

Plugged In Home Play Activities — Texture and Style

#1

- Review the Texture and Formation Chart.
- Create your own Texture and Formation Chart. Be creative and use materials you found at home, a craft store, or a hardware store, or in nature.
- Take a picture for the Honors Program.
- Share your completed activity with the Texture Specialist.
- Add it to the Honors Program if desired.

#2

- Create three different upstyles showcasing the following:
 - a. Bridal
 - b. Classic
 - c. Creative and/or avant-garde
- You may create the look on a doll head or model. Take a picture of each look and add it to your personal portfolio.
- Share your completed activity with the Texture Specialist and obtain his or her signature for the Honors Program.
- Add it to the Honors Program if desired.

Optional: Add the photo on your school's Facebook page for all to celebrate.

#3

- Locate two different styles in a magazine or online:
 - a. Finish: round-brush method with volume
 - b. Controlled and texturized
- Take a picture and add both pictures side by side to your personal portfolio and include the Take HomeSM Recommendation Form.
- Share which Paul Mitchell® products you used and why with the Texture Specialist.
- Share your completed activity with the Texture Specialist.
- Add it to the Honors Program if desired.

#4

- Research the hairstyle through the eras to include the 40s, 50s, 60s, 70s, 80s, and 90s.
- Choose your favorite era in history.
- Add pictures of your favorite looks to your Look Book.
- Share your completed activity with the Texture Specialist.
- Add it to the Honors Program if desired.

#5

- Create an upstyle on a model from your favorite era in history.
- Take a before and after picture of your model for your personal portfolio.
- Recreate a different look from the same era on your model.
- Take a before and after picture of your model for your personal portfolio.
- Share your completed activity with the Texture Specialist.
- Add it to the Honors Program if desired.

#6

- Write a one-page report on chemical hair relaxing.
- Share your completed activity with the Texture Specialist.
- Add it to the Honors Program if desired.

Plugged In Home Play Activities — Texture and Style

#7

- Perform a full head of finger waves on a model.
- Complete the blow-dry, brush out, and create an upstyle.
- Take pictures for your personal portfolio.
- Share your completed activity with the Texture Specialist.
- Add it to the Honors Program if desired.

#8

- Write a one-page report on a subject related to texture and style.
- Select one area you need to learn more about.
- Share your completed activity with the Texture Specialist.
- Add it to the Honors Program if desired.

#9

- Write a report on how to analyze your service guest's hair.
- Include the reasons hair is analyzed and for which service.
- Share your completed activity with the Texture Specialist.
- Add it to the Honors Program if desired.

#10

- Evaluate your own face shape and design a makeover hairstyle for yourself.
- Diagram the hairstyle using the Texture Head Sheet and follow the diagramming system.
- Share your completed activity with the Texture Specialist.
- Add it to the Honors Program if desired.

#11

- Locate a minimum of six different pictures of various finger waves from magazines or online. Add these pictures to your Look Book.
- On a live model, perform four separate finger waves: horizontal, vertical, horseshoe, and creative.
- Dry and brush out each finger wave.
- Take pictures of each finger wave when wet and when dried and add them to your personal portfolio.
- Share your completed activity with the Texture Specialist.
- Add it to the Honors Program if desired.

#12

- On a doll head or a live model, create a wet set using a combination of three of the four style techniques: finger waves, pin curls, stand-up curls, or barrel curls.
- For the barrel curls, demonstrate at least two of the three roller placements of on base, half base, or off base. Set the hair, dry, comb out, and style.
- Take a before picture of the actual set from various angles, then take a picture of the finished style.
- Answer the following questions:
 1. What is the texture and formation of the hair?
 2. What style and finish products did you use and why?
 3. What did you learn?
 4. What would you do differently next time?
- Take pictures and add them to your personal portfolio.
- Share your completed activity with the Texture Specialist.
- Add it to the Honors Program if desired.
