The student who owes an overpayment is ineligible for Title IV HEA program funds.

You must make arrangement with the school or Department of Education to return the amount of unearned grant funds.

These outstanding loans consist either of loan funds that student has earned, or unearned loan funds that the school is not responsible for repaying, or both; and they are repaid to the loan holders according to the terms of the borrower's promissory note.

VETERANS REFUND POLICY

In the event that veterans or their eligible persons sponsored as students under Chapters 30, 32, 35 and Title 38 and Chapter 1606 or Title 10 U.S. Code, fail to enter the program or withdraw or are discontinued there from at any time prior to completion, the amount charged for tuition, fees, and other charges shall not exceed the approximate pro rata portion of the total charges for tuition, fees, and other charges that the length of the non-accredited program bears to its total length. A registration fee of \$10.00 need not be refundable at any amount beyond that is subject to proration and refund (CFR 21.4254(c) (13). The prorated portion may not vary more than 10% of the total costs for tuition, fees, and other charges.

SPECIAL PROVISIONS FOR BOOKS AND SUPPLIES

In order to academically succeed in a program, a Federal Pell Grant student must have the ability to purchase books and supplies at the beginning of the academic period. By the seventh day of a payment period, the school will provide a way for a student who is eligible for a Federal Pell Grant to obtain or purchase the books and supplies required for the payment period if:

- ① ten days before the beginning of the payment period, the school could have disbursed FSA funds to the student; and
- ② disbursement of those funds would have created an FSA credit balance.

The school will consider all the FSA funds a student is eligible to receive at the time it makes the determination, but the school need not consider aid from non-FSA sources.

The amount the school must provide is the lesser of the presumed credit balance or the amount determined by the school that the student needs to obtain the books and supplies. In determining the required amount, the school may use the actual costs of books and supplies or the allowance for those materials used in estimating the student's cost of attendance for the period. A student may decline to participate in this process to obtain or purchase books and supplies, if they so choose.

PREFERRED LENDER LIST AND PRIVATE EDUCATION LOAN DISCLOSURES

Our school does not have a list of preferred lenders and we do not offer private education loans.

STUDENT FINANCIAL AID RELEASE

The undersigned agrees that Paul Mitchell The School Columbus and Paul Mitchell The School Cleveland does not guarantee the student loan process in any respect. A Federal Parent Plus loan requires a credit check and is based on the parent's credit. Pre-approval for a Parent Plus loan does not guarantee that the parent will receive a Federal Parent Plus loan. It is critical that the parent be able to pass a credit check when the loan is certified. The school has no control over the approval or decline of a parent's credit history. Nor does the school assume any responsibility for mistakes on any Department of Education financial aid forms. It is up to the student to make sure all forms are accurate and complete.

Federal loan information is available in the National Student Loan Database System (NSLDS) and will be accessible by Servicers and Schools, as authorized.

POLICY FOR VERIFICATION OF TITLE IV FUNDING

The school has policies and procedures that it follows for verification of Title IV funding. Verification is a requirement by the U.S. Department of Education. Students are randomly selected to provide additional information. The school provides students with a verification form so they can collect the necessary information. The school gives the student a 30-day deadline to return the form to the financial office with verification items attached. If verification documents are not submitted by the due date, the student will be placed on a monthly cash pay status until verification is completed. FAME handles our student overpayments and alerts the school so it can make changes to the award packet, which is reported to Common Origination and Disbursement (COD) for the Department of Education.

ELIGIBILITY OF FINANCIAL AID AFTER A DRUG CONVICTION

Students will be given written notice advising them that a conviction of illegal drugs, of any offense, during an enrollment period for which the student was receiving Title IV financial aid will result in the loss of eligibility for any Title IV per HEA Sec. 484(r)(1) and 20 U.S.C. 1091(r)(1). Students whose eligibility has been suspended due to a drug conviction may resume eligibility if they successfully pass two (2) unannounced drug tests conducted by a drug rehabilitation program that complies with criteria established under HEA Sec. 484(r)(2) (20 U.S.C. 1091(r)(2)).

CREDIT BALANCE POLICY

If Title IV disbursements result in a credit balance on the student's account, the Financial Aid office will notify the student. The student has the option to have the school hold the credit balance and can complete an authorization for the school to hold the funds by obtaining an authorization form from the Financial Aid Department. If the student does not want the school to hold their funds, all credit balance disbursements and refunds due to funding source will be processed within 14 days of the credit balance appearing on the student account. Regardless of the chosen option the school will clear all credit balances on a student account by the end of the award year.

MAKEUP HOURS

Students can makeup hours during course times the student is not normally scheduled for attendance. Students may begin attending makeup hours after Core and Protege programs are complete. Make-up time will only be allowed for students until a cumulative attendance percentage 100% is achieved. All makeup hour must be pre-approved by the Financial Aid department.

MAKEUP WORK

Students must complete all required assignments and tests. To accommodate students, makeup test days and worksheet periods are scheduled. Students must complete makeup work at the scheduled time. Monthly makeup test dates are posted on the theory and school calendars.

SATISFACTORY ACADEMIC PROGRESS POLICY

Students enrolled in programs approved by NACCAS must meet formal standards that measure their satisfactory progress toward graduation. The Satisfactory Academic Progress Policy is provided to all students prior to enrollment. The policy is consistently applied to all applicable students. *Evaluations are maintained in the student file.* The school will develop an academic and/or attendance plan to address the specific needs of those students who fail to meet the academic and/or attendance requirements at specific SAP evaluation points. A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

QUANTITATIVE AND QUALITATIVE FACTORS

Factors for measuring the student's progress toward satisfactory completion of the program include maintaining:

- ❶ A minimum cumulative Theory grade level of 80% or higher.
- ❷ A minimum cumulative academic level of 80% or higher on practical worksheet completion.*
- ❸ To determine whether a student meets the academic requirements for Satisfactory progress, theory and practical grades are averaged together to give a cumulative academic grade of 80% or higher.
- ❹ A minimum cumulative attendance of 85% of their scheduled hours**

**To meet the state practical requirements for graduation, students must complete all clinic classroom practical worksheets 100%. See LEARNING PARTICIPATION GUIDELINES.*

***To determine your rate of attendance, divide the cumulative number of hours completed by the scheduled hours to date.*

A student who has not achieved the minimum cumulative GPA of 80% and/or who has not successfully completed at least a cumulative rate of attendance of 85% is not eligible for Title IV assistance, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that resulted in a status of Financial Aid Probation.

COMPLETION OF PROGRAM BY THE CONTRACTED END DATE

Columbus: Full-time day students attend 35 hours per week, Tuesday through Saturday, five (5) days, 9:00 a.m. to 4:30 p.m. 3 day students attend 30 hours per week, Tuesday through Thursday, three (3) days, 9:00 a.m. to 8:00 p.m.

Cleveland: Full-time day students attend 35 hours per week, Tuesday through Saturday, five (5) days, 9:00 a.m. to 4:30 p.m. 3 day students attend 30 hours per week, Tuesday through Thursday, three (3) days, 9:00 a.m. to 8:00 p.m.

Students are expected to complete their program within the contracted end date.

Cosmetology students who are absent for 150 clock hours will complete the 1500 clock hour program within the scheduled amount of time under their enrollment contract.

Scheduled hours are not impacted by school closings, such as snow days, etc. If a student is impacted by any of these occurrences, their actual program end date will be adjusted according to the contract.

If a student's scheduled contract end date has expired and the student has not completed the required 1500 clock hours, the student will be withdrawn from the program. At that time the student can re-enroll in the program for the remaining clock hours under a new contract and additional costs.

MAXIMUM TIME FRAME

Students must complete the educational program within the maximum time frame, which is based on attending at least 85% of the scheduled hours.

COURSE	LENGTH	MAXIMUM TIME FRAME
Cosmetology - Full Time	43 Weeks	50 Weeks
Cosmetology – 3 Day Full Time	50 Weeks	59 Weeks

The maximum time frame allowed for transfer students who need less than full course requirements or part-time students will be determined based on 85% of the scheduled contracted hours. If any student enrolled fails to complete the program within the maximum time frame they will lose their eligibility for Title IV programs, if applicable, but they will be able to complete the program on a cash pay basis. Whether a student pays out of pocket or receives Title IV Financial aid all hours attempted and completes are considered part of the Satisfactory Academic Progress calculation. For students with a disability that appeal, the student's disability will be considered as a factor towards maintaining Satisfactory Academic Progress.

LEAVE OF ABSENCE

An authorized leave of absence will extend the student's contract end date and maximum time frame by the same number of days taken in the leave of absence. Paul Mitchell The School Columbus and Paul Mitchell The School Cleveland Executive Director of Compliance must approve a leave of absence. According to Federal Regulations (682.605, section c), students who leave school for any period of time, but plan to return, are considered to be on a leave of absence. In order to comply with federal regulations, a leave of absence request form must be completed and submitted to the financial aid office. The following criteria must be met:

- 1 Students must apply in advance for a leave of absence, unless there are unforeseen circumstances.
- 2 Leaves must be approved by the Director of Compliance.
- 3 The leave cannot be longer than 180 calendar days.
- 4 Students are allowed only one leave for every 12 month period, unless there are unforeseen circumstances.
- 5 Students must return to school on scheduled return date. If a student does not return on scheduled return date, they will be terminated from the program.

A student returning from an authorized leave of absence will return to school at the same satisfactory progress status prior to his/her leave. Leave of Absence extends the student's contract period and maximum time frame by the same number of days taken in the leave of absence. Any student failing to return from an approved leave of absence will be considered to have withdrawn from Paul Mitchell The School Columbus and Paul Mitchell The School Cleveland effective the scheduled return date.

The Financial Aid Leader will be notified and all funding will be put on hold until the Future Professional returns. If they have received a Federal loan, the grace period begins retroactive to their last day in school. When a student takes a Leave of Absence; the contract end date is amended. To calculate the new contract end date, the amount of the days of the Leave of Absence and any holidays in which the school is closed, are added onto the contract end date. Students who withdraw prior to completion of the course of study and wish to re-enter within six months of the original formal withdrawal date will re-enter at the same progress status as applicable at the time of withdrawal. Course incompletes, repetitions, and non- credit remedial courses have no effect upon the school's satisfactory progress standards. A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

INTERRUPTIONS, COURSE INCOMPLETES, AND WITHDRAWALS

If the student needs to take off more time than allotted in the contract or more than 14 consecutive calendar days, he/she must take a leave of absence or withdraw and reenroll when ready to return. If a student needs more than 14 consecutive calendar days of time off due to pregnancy/new mother, and/or military duty then the student should take a leave of absence. Students who withdraw prior to completing the course of study and who wish to reenter will reenter at the same progress status as applicable at the time of withdrawal.

Any Future Professional that withdraws from their contracted course or fails to complete his/her training will have a notice placed in their file to show the progress at the point of their withdrawal.

A Future Professional may apply for re-admittance to Paul Mitchell The School Columbus and Paul Mitchell The School Cleveland after a 30 day calendar period has passed from the date of their withdrawal. Re-admittance is based upon the following:

- ❶ Any financial obligations must be met from previous enrollment.
- ❷ The Future Professional will be charged per hour for the remaining hours needed to complete the 1500 hour program.
- ❸ Personal interview with Paul Mitchell The School Columbus or Paul Mitchell The School Cleveland School Director to determine compliance for re-entry.
- ❹ Re-admittance fee of \$100.00.
- ❺ The Future Professional will be re-enrolled at the same academic status that they discontinued with.
- ❻ The Future Professional will be on (re-admittance) probation for thirty (30) days during which time he/she will need to strictly abide by all policies, rules and regulations. They cannot receive special financing funds until all satisfactory progress requirements are met. If he or she can not comply with the satisfactory progress requirements that have been mentioned above, it will become grounds for termination.

NONCREDIT, REMEDIAL COURSE, AND REPETITIONS

Course incompletes, repetitions, and noncredit remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

MAJORS, DEGREES, SECOND DEGREE, OR SUMMER TERMS

Majors, degrees, second degrees, or summer terms does not apply to Paul Mitchell The School Columbus and Paul Mitchell The School Cleveland.

EVALUATION PROCEDURES AND REQUIRED LEVEL OF ACHIEVEMENT

Formal Satisfactory Progress Evaluations in both attendance and academics will occur when cosmetology students reach 450, 900, and 1200 *actual hours*. The first evaluation will occur no later than the midpoint of the academic year.

The student's attendance will be evaluated at Institutional Attendance checkpoints of every 150 actual hours. A student who is not maintaining at least a 85% attendance will be placed on Institutional Attendance Warning status until the next Institutional Attendance checkpoint. The student will be advised in writing on the actions required to attain Institutional Attendance by the next evaluation. If at the end of the Institutional Attendance warning period, the student has still not met attendance requirements, he/she may be dropped from the program with the right to appeal.

Cosmetology Program Actual Hour Check Points

150	300	450	600	750
900	1050	1200	1350	1500

The following grading system is used to evaluate a student's academic ability:

- 1 Examinations are given in all subjects.
- 2 Grades and attendance (Satisfactory Academic Progress) records are reviewed and signed by the student and maintained in the student's financial file. The Satisfactory Academic Progress will reflect if the student evaluation will impact the students eligibility for Financial Aid. The student may request to review their financial aid file from the Financial Aid Leader or Director.

The following grading scale is used for theory progress:

A = 94 – 100% B = 93 – 88% C = 87 – 80% Failing = Below 80%

Practical and clinical work is graded by a signature on the student's practical clinic worksheet or guest ticket. A signature from an instructor represents a passing grade which means all elements of the practical grading criteria were met. No signature indicates a failing score which means one or more of the practical grading criteria elements were not met and the student has not met minimum satisfactory standards on the practical application. Students are required to continue and/or repeat the practical application until they receive a signature from an instructor.

**The school uses a 900-hour academic year for Title IV purposes.*

ACADEMIC AND ATTENDANCE EVALUATION CHECK POINTS FOR VA STUDENTS

Students receiving VA benefits will be evaluated every 150 scheduled hours which are non-cumulative based on the school's standard of 80% academics and 85% attendance. Students, who are not meeting the set standard of academics and attendance at the first evaluation point, will be given a warning. If at the next evaluation point the student is not meeting the academic and attendance standard, they will be placed on probation. Students who fail to meet the set academic and attendance standard at the third evaluation point, will be terminated from the school.

Please refer to the appeal procedure in the catalog.

TRANSFER HOURS

Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on actual contracted hours at the institution. For transfer students attending less than a full academic year, an evaluation will be done at the midpoint of the actual hours.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory progress until the next scheduled evaluation.

WARNING

Students failing to meet minimum requirements for attendance and/or academic progress will be placed on Financial Aid Warning and considered to be making satisfactory academic progress during the warning period which is until the next evaluation period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. During the Financial Aid Warning period, students are eligible, if applicable, to receive financial aid funds. If at the end of the warning period, the student has still not met both academic and/or attendance requirements, he/she may be placed on probation and, if applicable, the student may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet the minimum requirements for attendance and/or academic progress after the Warning period, the student will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal.

Additionally, only students who have the ability to meet satisfactory academic progress policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period or the institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum timeframe established for the individual student. Students who are progressing according to their specific academic plan will be considered making satisfactory academic progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or set forth by the academic plan, the student will be determined as NOT making satisfactory academic progress, and if applicable, the student will not be deemed eligible to receive Title IV funds.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS *for those who qualify*

Students may re-establish satisfactory academic progress and Title IV funding, as applicable, by meeting the minimum attendance and academic requirements by the end of the warning or probationary period.

APPEAL PROCEDURE

A student may appeal the Financial Aid ineligible decision if he/she has a reason for not making satisfactory progress and if he/she can document that the circumstances that caused the unsatisfactory academic progress determination have in some way changed and that satisfactory academic progress standard can be met by the end of the next evaluation period. A student has five (5) calendar days from the date of notification that they are not meeting the second consecutive satisfactory progress determination to appeal the unsatisfactory academic progress determination. The student must submit a written appeal to the school's financial aid office on the designated schools Appeal Form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve satisfactory academic progress by the next evaluation point.

The reasons for which a student may appeal a negative progress determination include death of a relative, an injury or illness of the student, a student's disability, or any other allowable special or mitigating circumstances.

The Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student's file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

If the appeal is granted the student will be placed on Financial Aid Probation for one evaluation period. If the student has not met academic and/or attendance requirements for two (2) consecutive evaluation periods, for example 450 to 900 actual hours evaluations; and does not prevail on appeal, the student will be determined as not making satisfactory progress and may be terminated.

This policy applies to all students regardless of whether or not they are eligible for Title IV funding programs. In order to comply with USDE requirements the terminology financial aid warning or financial aid probation will be used for both Title IV and non-Title IV students.

TERMINATION APPEAL PROCEDURE

If a student is terminated due to receiving the maximum amount of coaching sessions, or due to the reasons outlined under termination on the Student Advisory Form, the student may appeal the termination decision. A student has five (5) calendar days from the date of termination to appeal the decision. The student must submit a written appeal to the school's Future Professional Advisor on the schools Termination Appeal Form describing why they were terminated, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to continue through the program without incident.

An appeal hearing will take place within 15 business days of receipt of the written appeal. This hearing will be attended by the student, parent/guardian (if the student is a dependent minor), the Future Professional Advisor, the school Director, and the Director of Compliance and/or Director of Financial Aid. A decision on the student's appeal will be made within three (3) business days by the Director and will be communicated to the student in writing. This decision will be final.

If a student is terminated for gross misconduct, which includes but is not limited to reporting to school under the influence of alcohol or illegal drugs, cheating, stealing, insubordination, threats, and/or bullying, such termination is final and may not be appealed.

STUDENT RIGHT OF ACCESS AND RECORD RETENTION POLICY

The Family Educational Rights and Privacy Act (FERPA) sets a limit on the disclosure of personally identifiable information from school records and defines the rights of students to review and request changes to the records. FERPA generally gives postsecondary students the rights to:

- ❶ Review their education records,
- ❷ Seek to amend inaccurate information in their records, and
- ❸ Provide consent for the disclosure of their records.

Students (or parents or guardians, if the student is a dependent minor) are guaranteed access to their school records, with a staff member present, within 30 days from the date of the request. Copies of all records can be requested at \$0.20 per page.

General Release of Information

Except under the special conditions described in this policy, a student must provide written consent before the school may disclose personally identifiable information from the student's education records. The written consent must:

- ❶ State the purpose of the disclosure,
- ❷ Specify the records that may be disclosed,
- ❸ Identify the party or class of parties to whom the disclosure may be made, and
- ❹ Be signed and dated.

FERPA Disclosures to Parents

While the rights under FERPA have transferred from a student's parents to the student when the student attends a postsecondary institution, FERPA does permit a school to disclose a student's education records to his or her parents if the student is a dependent student under IRS rules.

Note that the IRS definition of a dependent is quite different from that of a dependent student for Financial Student Aid (FSA) purposes. For IRS purposes, students are dependent if they are listed as dependents on their parent's income tax returns. (If the student is a dependent as defined by the IRS, disclosure may be made to either parent, regardless of which parent claims the student as a dependent.)

A school may disclose information from a student's education records to parents in the case of a health or safety emergency that involves the student, without needing the student's consent.

A school may let parents of students under age 21 know when the student has violated any law or policy concerning the use or possession of alcohol or a controlled substance.

A school official may share with parents information that is based on that official's personal knowledge or observation and that is not based on information contained in an education record.

Release of Information to Regulatory Agencies

Disclosures may be made to authorized representatives of the U.S. Department of Education for audit, evaluation, and enforcement purposes. "Authorized representatives" include employees of the Department, such as employees of the Office of Federal Student Aid, the Office of Postsecondary Education, the Office for Civil Rights, and the National Center for Education Statistics, as well as firms under contract to the Department to perform certain administrative functions or studies.

In addition, disclosure may be made if it is in connection with financial aid that the student has received or applied for. Such a disclosure may only be made if the student's information is needed to determine the amount of the aid, the conditions for the aid, or the student's eligibility for the aid, or to enforce the terms or conditions of the aid.

Paul Mitchell The School Columbus and Paul Mitchell The School Cleveland provides and permits access to student and other school records as required for any accreditation process initiated by the school or by the National Accrediting Commission of Career Arts and Sciences (NACCAS), or in response to a directive of said Commission.

Disclosures in Response to Subpoenas or Court Orders

FERPA permits schools to disclose education records, without the student's consent, to comply with a lawfully issued subpoena or court order.

In most cases, the school must make a reasonable effort to notify the student who is the subject of the subpoena or court order before complying, so the student may seek protective action. However, the school does not have to notify the student if the court or issuing agency has prohibited such disclosure.

The school may also disclose information from education records, without the consent or knowledge of the student, to representatives of the U.S. Department of Justice in response to an ex parte order issued in connection with the investigation of crimes of terrorism.

Disclosures for Other Reasons

There are two FERPA provisions concerning the release of records relating to a crime of violence. One concerns the release to the victim of any outcome involving an alleged crime of violence (34 CFR 34 CFR 99.31[a][13]). A separate provision permits a school to disclose to anyone the final results of any disciplinary hearing against an alleged perpetrator of a crime of violence where that student was found in violation of the school's rules or policies with respect to such crime or offense (34 CFR 99.31[a][14]).

Directory Information

Paul Mitchell The School Columbus and Paul Mitchell The School Cleveland does not publish "directory information" on any student.

Record Maintenance

All requests for releases of information are maintained in the student's file as long as the educational records themselves are kept. Student records are maintained for a minimum of five (5) years for withdrawal students; transcripts of graduates are kept indefinitely.

Amendment to Student Records

Students have the right to seek an amendment to their school records. To seek an amendment, students must meet with the school director and bring any supporting documentation to show that the record is incorrect.

A parent or eligible student may file a written complaint with the Family Policy Compliance Office regarding an alleged violation under the Family Educational Rights and Privacy Act. The Office's address is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW., Washington, DC 20202

PAUL MITCHELL THE SCHOOL COLUMBUS PERFORMANCE STATISTICS/JOB OUTLOOK

Paul Mitchell The School Columbus is accredited by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and recognized by the U.S. Department of Education. Each agency requires schools to provide important information regarding outcome rates in the areas of completion, placement, and licensure; however, each agency requires that we provide outcome rates differently. NACCAS requires schools to list the outcome rates for each main campus and all additional campuses as a whole. In this case, Paul Mitchell The School Columbus is a Main campus. If you have any questions regarding our outcome rates, please see our Admissions Team for assistance.

Paul Mitchell The School Columbus location performance statistics for the calendar year 2016:

Graduation	Placement	Licensure
74.44%	68.69%	89.74%

NACCAS' 2016 Annual Report is derived from a single cohort of students – those scheduled to graduate in 2016. NACCAS' graduation, placement and licensure definitions are described below:

Graduation: Based on all students scheduled to graduate from the program in 2016. The scheduled graduation date is a student's most recent contract end date (i.e., the contract end date after all leaves of absence, schedule changes and re-enrollments have been accounted for). A student may count as a graduate if they have completed all applicable graduation requirements at the institution.

Licensure: Based on graduates from the graduation cohort who sat for all parts of their required licensure exam prior to November 30, 2017. A student in the licensure cohort may count as a "pass" if they pass all required portions of the examination prior to November 30, 2017.

Placement: Based on graduates from the graduation cohort who are eligible for placement. A student may count as placed if they are employed in a field for which their training prepared them prior to November 30, 2017. Students may be excluded from the calculation if they fall into one of the categories listed. In 2016, the school excluded the following number of students* based on each of the following categories:

- ❶ The graduate is deceased 0
- ❶ The graduate is permanently disabled 0
- ❶ The graduate is deployed for military service/duty 0
- ❶ The graduate studied under a student visa and is ineligible for employment in the U.S. 0
- ❶ The graduate continued his/her education at an institution under the same ownership (e.g., a graduate of your cosmetology program subsequently enrolled in the instructor program of an institution under the same ownership) 0

Total Excluded 0

*If fewer than ten students were excluded for any one category, the disclosure will only include the total of all excluded students if that total is at least ten. If the calculation excluded fewer than a total of ten students the institution will state that it excluded students on the basis of each condition, and note that the number of total exclusions were fewer than 10 and therefore cannot be disclosed.

PAUL MITCHELL THE SCHOOL COLUMBUS PROGRAM INTEGRITY

Paul Mitchell The School Columbus is accredited by NACCAS and uses its calculation for student placement based on each program offered. For the most recent gainful employment annual reporting period, the school shows the following data for the **cosmetology program**:

Placement rate	On-time graduation rate	Median Loan Debt
68.69%	3%	2013-2014 N/A 2014-2015 N/A 2015-2016 \$6,568.50

On-time completion is deemed by the U.S. Department of Education as anyone who graduates within the normal completion time. When a student completes their graduation requirements, including all theory and practical assignments, and the required number of clock hours contracted for within their original contracted graduation date, that student is considered to have graduated on-time. If a student delays their graduation for any reason—such as family responsibilities, day care issues, and other life events—and that causes them to graduate after their original contract end date, they are not considered an on-time graduate. Please note that our graduation rates that are provided in the school catalog are based on how many students started the program and how many completed within the reporting period.

STUDENTS RIGHT-TO-KNOW - DEPARTMENT OF EDUCATION RATES (IPEDS)

Graduation
78%

Paul Mitchell The School Columbus must prepare the completion and graduation rate of its certificate - or degree-seeking, first-time, full-time undergraduate students each year. The graduation annual rates are based on the 12-month period that ended August 31 of the prior year. The rates will track the outcomes for students for whom 150% of the normal time for completion or graduation has elapsed. Normal time is the amount of time necessary for a student to complete all requirements for a degree or certificate according to the institution's catalog. These rates are generated from the school student record management system.

NACCAS' 2016 Annual Report is derived from a single cohort of students – those scheduled to graduate in 2016. NACCAS' graduation, placement and licensure definitions are described below:

Graduation: Based on all students scheduled to graduate from the program in 2016. The scheduled graduation date is a student's most recent contract end date (i.e., the contract end date after all leaves of absence, schedule changes and re-enrollments have been accounted for). A student may count as a graduate if they have completed all applicable graduation requirements at the institution.

Licensure: Based on graduates from the graduation cohort who sat for all parts of their required licensure exam prior to November 30, 2017. A student in the licensure cohort may count as a "pass" if they pass all required portions of the examination prior to November 30, 2017.

Placement: Based on graduates from the graduation cohort who are eligible for placement. A student may count as placed if they are employed in a field for which their training prepared them prior to November 30, 2017. Students may be excluded from the calculation if they fall into one of the categories listed. In 2016, the school excluded the following number of students* based on each of the following categories:

- ❶ The graduate is deceased 0
- ❶ The graduate is permanently disabled 0
- ❶ The graduate is deployed for military service/duty 0
- ❶ The graduate studied under a student visa and is ineligible for employment in the U.S. 0
- ❶ The graduate continued his/her education at an institution under the same ownership (e.g., a graduate of your cosmetology program subsequently enrolled in the instructor program of an institution under the same ownership) 0

Total Excluded 0

*If fewer than ten students were excluded for any one category, the disclosure will only include the total of all excluded students if that total is at least ten. If the calculation excluded fewer than a total of ten students the institution will state that it excluded students on the basis of each condition, and note that the number of total exclusions were fewer than 10 and therefore cannot be disclosed.

PAUL MITCHELL THE SCHOOL CLEVELAND PROGRAM INTEGRITY

Paul Mitchell The School Cleveland is accredited by NACCAS and uses its calculation for student placement based on each program offered. For the most recent gainful employment annual reporting period, the school shows the following data for the **cosmetology program**:

Placement rate	On-time graduation rate	Median Loan Debt
73.61%	2%	2013-2014 N/A 2014-2015 N/A 2015-2016 \$9,500.00

On-time completion is deemed by the U.S. Department of Education as anyone who graduates within the normal completion time. When a student completes their graduation requirements, including all theory and practical assignments, and the required number of clock hours contracted for within their original contracted graduation date, that student is considered to have graduated on-time. If a student delays their graduation for any reason—such as family responsibilities, day care issues, and other life events—and that causes them to graduate after their original contract end date, they are not considered an on-time graduate. Please note that our graduation rates that are provided in the school catalog are based on how many students started the program and how many completed within the reporting period.

STUDENTS RIGHT-TO-KNOW - DEPARTMENT OF EDUCATION RATES (IPEDS)

Graduation
78%

Paul Mitchell The School Cleveland must prepare the completion and graduation rate of its certificate- or degree-seeking, first-time, full-time undergraduate students each year. The graduation annual rates are based on the 12-month period that ended August 31 of the prior year. The rates will track the outcomes for students for whom 150% of the normal time for completion or graduation has elapsed. Normal time is the amount of time necessary for a student to complete all requirements for a degree or certificate according to the institution's catalog. These rates are generated from the school student record management system.

STUDENT PROFESSIONAL DEVELOPMENT GUIDELINES

All students must commit to and follow the Student Professional Development Guidelines during their enrollment at Paul Mitchell The School Columbus and Paul Mitchell The School Cleveland. These guidelines were established to assist in creating a safe, focused, and enjoyable learning experience.

Attendance and Documentation of Time

- ❶ The school records attendance in clock hours and gives appropriate attendance credit for all hours attended. The school does not add or deduct attendance hours as a penalty. Attendance is calculated using a computerized time clock. To ensure proper credit for clock hours, full-time students are required to clock in/out: when they arrive at school, when they leave for lunch, when they return from lunch, and when they leave at the end of the day. If a student fails to clock in or out for their schedule on the student time clock, the student will not receive hours. If the student wishes to dispute any hours they feel earned, the student must provide documentation to verify attendance on the missing time form. The documentation would include the student sign in sheet, the specialty class attendance role, and/or the guest service summary.
- ❷ Paul Mitchell The School Columbus is open full-time (days) Tuesday through Saturday, 9:00 a.m. to 4:30 p.m., full-time Tuesday through Thursday, 9:00 a.m. to 8:00 p.m.

- ❻ Students are only allotted 21 hours to miss during Core. If a student misses over the allotted hours they will be terminated from the program, unless there are unforeseen circumstances.
- ❼ **Columbus–Day** Students are required to clock in by 9:00 am. If a student is late for morning theory they must see the Education Leader before being allowed to enter the classroom. Only students with a legitimate excuse for being late will be allowed to enter the classroom. Students arriving later than 10:00 am will not be allowed to clock in for the day.

Only students with a legitimate excuse for being late will be allowed to enter the classroom. Students arriving later than 10:00 am will not be allowed to clock in for the day.
- ❽ Students must be on time, as tardiness inhibits the learning process. Students who are late for a specialty class or a guest artist class may attend the class, but must be accompanied into the classroom by a staff member. Students are never excused from mandatory theory class to work in the clinic.
- ❾ During the contracted enrollment period, applicant student must maintain a 90% attendance average each month in order to complete the program by the contracted end date. The student is allowed to miss 10% of his or her scheduled hours before having to pay extra instructional charges. The student may use the 10% excused absences for vacation, doctor appointments, illness, etc.; however, the student may not be out of school 14 consecutive calendar days or he or she may be terminated.
****Refer to the school enrollment contract for the Enrollment Contract Period definition.**
Please note that if a student misses more than 14 consecutive calendar days, the student may be terminated from the program.
- ❿ Students who are late or cannot attend school must contact the school and talk to the school service desk immediately. Day students must call in by 9:05 a.m.
- ⓫ Students must request time off from school from the Front Desk Coordinator.

- 12 Students are required to be in attendance a minimum of seven (7) hours per day, 35 hours per week for the full-time schedule and ten (10) hours per day, 30 hours per week for the full time 3 day schedule. Holidays such as Thanksgiving, Christmas, and New Year's Day will be set according to the calendar each year.
- 13 Lunches and breaks are scheduled for all students. Day students will take 30 minutes for lunch between 12:00 p.m. and 1:30 p.m. Students should communicate with their instructor if they have not had lunch by 1:30 PM.

Observe the appropriate breaks for your school schedule. Breaks are as follows:

Student Schedule	Breaks	Lunch
7 hr/day	10 min. in the morning & 10 min in the afternoon	30 min.
10 hr/day	10 min. in the morning & 10 min in the afternoon	30 min.

- 14 Documentation of time: Students may not leave the school premises during regular hours without an instructor's permission.
 - a. Students who leave school premises for more than 10 minutes or those who leave early must document their time by clocking out on the time clock, signing the sign-out sheet, and having a staff member book them out.
 - b. Students who leave school premises for less than 10 minutes must sign the sign-out sheet.
 - c. Day students must clock out on the time clock for lunch for 30 minutes every day. Students will not receive credit for the hour if they fail to clock in/out for lunch.
- 15 Students may not clock in or out for another student.
- 16 Students must keep a record of all services each day on the "worksheet" which must be completed daily and turned in every month.
- 17 Students attend Core the first 6 weeks (approximately 210 clock hours) of enrollment. During this time the student must maintain a monthly attendance of 85%. If at the conclusion of the month, the student's progress report is not 85% attendance, the student may be dropped from the program and asked to re-enroll in the next class start date.

POLICIES AND PROCEDURES FOR STUDENTS WITH DISABILITIES

- ❶ **Accommodation Procedures for Students with Disabilities**
- ❷ **Grievance Procedures for Students who have Complaints on the Basis of Disability**

❶ **Accommodation Procedures for Students with Disabilities**

Non-Discrimination Policy — It is the policy of Paul Mitchell The School Columbus and Paul Mitchell The School Cleveland to comply with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act which are Federal laws that prohibit discrimination on the basis of disability. Paul Mitchell The School Columbus and Paul Mitchell The School Cleveland does not discriminate on the basis of disability against a qualified person with a disability in regard to application, acceptance, grading, advancement, training, discipline, graduation, or any other aspect related to a student's participation in a program of Paul Mitchell The School Columbus and Paul Mitchell The School Cleveland. This applies to all students and applicants for admission to The School. Paul Mitchell The School Columbus and Paul Mitchell The School Cleveland will provide reasonable accommodations to students with disabilities.

Definition of an Individual with a Disability — An *individual with a disability* is a person who has a physical or mental impairment which substantially limits one or more major life activities of the individual. These persons are protected by Section 504 of the Rehabilitation Act and the Americans with Disabilities Act (ADA). Individuals with a record of such an impairment and individuals who are regarded as having such an impairment are also protected by these Federal laws. The definition of "disability" in Section 504 and the ADA should be interpreted to allow for broad coverage.

The phrase *physical impairment* means a physiological disorder or condition, a cosmetic disfigurement, or an anatomical loss, that affects one or more of the following body systems: neurological; musculoskeletal; special sense organs (which would include speech organs that are not respiratory such as vocal cords, soft palate, tongue, etc.); respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine. Examples include, but are not limited to, orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, HIV disease (symptomatic or asymptomatic), tuberculosis, drug addiction, and alcoholism.

The phrase *mental impairment* means any mental or psychological disorder, including but not limited to, mental retardation, organic brain syndrome, emotional or mental illness, specific learning disabilities, post-traumatic stress disorder, depression and bi-polar disorder. The phrase substantially limits must be interpreted without regard to the ameliorative effects of mitigating measures, other than ordinary eyeglasses or contact lenses. Mitigating measures are things like medications, prosthetic devices, assistive devices, or learned behavioral or adaptive neurological modifications that an individual may use to eliminate or reduce the effects of an impairment. These measures cannot be considered when determining whether a person has a substantially limiting impairment. An impairment that is episodic or in remission is a disability if, when in an active phase, it would substantially limit a major life activity. For example, a student with bipolar disorder would be covered if, during manic or depressive episodes, the student is substantially limited in a major life activity (e.g., thinking, concentrating, neurological function, or brain function).

The phrase *major life activities* means functions such as caring for one's self, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating and working. Major life activities also includes major bodily functions such as functions of the immune system, normal cell growth, and digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

The School's Responsibilities to Students with Disabilities

The School must provide *academic adjustments*, *auxiliary aids* and *reasonable accommodations* to students with disabilities, that are necessary to ensure students are not denied the benefits of, or excluded from participation in, The School's program. The School must make modifications to its academic requirements that are necessary to ensure that the requirements do not discriminate against students with disabilities. The School must ensure that it provides physical access to students with disabilities. It is also the responsibility of Paul Mitchell The School Columbus and Paul Mitchell The School Cleveland to permit students with disabilities to use service dogs on each campus.

The person responsible for implementing these responsibilities at Paul Mitchell The School Columbus Campus is: Jessica Doggett; ADA Compliance Coordinator; 3000 Morse Rd., Columbus, OH 43231; (614) 388-9802; jdoggett@pmtscolumbus.edu.

The person responsible for implementing these responsibilities at Paul Mitchell The School Cleveland Campus is: Steffiny Kersey; ADA Compliance Coordinator; 10735 Ravenna Rd., Twinsburg, OH 44087; (330) 963-0119; skersey@pmtscleveland.edu.

When a student informs a School staff member that the student is disabled, or needs accommodations or assistance due to disability, the staff member will refer the Student to The School's ADA Compliance Coordinator.

Procedures for Students and The School

Documentation of disability by students — Students with disabilities who wish to request reasonable accommodations (including academic adjustments, auxiliary aids, or modifications) must contact the ADA Compliance Coordinator named above for their campus. Students must provide documentation of disability from an appropriate professional, which depends on the nature of the disability. For example, a student with a psychological disability should provide documentation from a psychologist, psychiatrist or social worker. The documentation submitted must be within the last 12 months, if older than 12 months the student must provide current documentation from the appropriate professional.

This documentation may be the student's existing medical records, or reports created by the student's medical provider or an appropriate professional who conducts an assessment of the student. It may be documentation from the student's past educational records such as reports from teachers or school psychologists, or records that show the student's educational history, disability assessment, and the accommodations the student previously received. It may be records from the state department of rehabilitation or the U.S. Department of Veterans Affairs. Documentation should be current and relevant, but that does not mean that a recent report or record is needed in all cases. Some disabilities are stable lifelong conditions and historic documentation will be sufficient. Some disabilities are readily apparent and observable and thus little or no documentation will be needed.

The documentation of disability is kept at all times in a locked, private file at The School. To protect privacy, direct access to this documentation is by written consent only. The ADA Compliance Coordinator will determine what information needs to be shared with Paul Mitchell The School staff and Learning Leaders, on an "as needed basis," in order to facilitate academic accommodations or other services.

Student requests for accommodations and interactive discussion with ADA Compliance Coordinator — Students who plan to request accommodations should contact the ADA Compliance Coordinator promptly, so there is time for the Coordinator to review the student's documentation and discuss accommodations with the student before the student begins the class or program for which the accommodation is being requested. When a student contacts the Coordinator, the Coordinator will keep a record of the dates and contacts with the student, including a record of the accommodations requested by the student. Students who have questions about the type of documentation they need to provide should contact the Coordinator to discuss this.

The student and the ADA Compliance Coordinator will discuss how the student's impairment impacts the student, how the student expects the impairment to impact the student in The School's program, the types of accommodations the student has previously received (if any), and the accommodations being requested by the student from The School. The Coordinator and the student should discuss accommodations needed during all phases of the program (Core, Adaptive and Creative), and for classroom instruction, skills based instruction and skills practice.

The documentation (or observation) must show the nature of the student's disability and how it limits a major life activity. The accommodations requested by the student should be related to these limitations. There are no pre-set accommodations for specific disabilities. Instead, the Coordinator and the student must discuss and determine what the student's limitations are, and how they can be accommodated.

Here are some examples:

- A student with an orthopedic disability may need cushioned floor mats and scheduled times to sit down. These students may also need particular kinds of chairs.
- A student with a learning disability or attention deficit disorder may need extra time to take tests, such as ninety minutes to take a test instead of the sixty minutes allowed to other students. These students may need to take their tests in a location that is quiet and has no distractions, such as an office rather than the classroom.
- A student with a learning disability or psychological disability may need a note taker, a copy of the instructor's notes or presentation, or to use a tape recorder during instruction.
- A student with post-traumatic stress disorder or an anxiety disorder may need to take periodic leaves of absence, or may need to structure their program so that it is scheduled over a longer period of time than usual. These students may need to take breaks in a quiet room during skills practice.
- A student with a hearing impairment may need instructors to use voice amplification systems, or may need the School to provide a sign language interpreter.
- A student with diabetes may need periodic breaks to check his or her blood sugar level.

Decision about accommodations, and ensuring implementation of accommodations — The ADA Compliance Coordinator will decide the accommodations to be provided to the student. The Coordinator will consider any past accommodations that have been effective for the student, and will give primary consideration to the type of accommodation requested by the student. Alternate accommodations may be provided if there is an alternative accommodation that would be equally effective for the student.

The Coordinator will make a decision no later than two weeks after the student states the request for an accommodation. If the student does not submit documentation of a disability at the time the student requests an accommodation, the Coordinator will make a decision no later than two weeks after the student provides the documentation.

The Coordinator will list the approved accommodations in writing and provide this to the student. The Coordinator will inform the appropriate Learning Leaders and school staff of the accommodations they are responsible for providing to the student, how to provide the accommodations, and when to provide the accommodations. The Coordinator will keep a written record of these contacts about the student's accommodations. The Coordinator will verify that the accommodations are being implemented for the student through direct observation, report by the student, and/or documentation from The School staff. If the student informs the Coordinator that an accommodation is not being fully implemented, the Coordinator will immediately intervene with relevant staff members to ensure the accommodation is provided to the student.

After accommodations have been approved for a student, the Coordinator will make an appointment with the student for a time when the student's program is expected to change. The purpose of the appointment is to determine whether the student's accommodations should be changed when the student's program phase changes, or the type of instruction changes.

Additional factors — The School is not obligated to provide accommodations that would result in a fundamental alteration of The School's program. In this case, the Coordinator will promptly search for an equally effective alternate accommodation for the student that would not fundamentally alter the program. The Coordinator will offer the alternate accommodation to the student.

The School is not obligated to provide accommodations that would result in an undue financial or administrative burden on The School. If the Coordinator decides that a requested accommodation might impose such a burden, the Coordinator will discuss the issue with The School owner, who will take into account the overall financial resources of The School. The School owner will make the final decision, in accord with the requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act. If The School owner determines that the requested accommodation would be an undue burden, the Coordinator will promptly search for an equally effective alternate accommodation for the student and offer the alternate accommodation to the student.

Appeals by Students

A student may appeal any accommodation decision made by the ADA Compliance Coordinator if the student disagrees with the decision. Here are some examples: A student may appeal the Coordinator's decision to deny a requested accommodation. A student may appeal a decision by the Coordinator to provide an alternate accommodation rather than the specific accommodation requested by a student. A student may appeal a decision by the Coordinator that the student has not presented sufficient documentation to support the requested accommodation. A student may also file an appeal when a school staff member fails to provide an approved accommodation, and the Coordinator has not effectively addressed the situation.

When a student at Paul Mitchell The School Columbus wishes to file an appeal, the student must notify NeCole Cumberlander; Owner; 3000 Morse Rd., Columbus, OH 43231; (614) 388-9802; [**ncumberlander@pmtscleveland.edu**](mailto:ncumberlander@pmtscleveland.edu).

When a student at Paul Mitchell The School Cleveland wishes to file an appeal, the student must notify NeCole Cumberlander; Owner; 10735 Ravenna Rd., Twinsburg, OH 44087; (330) 963-0119; [**ncumberlander@pmtscleveland.edu**](mailto:ncumberlander@pmtscleveland.edu).

The student must explain his/her reasons for disagreeing with the Coordinator's decision, or explain how the student's accommodation is not being implemented, and submit any relevant documentation.

Within five calendar days of receiving a student's appeal the Director will meet with the student and the Coordinator to discuss the issues presented by the student's appeal. If appropriate, the Director will also discuss the issues with other School staff members.

When a student appeals a decision made by the Coordinator, the Director will determine whether the Coordinator's decision should be revised or remain the same. If the decision is revised, the Director will ensure that the revised decision is implemented.

When a student files an appeal on the basis that an approved accommodation is not being implemented, the Director will determine whether the accommodation is being fully implemented, and if it is not, ensure that the accommodation is implemented. The Director will inform the student of the decision in writing no later than fourteen days after receiving the student's appeal.

Training and Mediation Responsibilities of the ADA Compliance Coordinator

The ADA Compliance Coordinator at each campus will deliver disability training sessions for all campus staff members at least once each calendar year. In these training sessions the Coordinator will explain the basic requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act as they apply to The School. The Coordinator will address: The School's responsibility to provide accommodations to students with disabilities; how to appropriately interact with students with particular kinds of disabilities; how to go about implementing accommodations that the Coordinator has approved for students; how to support students with disabilities in The School's programs; that students with disabilities cannot be penalized for using approved accommodations. The Coordinator will keep a record of each training session.

The Coordinator may also provide trainings for students who wish to learn about The School's process for providing accommodations, or about The School's grievance procedures.

To help ensure that future campus staff members and students are aware of The School's policies, the Coordinator will make sure that the Accommodations Procedures and the Grievance Procedures are continually posted at the campus.

The Coordinator will assist students with disabilities who have concerns about implementation of their accommodations or their treatment by The School staff members or other students. At the request of a student, the Coordinator will informally mediate or attempt to resolve issues related to the student's disability. If this informal process does not resolve the student's concerns, the student may file a grievance as described in Section II below.

② Grievance Procedures for Students who have Complaints on the Basis of Disability

Paul Mitchell The School is responsible for providing a grievance procedure to students who feel they have been discriminated against on the basis of disability. The grievance procedure provides students the opportunity to file a complaint. The School then has the responsibility to objectively investigate the allegations in the complaint and determine whether the student has been discriminated against. If The School determines that discrimination occurred, The School must take appropriate steps to correct the discrimination and prevent it from reoccurring.

Grievance complaints — A student may file a grievance if the student feels he or she has been discriminated against because the student is disabled, or because the student is regarded as being disabled, or because the student has a record of being disabled. A student may also file a grievance if the student feels that he or she has been retaliated against for advocacy based on disability. Here are some examples of discrimination:

- An instructor or other students refer to the student in a derogatory way related to the student's disability.
- An instructor generally refers to students with particular types of disability in a derogatory way.
- Other students refuse to work with the student because the student is disabled.
- A School staff member refuses to provide a service to the student that the staff member provides to other students.
- A school staff member takes a negative action toward the student after the student asked for accommodations for a disability.
- A guest presenter at The School makes derogatory statements about students with disabilities, or states that students with disabilities can never be employed in the presenter's field.
- A student's request for accommodation was denied by The School, or an instructor did not implement an accommodation for the student that was approved by The School.

A student must file a grievance complaint within 90 days of the date the discriminatory act occurred, or within 90 days of the end of an informal attempt to resolve the complaint, whichever is later. The complaint must be written. In the complaint, the student must describe what happened and the dates the acts took place, and state who was involved. The student should explain why the student believes

the acts were taken based on disability. The student should describe or provide copies of any relevant documents or emails, if available.

A student may ask the Campus ADA Compliance Coordinator to try and informally resolve the student's complaint before the student files a written complaint. However, the student is not required to try informal resolution before filing a written complaint.

The complaint must be sent to NeCole Cumberlander; Owner; 3000 Morse Rd., Columbus, OH 43231; (614) 388-9802; ncumberlander@pmtscleveland.edu.

The complaint must be sent to NeCole Cumberlander; Owner; 10735 Ravenna Rd., Twinsburg, OH 44087; (330) 963-0119; ncumberlander@pmtscleveland.edu.

Investigation of the Complaint — When the Director receives a written complaint, the Director will immediately begin an objective investigation. The School has the right to contract with an independent investigator to conduct any investigation. Within seven days, the Director will discuss the allegations in the complaint with the student, and obtain any needed additional information from the student. The Director will obtain from the student the names of any persons the student believes will have relevant information. The Director will gather all information necessary to determine what took place. To do so, the Director will interview any School staff members or students who engaged in the actions or may have witnessed the actions that the student is complaining about. The Director will interview persons that the student stated may have relevant information. The Director will gather any relevant documents such as emails, student work or instructor's records. During the investigation, the Director will disclose the complaint, and confidential information about the student, only to the extent necessary to investigate the allegations of the complaint.

After reviewing all the evidence gathered, the Director will determine whether the student was treated differently from other students based on disability; or whether the student was harassed based on disability; or whether the student was retaliated against because the student advocated on the basis of disability; or whether the student was denied an accommodation that The School should have provided to the student.

Written Decision — The Director will provide the student with a written decision no later than sixty days after the date the student filed the complaint. The decision will state the determination reached by the Director at the conclusion of the investigation, and the reasons the Director reached that determination. If the Director concludes that the student was discriminated against on the basis of disability, the decision will state the types of remedial action that The School has taken or will take to correct the discrimination. The decision will also state how The School will prevent the discriminatory acts from occurring again.

Appeals by Students — If the student who filed the complaint disagrees with the decision made by the Director, or disagrees with the remedial action specified, the student may appeal the decision to The School Owner.

The appeal must be written and sent to NeCole Cumberlander; Owner; 3000 Morse Rd., Columbus, OH 43231; (614) 388-9802; ncumberlander@pmtscleveland.edu.

The appeal must be written and sent to NeCole Cumberlander; Owner; 10735 Ravenna Rd., Twinsburg, OH 44087; (330) 963-0119; ncumberlander@pmtscleveland.edu.

The appeal must state the specific reasons that the student disagrees with the decision. Appeals must be filed no later than thirty days after the student receives the written decision from the Director.

The Owner will review all the information provided by the student in the appeal, the decision by the Director, the interview records made by the Director and the documents gathered by the Director. The Owner will issue a written decision to the student within fourteen days after receiving the student's appeal. The Owner will determine whether the decision should be revised or remain the same. If the Owner determines that the decision should be revised, the Owner will ensure that any necessary changes in the remedies are implemented.

Sexual Harassment is defined as unwelcome conduct of a sexual nature. It includes unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Sexual harassment is conduct that explicitly or implicitly affects a person's employment or education or interferes with a person's work or educational performance or creates an environment such that a reasonable person would find the conduct intimidating, hostile or offensive.

Sexual Violence is defined as physical sexual acts engaged in without the consent of the other person or when the other person is unable to consent to the activity. Sexual violence includes sexual assault, rape, battery, and sexual coercion; domestic violence; dating violence; and stalking.

Domestic Violence is defined as abuse committed against an adult or a minor who is a spouse or former spouse, cohabitant or former cohabitant, or someone with whom the abuser has a child, has an existing dating or engagement relationship, or has had a former dating or engagement relationship.

The complaint/grievance once received will be maintained in the student's and/or employee's permanent file, which has limited staff access, this includes verbal complaints.

STUDENT CONSUMER INFORMATION

Provisions of the Higher Education Amendment of 1976 require that, effective July 1, 1977, each postsecondary institution that receives federal financial aid funds must make certain student consumer information available to any enrolled or prospective students who request such information.

This section compiled by the Paul Mitchell Schools corporate financial aid office staff attempts to meet the requirements.

The school is approved for and participates in Federal Pell Grants, Subsidized Direct loans, Unsubsidized Direct loans, and Parent PLUS loans. Such programs help to defray the costs of attending school for those students eligible for financial aid consideration.

Financial aid is any mechanism that reduces out-of-pocket costs that the students and/or parents must pay to obtain a specific postsecondary education. In other words, financial aid is money made available to help students meet the cost of the program. Financial aid includes grants as well as need and non-need loans.

Need-based financial aid is available to families who demonstrate a financial need for additional resources. The formula below is used to determine a student's financial need:

$$\text{Cost of Attendance} - \text{Expected Family Contribution (EFC)} = \text{Financial Need}$$

Non-need is the difference between the cost of education and financial need.

Based on these calculations, federal financial aid may not cover the full cost of attendance.

All financial aid is awarded to students who qualify based on the following:

- ❶ Criteria making a student ELIGIBLE includes citizen or permanent non-citizen alien recipient codes 1-151, 1-55 1, and 1-94.
- ❷ Criteria making a student INELIGIBLE includes codes F-1, F-2, J-1, J-2; students who are in federal loan default; students who receive grant overpayments; or male students who meet Selective Service registration criteria, but are not registered.

In order to enforce this policy, the School reserves the right to search all School premises, including classrooms, administrative offices, corridors, storage rooms, and parking lots. The School also reserves the right to search all employee and student property on School premises or at School activities, including but not limited to backpacks, purses, handbags, lockers, and vehicles parked on School property. The School also reserves the right to implement other measures necessary to deter abuse of this policy. Failure or refusal to cooperate may be grounds for disciplinary action, including expulsion from the School or termination for employees.

All material in this program is, unless otherwise stated, the property of Paul Mitchell The School Columbus and Paul Mitchell The School Cleveland. Reproduction or retransmission of the materials, in whole or in part, in any manner, without the prior written consent of the copyright holder, is a violation of copyright law.

At Paul Mitchell The School Columbus and Paul Mitchell The School Cleveland we abide by the provisions of the federal Digital Millennium Copyright Act (DMCA), which requires prompt response to claims of copyright infringement by copyright holders or their agents. If the school receives an allegation of copyright infringement based on your use of the school's computers, the matter will be referred to the school director for further investigation. If you are found responsible after meeting with the school director, you are subject to disciplinary action including loss of network access, suspension or termination from school, and/or restitution or community service.

The Internet is an essential tool in everyone's lives for both academic and everyday pursuits. Along with these benefits come responsibilities. One of the most critical is conforming to the copyright laws governing music, movies, games, and software over the Internet. You must have the consent of the copyright holder to make copies.

The consequences of copyright infringement also extend outside of the school. Copyright holders may assess civil liability and even criminal prosecution. Recently, the Recording Industry Association of America (RIAA) has adopted the practice of sending schools pre-litigation settlement letters to be forwarded to individuals offering them "the opportunity to resolve copyright infringement claims against them at a discounted rate." Published reports indicate that the minimum settlement is \$3,000.00 per case.

Another reason to be careful with file-sharing programs is that the installation procedures for most of them enable default open access worldwide to information on your system; thus, the integrity of your computer and personal information can be compromised through illegal file sharing, including making you vulnerable to identity theft.

To facilitate student access to legal sources of music and video online, we have listed a couple of sites below:

- ❶ **iTunes:** This Apple store works with both Windows and Mac operating systems. Currently, over 99% of their song catalog is "unlocked," meaning you can transfer the songs to any device or computer you own.
- ❷ **eMusic.com:** This site features mostly independent and jazz/blues music. They offer low prices for signing up (up to 45 songs for free), and a good portion of their catalog can be purchased for about \$0.50 to \$0.89/song.
- ❸ **Netflix.com:** For about \$7.99/month, you can set up an online list of over 20,000 movies that can be streamed directly to your computer.
